Thank you Mr. Peabody, Peabz, for a wonderful four years. Having a Vice Principle who is so personable with a great sense of humor has made getting in trouble a little bit more bearable. His signature mustache and taking care of business attitude will forever be remembered by the Class of 2010. Again, thank you for being there for us, we will miss you!

The Class of 2010
On behalf of the senior class, we would like to give a special thank you to our class advisors. Mrs. Horne and Mrs. O’Brien put forth their time and effort to make our senior year so memorable. All of this would not have been possible without them.

Thank You!

A special thanks...

To Matt MacArthur, Wes Clark, Dan Grady, Shane Morris, Kyle Gomes, and any of our other classmates who are going to serve our country.
The past four years at Bridgewater-Raynham Regional High School have been full of wonderful moments. Our parents, teachers, and coaches have all helped make our four years in high school so special. The yearbook has been divided into the following sections:

- Faculty
- Athletics
- Organizations
- Events
- Seniors
- Underclassmen
- Advertisements

When put all together, these sections have helped form our lasting memories.

Mr. Robert Kostka

Mr. Robert Kostka, chair of the Social Studies Department, is retiring this year after being part of the B-R family for 40 years. He has developed a true following with his sociology classes. As his many students will tell you, his Type 2 personality (and what kind of wing did you say you had???) will be sorely missed along with his dedication. Thanks and gratitude to you, Mr. Kostka! Enjoy your retirement years!

Mrs. Patricia Anania

Mrs. Pat Anania came to us from West Bridgewater. She has been at BR for 15 years. Mrs. Anania passionately teaches earth science. She loves nature and strives to excite her students about their environment and what is happening around them. Mrs. Anania has led the Science Olympiad team for 10 years. She has kept this team alive through very difficult financial times. This team has grown and had many successes under Mrs. Anania’s guidance. Pat has given a lot to the students of BR. We will miss her in the science department and in our school. Thanks Mrs. Anania!

Mr. Alan Coughlin

Mr. Al Coughlin is the Senior member of the Science Dept. He has been the department head for 5 years. Mr. Coughlin is a veteran and a hard worker. He has taught earth science to thousands of students over the years. Mr. Coughlin is professional, kind, and respectful to all that work with him. He has been a good friend and a dedicated teacher. We will miss him. Thanks Mr. Coughlin!

Mrs. Susan Brougham

After many years as a first grade teacher, Mrs. Brougham arrived at the high school in 2004 as our new librarian. The transition from elementary school to high school could not have been smoother. She was a welcome addition to our staff and a fierce advocate for our library. Her creativity transformed the library by adding decorative bulletin boards and educational posters. She set up quiet study areas for staff and organized and trained a wonderful group of docents to assist us as well. She was able to provide new and modern resources even under difficult financial times. We wish her all the best as she retires and will truly miss.
To The Class of 2010:

You have achieved an important milestone in life. Graduation is a time to reflect on the past four years of a challenging yet rewarding high school experience. It is also a time to look forward to a promising future.

Bridgewater-Raynham Regional High School has provided you with the necessary knowledge and skills upon which to build your future. Knowledge is not enough to be successful; it is how you use that knowledge that counts. Use your wisdom to do the right things, to act on principle and with compassion for others.

Go forth with the confidence of your teachers, families, and yourselves into a world that holds limitless possibilities. On behalf of the Bridgewater-Raynham Regional School Committee, I wish you all the best in your future endeavors. Make us proud!

Congratulations to the Class of 2010!

Jacqueline B. Forbes
Superintendent of Schools
To the class of 2010,

I wish you the best of luck! I have been honored to work with such a fine group of young men and women during my first year as Principal. Four short years ago, we embarked on this journey together and I feel that in that short amount of time we have learned and grown a great deal from one another. You never ceased to amaze me with your hard work and ability to rise to the occasion in all that you have done. The core of your experience at B-R is one you should all be proud of. Through all the ups and downs over the course of your high school years, you passed the tests put before you and met the expectations set for you not only by your school, but by your families. You have established high standards for your peers to follow and you have always represented B-R in the most positive light.

Although this chapter of your life is closing, another one is beginning......the beginning of your life as young adults with increased responsibilities and expectations. Remember to always have the courage to seek the truth, to speak the truth, and to stand up for the under dog – even if yours is the lone voice doing so. Have the courage to trust your own moral compass – your innate understanding of right and wrong. And have the courage to accept that you are not perfect, nothing is, and no one is – and that is ok.

In closing, I want you to remember one thing....be proud of what it took to get to this special day. Remember the hard work you put forth to get to this moment and realize that it is just the beginning of a wonderful journey.

Congratulations and good luck to you!

Sincerely,

Angela Watson

"And the Britney song was on..."

This year's Varsity Football Cheerleaders proved to be a wonderful group of girls. These ladies have a great ability to balance fun and hard work. It was through their dedication and perseverance that we were able to have a successful season. The team placed second in the OCL and qualified to advance on to the regional competition. Senior Captain Brittney Morgan describes the team as "amazing girls who bonded to form one of the closest teams BR has ever seen and I'm proud to have been a part of it". Senior Captain Katie Sheridan says "Cheer girls, thanks for a great year! Unforgettable times at Gillette! Good Luck next year!". These girls along with our other two seniors Kailey Walsh and Courtney White will be greatly missed next season. "G-N!"

Coach Hardy
"This year went well. A recovering program led by great seniors including captains Nick Marini and Michael McKinnon. A good bunch of kids represented the school well this year, and the future looks great for the Trojan Cross-Country team. Thanks for a great year guys."

"To the Seniors of the Girl's BR XC team: Thanks for a great season. It has been a privilege to watch you evolve from timid participants to fierce competitors. I hope you will make long distance running a lifelong healthy habit! Good luck with your future endeavors. I am so very proud of each of you.

Laura Hohengasser, Coach
The Lady Trojans, led by 14 seniors, and 4 captains, Jill Wyman, Megan Gilmartin, Emily Hemming and Amanda Wong, finished with a 6-10-2 record. The team exemplified commitment and tenacity at practices and games and remained positive throughout the entire season. We will miss our senior leadership, but are hopeful for the 2010 season.

Ms. Sullivan
The BR golf team had several goals at the start of the season. Among them was to qualify for the state tournament and finish well in the Old Colony League. Unfortunately they got off to a very slow start with a 1 and 6 record. Both goals didn’t seem possible as they entered the second half of the season. They won their next four matches and finished strong with an 8 and 8 record qualifying for the State Tournament by beating Attleboro 241 to 269 in the last match of the season. Their OCL record was 5 and 3 which allowed them to finish in second place. They finished 7th in the MIAA State Division 1 Golf Tournament, with 2010 returning golfers Cody Nussbaum and Chris Oien posting scores of 79 and 81. The Old Colony League Tournament recognized the top ten finishers and three BR golfers received awards. Co-captain Matt Hart and Cody Nussbaum tied for third place and Trey Sibert finished in sixth place. The team looks forward to the 2010 season with five returning starters and with many promising underclassmen.

Coach Pimental
The Trojans surpassed all expectations this year by holding a 10-3 overall record. With big wins against Attleboro and Taunton, it led to an OCL championship for the team. After beating Needham in the Division 1A playoffs, the Trojans got the opportunity to play in a snow-filled Gillette Stadium for the Super Bowl.
The B-R Boy’s Soccer Team enjoyed a fun, thrilling season, posting one of their best records in years. The Trojans, runners up in the Old Colony League, qualified for the state tournament midway through the season, as Senior Captains Elias Loucagos, Skylor Nelson, and Tom Mullen provided remarkable leadership. Highlights of the season included a 2-1 victory over Brockton; an exciting come-from-behind 3-2 win against Dighton-Rehoboth, in which B-R scored twice in the final 3 minutes (Tom Mullen had 2 goals and an assist); Skylor Nelson netting 2 goals and adding an assist in a 4-1 defeat of Taunton; and a win on Senior Night. Everyone contributed to the team’s success, and seniors Sebastian Celeita, Bryan Cohoon, Matt Curtis, goalkeeper Zeke Georgantas, Brendan Glavin, Tim Kennedy, Marquis Marshall, Collin McLaughlin, Shawn Morin, Matt Needham, Nick Rogers, Junior Saad, and Mike Zutaut will be difficult to replace and certainly missed next season. Nevertheless, they leave the B-R program in good hands to a group of solid underclassmen, including Jeff Sherman, Sam Babchuck, Joe Esposito, Nick Burnett, Garrett Kelly, Tyler Smith, and others. The Trojans should be a contender for the OCL crown and post-season play again next year.

The Lady Trojans had an impressive year. They had two ties and one loss in their first three games of the season, but they soon found a balance and went on a six game winning streak. The young, but talented Trojans were able to overcome obstacles such as injuries and the flu that seem to take over the players one by one. The girls not only found a balance in their play, but they competed like champions into the quarter finals of the post season tournament. This truly was an astounding achievement since many regarded this year as a building year.

OCL Record 6-2-0 Overall Record 12-5-3

Coach Settino
The team continued to work towards turning B-R Volleyball into a winning program. The senior captains were great leaders on the court. Jess Chute was an aggressive and powerful outside hitter. Kate Bumpus balanced the roles of middle hitting and setting. Tara Conti played well wherever she was asked. Standout juniors this season were Allie Sasenick, Daryl Medeiros, Kelsey Baumgarten, Kendra McMasters and Steph Sylvester who each contributed individual strengths to the team. The girls worked extremely hard and showed improvement as the season progressed. The Seniors have shown dedication for the past three seasons with me as their coach and never gave up no matter what their record was.

The Trojans Boys Basketball team finished the season with a 5-15 record. Headed by Senior tri-captains, Ryan Duff, Michael Connolly, and Michael Reichert, the team fought hard all year. The Trojans played hard, and had a chance to win almost every game. On senior night, in the final home game of the season, the team was able to get a close victory over Plymouth North with key baskets scored by both Ryan Duff and Mike Connolly. Overall, it was a great season that will be remembered for the extensive effort given by every team member.

Co-Captain Ryan Duff
Taryn and Amanda are exceptional student-athletes that have had numerous achievements both on and off the court during their B-R Basketball career. As our team captains and senior leaders, they have a competitive spirit that has propelled our team to achieve their goal of making a return trip to the state tournament.

The 2009-10 Girls Basketball team had 3 returning Varsity players and 8 newcomers that made up this years squad. The teams commitment, hard work, and dedication helped the team achieve their goal of qualifying for the state tournament and 2nd place finish in the OCL.

Coach Nicole Orlando
Gymnastics

The 2009-2010 Lady Trojans Varsity Gymnastics Team had a season for the record books. The girls had a 7-0 record in the Cranberry League North Division. The team not only competed well together, but their unity and spirit was extraordinary. Senior Captains Rachel Livolsi and Jillian Kitterick, and Junior Captain Kelsey Baumgarten lead the team. The team also qualified for the MIAA South Sectionals in hopes of qualifying to the MIAA State Championship. Individual highlights were Rachel Livolsi qualifying to the MA state individual competition on Bars, Beam and Floor, Rachel placed 4th in state on bars losing only by .075 of a point. Freshman stand out Mary Korotsky also qualified as an all around competitor, a very hard task to do as a freshman. In the Cranberry League, Jillian Kitterick was named Sportswomen of the league and Rachel and Mary both took home All Star awards. I’m very proud of the team for their gymnastic talents, positive attitudes and willingness to work hard and challenge themselves.

-Coach Stephen Cudworth
The 2009-2010 Boys Ice Hockey team has high hopes for their season. Last season they reached the state quarterfinals losing to eventual State Champ Springfield Cathedral. Only losing four seniors from the team gives the boys expectations for even greater things. Led by captains, Jimmy Weldon, Josh Deangelis, Ryan Donovan, Robbie St.Germain and fellow seniors Matt Hart, Tyler Whealan and Ryan Drowne, the team began the season ranked 13th in the state. The players and coaches have hopes of a repeat Old Colony league Championship and trip deep into the State Tournament.

Coach Jones
Boy's Winter Track

The Winter Track team led by Tom Mullen, Kyle Reid, and Neil Harrington look to lead the mighty Trojans to an OCL companionship. The Trojans are the pre-season favorite to win the league. The seniors on the team, Nick Marini, Marquis Marshall, Cam MacDonald, Russ Reed, Mike McKinnon, Mike Warish, Doug Smith and Steve Cooney provide great leadership that is key to winning a championship.

Coach Ray Wilcox
The Girl’s Winter Track is led by Erin Desrocher, Andrea Murray, Jill Wyman, and Kassandra Aveni. The senior girls are hoping to lead the Trojans to an OCL championship this season. The Trojans are the pre-season favorite to win the league. Strong and dedicated leadership shown by the capitals, along with fellow seniors, Molly Pomroy, Sara Cote, and Alexis Damish is key to winning a championship.

Coach Paul Urban Jr.
Swimming

Developing from a team of 8 to a team of close to 30, the swim team has grown exponentially. With a new coach and many new members the team is doing very well for their third season as a Bridgewater-Raynham High School sport. Team spirit was very high this season and many friendships have developed.

*Coaches: Brian Burke and Sue Devin*

The 2009-2010 Bridgewater-Raynham Swim Team

Ian Bell, Kyle Couture, Doug Hall, Kevin Hexamer, Michael Moreshead, Sean O’Donnell, Tyler Oslund, John Shea, Amanda Bell, Jenna Beneski, Laura Brandos, Kelsie Clark, Julia Coakley, Emily Cox, Jen David, Erin Derosier, Kristine Dunham, Lauren Fox, Jenn Harrington, Lauren Kelly, Jackie Leombruno, Jill McElroy, Caisie Niles, Chelsey Pringle, Abbie Rosen, Cori Spagna, Chelsea Tate, Katelyn Travers, Meghan Wood, Michelle Young, Kim Wolohojian
The Bridgewater-Raynham Regional wrestling team won the South Sectional State Championship in 2009 season. The graplers are striving to achieve this goal for a second straight year and have their eyes contending for a Division one state title. The captains are Donnie Sheridan, Steve Libby, Steve Capobianco, and Matt Libby. The defending D1 South Champions are looking for big seasons from Seniors; Shaun Quigley, Tim Kennedy, Cody Jaramillo, Juniors; Adam Travaglione, Tad Peterson, Colin Harrington, Bob Holstein, Nathan Jaramillo; and Soph; Brandon Echevarria, Dan Crieghton, and Vasili Gerakis. Hopefully with hard work some of these athletes will make the state championship board for the 2010 season and battle for a team title. The coaching staff is lead by Head Coach Jeff Francis and assistant coach is Scott Blake. Volunteer coach Lee Beane (B-R Graduate and All-American Wrestler at B-R), Ken Carigan in eighth season and off season specialist. Rob Leroux (New England Champ) Devin Hennessey in his second season (Two time New England Finalist) Tony Libby as leg specialist.

This is the family.
Winter Girls Cheerleading was filled with smiles and joking around. They performed well at all the games and had fun while doing it. The team included: Kaitlyn Grahm, Stephanie Schlatz, Kendall Smith, Jill Korotsky, Erica Leonard, Anna Haluch, Haley Murray, Stephanie Chicoine, Nicole Urbano, Krysta Williams, Lauren Mason, Jordan Chapman, and Carly Cullenberg.
Boy's Lacrosse

The 2010 Boys Lacrosse team went into their second varsity season with the goal of winning the Maritime Lacrosse League championship. Captains Tyler Whealan, Dan Johnrow, and Josh Crawford led the team on their charge towards this mission. These leaders, along with senior Mike McKinnon and fourteen other returning players formed an experienced core. This group, with the help of seven newcomers, showed tremendous work ethic and enthusiasm. The Trojans played committed, smart lacrosse; hoping to earn their first tournament berth.
The 2010 Girls Lacrosse Team is driven by their spirit and determination. Not only are these girls a team, but they are a family on and off the field. Led by senior captains Stephanie Cicalis, Megan Gilmartin, and Kristen Jones, the team works together and strives for excellence at each practice and every game. They face upcoming challenges throughout this season’s schedule and have great hopes of coming out on top in the Maritime Lacrosse League. Through the struggles of becoming a new Varsity Sport, they’ve prevailed in playing by the motto “Leave Your Heart on the Field.”
The B-R Baseball team has high hopes for the 2010 season with a good nucleus of returning starters from a team that went 20-3 last season, finishing in the South Div. 1 Final Four for the 2nd consecutive year. Seniors Eddie Campbell (Capt./18-1 career record/Va. Tech), Mike Connolly (Capt./excellent SS/UMaine), Nick LeBlanc, Will Rolls (3rd base/Franklin Pierce), Brendan Glavin and Jon Palmer (CF/ECONN) as well as juniors Billy Zoiga, Mike Devin, Kyle Campbell and Garrett Kelly give B-R excellent pitching depth and experience. James Alfonso (Capt./UHartford) returns as one of the best defensive catchers in EMass and will be backed up by Connolly and sophomore Brandon Hoyle. Neil Harrington (Assumption for football) will lead off and play 2nd base, followed by Palmer, Connolly, Campbell, Alfonso, Rolls, Ryan Drowne (senior OF/DH) and Zoiga (OF/3B) to give B-R a strong offensive line-up. In addition, juniors Sean McCall (SS/OF), Matt Ives (OF), Cody Nussbaum (1B) and Matt Collins (2B) will be solid starters. Seniors John Scleparis and Russell Reed will be valuable reserve players off the bench.
The BR Varsity softball team is looking good this year. Nicolle Brenza, Amanda Wong, and Haley Sarceviez are the three senior captains this year. Behind the plate catching for Audrey Dolloff is Nicolle Brenza who was named 2009 All-American. Return infielders Amanda Wong, Alyssa Gray, and Alyssa McKinnon should be leading another strong defense this year, backed by returning outfielders Devinn Doherty and Haley Sarceviez. New additions to the varsity team are juniors, Rachel Bergeron, Stephanie Sylvester, sophomore Rachel McCall and freshman Chelsea Corriea.
Boys' Tennis

The tennis team is coming off of a 15-3 season. During that season all stars, Steve Viera, Zack Hall, and Shane O'Connor, did very well. They have all returned determined to improve on last years tournament run. Co-Captain Elias Laucagous will be returning to the first doubles team. Others contending for spots on the starting roster are seniors Pat Koczela and Ryan Johnson, and Juniors Josh Steffen and Alex Laham. A strong group of sophomores and freshman add to the competitive mix.
The Girls Tennis team faces a challenging year as the defending OCL Champions. Senior Captain Jillian Kitterick and Samantha Counts, along with returning veteran Allie Chabot, Liz Baird and Randi Hatch will lead the Lady Trojans in 2010. Sophomores Sarah Almeida and Emily Thomas look to challenge the rest of the teams for playing time as we have the longest turnout in years and some talented young players in the mix.
Boys' Spring Track

The Boy's Spring Track team looks to compete for the OCL Title this year. This year's team is lead by Tom Mullen, Kyle Reid, Cam MacDonald, Marquis Marshall, Nick Marini, Mike Warish, and Doug Smith.

-Ray Wilcox
The Lady Trojans Track Program has excelled throughout the last four years with help from Kassandra Aveni, Molly Pomroy, Andrea Murray, Erin Desroschers, Jill Wyman, Sarah Cote, and Alexis Damish. These ladies worked very hard to clinch the title of Old Colony League Champions four years in a row. With countless OCL All-Star and All-Scholastic achievements among these girls, the track program would not be the same without them. These athletes competed at Division State and All-State levels numerous times.

ORGANIZATIONS
The Anime club is new to B-P this year. The developing club is enjoying watching, creating, studying, and discussing the different types of Anime.

Anime Club

The Art Club's mission is to promote art throughout the school and community and to create more art opportunities for its members. Members will explore a variety of art making techniques including glass, clay, drawing and painting media.

Art Club

A group of extremely talented musicians, the band has annual concerts such as the Prism and Holiday concerts; and are often asked to play at local events such as town parades.

Band
Cafe 129

Cafe 129 is a student run restaurant that serves lunch to students, staff, and community members each Tuesday during the school day. Each week the menu is different and consists of an appetizer, entree, dessert, and beverage. The students prepare, cook, and serve the food throughout the lunch time. During lunch each student has a job such as chef, waiter, bus person, or cashier.

Chorus

Whether singing by themselves or with the accompaniment of the school band, the chorus is a welcome addition to any function, and they can often be found singing the National anthem at sports games or participating in one of B-R’s many concerts.

Drama Club

The Drama Club is back! The group is open to anyone interested in improving their craft, practicing new techniques in performing, or learning the technical aspects of theater. This year the dynamic group explored a variety of plays for diverse audiences. The goal is to promote the performing arts through expression.
Foreign Language Club
take a close look at a variety of countries from around the world. Throughout the year, they celebrate many holidays, including El Día de Los Muertos, the Chinese New Year, and Mardi Gras. In addition, they make crepes and churros as exploring other languages.

Gay-Straight Alliance

The GSA works to promote awareness of GLBTQ (Gay, Lesbian, Bisexual, Transgender, and Queer) issues and create a safe school environment for all students. Activities include Day of Silence, AIDS Awareness Day, Out of the Blue theatre performances, PFLAG speakers and networking with other GSAs.

Library Docents

Library docents are friendly, enthusiastic, committed students who enjoy working with diverse groups of students and faculty. They are trained to assist with all aspects of library work including checking books in and out for our patrons, locating and shelving books, assisting with computers and photocopies, as well as participating in library tours and orientations. Docents learn new skills, give their time and energy to their school, build impressive activity profiles for their college applications, and are some of the most helpful students at BRRHS!
The dedicated members of the Math Team consistently work on problems from every area of the immense subject, competing in meets across the region. They also help prepare for the annual Pi Day in March.

The combined Mock Trial/Debate/World Affairs Club: The Debate Team will be trying to both the defense and plaintiff in a case where an individual lost their college savings in the stock crash of 2008 and is suing the investor for misrepresentation of the security of the funds; Debates range from health care to the increase of troops in Afghanistan. The World Affairs Club makes arrangements to select items for our troops, is planning a cultural food day, and posts headlines from around the globe on our bulletin board.

National Honor Society
The peer leaders are a community service group that volunteer, such as: Halloween party, bake sales to raise money for the needy families, Mr. Mitchell’s scholarship Banquet, collect coats for the needy, Breakfast with Santa, cancer walks, served the Senior Citizens Thanksgiving dinner. We have about 30-35 students.

Peer Leaders

This is the second year for a fabulous new program at BR. Students have volunteered and undergone training to become mentors both to high school peers as well as younger students. The Mentors developed the BRIDGE program which works to introduce 8th graders to the high school improving the transition. Mentors put on programs for other middle school grades to promote social action such as reducing bullying, appreciating differences, respect, etc. Mentors are also available to help new students entering BR during the school year to make a smooth transition.

Peer Mentoring

The School Committee Student Board is an elected group for each grade who interview club advisors and present their findings to the Bridgewater-Raynham Regional School Committee. Committee members are very enthusiastic to hear their reports and receive these monthly updates as to all of the terrific events occurring within our school and the achievement of our students.

School Committee Advisory Board
School Council

The School Council is a group of students, teachers, administrators, and parents. The group works diligently to create a school improvement plan and to review handbook language.

School Climate Group

The School Climate Group works consistently to highlight and showcase student achievement and to promote positive interactions in our school community. This year the group co-sponsored the annual Breakfast with Santa and sponsored the popular "Best of the Bunch" Breakfast. Through various activities, the group members help foster an appreciation of individual differences, cultivate feelings of pride in the school community and the community at large, and assimilate the meaning of respect towards self and others at Bridgewater-Raynham.

Science Olympiad

The BRRHS Science Olympiad Team belongs to the SE Massachusetts division which is part of a nation-wide organization. Mostly seniors, this year's team has won many medals! Moriah Illsley, our most highly respected captain, has four years' experience and has done a great job building the team with her leadership, creative ideas and dedication. This strong, winning team has made B-R proud.
Throughout the winter, the Ski & Ride Club plans trips to a variety of ski areas around England including Waterville, Bretton Woods, Sunapee, Loon and Sunday River. Ski & Ride Club is a great way to make friends and enjoy a day out on the slopes!

Ski Club

The TJ2 team builds a robot, creates an animation, designs their own tie-dye uniforms, writes a newsletter, manages a website, and travels around the country!

TJ2

The staff of Unitas works tirelessly each year to present B-R with the best possible yearbook. From sorting pictures to designing layouts, every member has a duty. Editors Liz Boutilier and Erin Pochay will be missed for their hard work.

Unitas
Open to all students, this active group promotes awareness of social and environmental issues. By making videos, organizing events, and bringing in topical speakers we encourage healthy behaviors and environmentally sound practices. Some things I look forward to are a recycled fashion show, Green Awareness Day, recycling within the school, tobacco prevention, International Day of Peace activities, etc.
The Raynwater Players put in many hours of preparation to perform a Broadway musical each year. This year auditions were held to cast the immensely popular A Chorus Line, a show that earned a Pulitzer Prize for Drama in 1975. It also won nine Tony awards and received a Special Tony Award in 1984 when it became the Longest Running Show in Broadway history. The members of the Raynwater Players support their endeavor through fundraising and ticket sales. From dancing, singing, and acting, to costumes, make-up, and sets, members work both on stage and behind the scenes to put on the best show possible. Audiences excitedly await a fun-filled evening of musical theatre each year.
This is a club that consists of students (voted in by peers) from all grades who will be creating a variety of fundraisers, community service, school activities along with annual drives. These will include a stuffed animal drive for local warehouses transporting children on ambulances, as well as, the food and turkey drive for Thanksgiving. There will also be a coin drive, teacher/cafeteria appreciation week, the faculty/student basketball game, spirit week, collection for troops overseas, etc.

Junior Prom
Junior Prom was held at Christina’s in Foxboro. The entire night was filled with dancing and everlasting fun. "BR Wuddup!" will forever be instilled in all of our minds. T.J. Banks and Stephanie Slicis were named Prom King and Queen! A fun time was had by all!
December 5, 2009

This 2009 B-R football team had an amazing season. The team made it all the way to the Superbowl at Gillette Stadium. The team played great, even through the tough, snowy conditions. Although, the team suffered a loss, the experience will be unforgettable.

Superbowl
Full of fun and laughter, BR's spirit week entertained us all! Whether it was Decades Day or Superhero Day the surprises were endless. B-R's halls were full of spirit when we had Safari and Jersey Day! Rivalry actually brought the school together for Pirates vs. Sailors Day and Color War. This exciting week ended with a pep rally for our Thanksgiving football game!
November 30, 2009
The age old rivalry between Juniors and Seniors was put to the test again this year. Although the air may have been raining and cold, it did not stop the Senior girls from dominating the Juniors. The game was filled with laughter and new memories that will remain in the minds of Juniors and Seniors alike.
Congratulations 2010 Senior Girls!

Powder Puff
November 20, 2009
This year's semi formal was a huge success. Freshman, Sophomores, Juniors, and Seniors all mingled together, danced and shared good times. Mike Duran and Katie Sheridan won the titles of Mr and Miss Regional.
November 25, 2009

The Pep Rally was a great end for a successful Spirit Week. The Seniors' energy was phenomenal and set a positive example for the Underclassmen. The annual scavenger hunt was a hit and of course won by the Seniors. As always the highlight was the Cheerleaders' and Football Players' dance routine. The Rally drew to a close with the reveal of class superlatives, and everyone left with high spirits.

Spring Semi 2010 was a huge success. The gym was packed with students and the music kept everyone dancing all night.

As always, Sandstorm was a crowd favorite. The Spring semi-formal was the last dance in B-R for the seniors, and will be remembered by all.

Spring Semi Formal
There was a record high of 20 boys competing for the title of "Mr.BR 2010" this year! The boys showed off their swimsuits, talents, and evening apparel for the judges to vote upon. It was a tough race, but Matt Lynn ended up winning the title!

CONGRATULATIONS TO THE CLASS OF 2010!
From the Editors

Congratulations Class of 2010!

Making this yearbook has been stressful and time consuming, but very much worth it! Thank you to everyone who worked hard to make this book, donating time and pictures. We hope that you will look back on this yearbook and cherish the time you spent here. In the past four years, in the Old School and in the New School, we have been able to share our secrets, lockers, friends, and memories. It's hard to think that our lives are just beginning and we have so much more to experience.

We wish everyone luck in whatever they chose to do (: 

Live. Laugh. Love.

Congratulations Taryn!!!

From your first day of school to today - where has the time gone? Watching you navigate your way through school, always determined and full of heart, we are so proud of the person you have become: strong in spirit, compassionate, authentic, and filled with a great sense of humor. You have worked hard to reach your goals --- you deserve your dreams! As you look toward your next chapter - college - remember always, deep in your heart that you are so very loved.

We love you to the moon and back!

Love,
Dad, Mom, T.W., Tesslyn

Erin "aka" Rin:

You are the light of our lives... So proud of you!

May you always stay true to yourself....

Enjoy all that life has to offer you and remember...

You can do anything you set your mind to.

Enjoy all the moments of your life. Big and small

And remember that you are LOVED!!!!

Love Always,

Mom, Marty, Kellie and Molly
Congratulations Jill!

Our "Athlete Artist"
You gave it your all and created so many great memories! We're so proud!
Good Luck at Holy Cross!

Dear Katelynn,
Congratulations you've grown into a wonderful compassionate and honest young woman. You came into this world with the odds against you, but you never gave up. With your tenacity we have no doubt that you will succeed in whatever you set out to do. Stay strong in your faith and alway know that we are very proud of you and always will be.
Love and God Bless.

Mom, Dad, Sarah and Auntie

Christian . . .

You have come so far in twelve fleeting years, embracing life’s challenges, while planning your career. Along this journey came fear and doubt, as you learned what life was all about.

We watched you grow into a fine young man, one, who never said never, but rather "I can." Always a supporter of the weak not the strong, you principles and character carried you along.

You handshake and work is as good as gold, for you value friendships and family as everyone knows. You've reached out to strangers and raised money too, helping those who were less fortunate than you.

Not afraid to cry at the loss of someone you love, you stand tall for your family, with strength from above. A free spirit for sure, that we all know, you're not afraid to set out in this world on your own.

So today stand proud on the day of graduation, as you take the next step toward your career destination. Prouder parents we could not be, because as our son, you make it easy.

We love you,
Mom and Dad

You have set your compass, and are ready for the road ahead. Fortitude & courage will guide You.

The world is open to so many possibilities, and You are ready for the journey
Robbie,
Each dream in our heart lies within reach...
If we can just believe in ourselves...

Congratulations!
Love, Mom, Dad, Mike, Chris & Sabrina
Slippery Slope
Nearly 16 million Americans lost their jobs in the wake of the recession. The increased wave of layoffs put the national unemployment rate at 10.2%, the highest in over 25 years. Although the economy began to rebound from the worst recession in 70 years, employers continued to be wary.

The Statue of Liberty can have up to 15,000 visitors per day.

Clunkers Make Some Noise
For nearly a month in the summer of 2009 America was consumed by CARS (Car Allowance Rebate System), commonly known as Cash for Clunkers. The government program was designed to encourage drivers to trade-in old gas-guzzlers in favor of new, fuel-efficient vehicles. With an incentive of up to $4,500, the program was wildly successful and nearly 700,000 cars were traded in.

A Music Icon Remembered
Legendary performer Michael Jackson passed away suddenly at the age of 50. As news spread of his death, the internet suffered a significant slowdown as people worldwide conducted simultaneous searches. Jackson was also nominated for five American Music Awards in 2009, including Artist of the Year, after his music saw a tremendous surge in sales and airplay. As a final tribute, Sony Pictures released This Is It. The never-before-seen footage of Jackson rehearsing for his final 50 shows was a massive success, making millions.

Balloon Hoax
Millions watched as a large metallic balloon, said to be carrying a 6-year-old boy, soared through the air in Colorado. When it landed and "balloon boy" Falcon Hense was not inside, the world was relieved to learn he had been hiding in the attic the entire time. Three days later, after a telling interview, the whole spectacle was deemed a hoax in the parents' pursuit of fame and fortune. The parents pled guilty to criminal charges and received jail time.

Fort Hood Tragedy
On November 5, 2009, Fort Hood, America's largest military base, transformed from a place where soldiers prepare for war to an actual battlefield. Major Nidal Malik Hasan, a licensed military psychologist, opened fire in the processing center where a soldiers report before deployment. Twelve soldiers and one civilian lost their lives, while 30 others were injured, including Hasan. In the past, Hasan had been openly critical about the war on terror.

Nuclear Test
North Korea conducted a series of rocket and missile tests, including an underground nuclear bomb test in an attempt to lure the U.S. into talks to loosen sanctions. The international community was outraged, stating that the test was in clear violation of international law. In 2008, North Korea agreed to suspend its nuclear testing in exchange for economic stimulus, but the deal fell through after it removed inspectors from the country.

Catastrophic Quakes
The island nation of Haiti was struck by a devastating 7.0 magnitude earthquake so strong it could be felt nearly 200 miles away. The flattened capital city left millions seeking shelter and medical attention and Hawaiian government officials estimated over 111,000 people lost their lives. Humanitarian organizations such as the Red Cross set up aid and relief efforts while streamlining donations by allowing individuals to text message pledges. Within days, over $255 million in donations had been raised through the combined efforts of companies, charities and individuals.

All a Buzz
Kenya Shivashankar, a 13 year old from Kansas, won the Scripps National Spelling Bee. A four-time competitor and aspiring neurosurgeon, Kenya won the trophy and more than $40,000 in cash and prizes, with her correct spelling of "tularean" — meaning indolent or indifferent in religion or politics.

Oprah Moves On
Popular syndicated talk show host and business tycoon, Oprah Winfrey, announced she would end The Oprah Winfrey Show in late summer 2011. The news came as a shock to fans that have followed her to some of the most childbirths since the show's inception in 1986. Early speculation indicated she may start a new show on her own Oprah Winfrey Network in 2011. Her show currently draws about 7 million viewers a day.
Iranian Election Protests

Iran's presidential election drew international attention when disputes over the winner sparked two weeks of protests. Reformist activists claimed Mahmoud Ahmadinejad's landslide win was a fraudulent mishandling of the ballots. The protests resulted in 20 fatalities, numerous arrests and trials for nearly 100 demonstrators facing charges such as attacking government property, violence toward security forces and creating panic in public.

Toyota Troubles

Automobile giant Toyota, recalled eight of its models after learning of a problem with its acceleration mechanisms that caused some gas pedals to stick and vehicles to accelerate without warning. Though the company said the problem is "very rare and infrequent," it decided to recall about 4.2 million vehicles worldwide and brought U.S. sales and production to a halt. The company tried to remedy the situation and ease the nerves of uncertain drivers by sending new parts to dealers to fix the faulty pedals.

H1N1 Flu Outbreak

In the spring of 2009, H1N1 emerged with the first reported cases in Mexico. The virus reached the United States in April and officials worried the flu would spread rapidly, causing a global pandemic and fear that the unpredictable flu virus could mutate into a more dangerous strain. In the fall, President Obama declared a national emergency, enabling the government to provide more aid to the states. In the U.S. alone, millions of people were infected and thousands lost their lives.

When a vaccine became available in the fall, thousands flooded phone lines and clinics around the country, as the demand greatly outpaced the first supply.

Health Care Hurdles

In groundbreaking sessions of Congress, both the House and Senate passed bills for health care reform after months of debate. The next step was to merge the nearly $1 trillion proposed plans for a final vote. If passed, the bill would become the largest federal health care expansion in forty years since the introduction of Medicare and Medicaid. The goal of the bill is to bring extended insurance coverage to an additional 30 million Americans.

Surprise Prize

A surprise to many, the Norwegian Nobel Committee honored President Barack Obama with the 2009 Nobel Peace Prize, just eight months into his tenure. The committee explained it was Obama's "extraordinary efforts to strengthen international diplomacy and cooperation between peoples" that brought his name to the top of the nominees list. Upon learning the news, the president remarked that he was humbled by the decision.

Shifting Frontlines

President Obama announced the deployment of 30,000 additional American troops to Afghanistan starting in early 2010, bringing the total U.S. presence to about 100,000 troops. The intended strategy was to combat the growing momentum of the Taliban in the region and to provide training for Afghan security forces. Plans to begin withdrawing troops were set for 2011.

Dubai in the Sky

Marking a stunning architectural achievement, the Burj Khalifa in Dubai opened, becoming the tallest skyscraper in the world. The towering needle-shaped structure stretches nearly 2,700 feet into the air. The building has 160 stories which include apartments, office space and a hotel designed by Giorgio Armani. The eye-catching main attraction of a new shopping district, the Burj Khalifa reportedly cost $1.5 billion to build.

Found 18 Years Later

The discovery of Jaycee Dugard 18 years after her disappearance renewed hope for families of missing children. When Dugard was 11 years old, she was abducted by Phillip Garrido while walking to her school bus. Jaycee was held captive in Garrido's backyard. Both Garrido and his wife faced multiple charges, including kidnapping and false imprisonment. Jaycee has since reunited with her family.

MAD FOR IPAD
Apple unveiled its highly anticipated iPad this year to mixed reviews. Many Apple devotees were excited about the tablet with its nearly 10-inch touch screen and 3G connection, while others were skeptical about the name and date plan. As part of the iPad, Apple also released the iBook, an application that allows users to see books on a shelf, change facts, and touch the screen to turn pages.

Goodbye Good Morning America
In a tearful farewell, Diane Sawyer said "goodbye" to Good Morning America and "hello" to ABC's World News. After more than 10 years on the weekday morning show, Sawyer replaced the retiring Charles Gibson as the anchor of the nightly news program. Sawyer's replacement was George Stephanopoulos, former President Clinton staff member and moderator of This Week on ABC.

Fall of the Wall Remembered
Twenty years ago the Berlin Wall fell, marking the end of the Cold War and the division between East and West Germany. To celebrate the anniversary, thousands of German citizens celebrated as 1,000 towers, all 8 feet tall, were toppled to symbolize the destruction of the dividing wall. The celebration was overseen by current German Chancellor Angela Merkel and former Russian leader Mikhail Gorbachev, who many hold responsible for reuniting the former Soviet Union.

Linking Languages
Historically, URLs have been constructed with Latin-based characters like A, B, C, and D. Now, after approval by the International Corporation for Assigned Names and Numbers (ICANN), . Now, after approval by the International Corporation for Assigned Names and Numbers (ICANN), domain names will appear with other characters from Arabic and Chinese languages. The chairman of ICANN, Peter Denglas Thalh said, "The coming introduction of non-Latin characters represents the biggest technical change to the internet since it was created four decades ago."

NYC Flotow
Workers in Manhattan, New York were panicstricken as a Boeing 747 and an F-16 aircraft circled the Statue of Liberty, causing many to fear a repeat of the 9/11 attacks. It was later discovered that the planes were official government aircrafts conducting a photo shoot. The official who approved the fly-over later resigned.

Palin Resigns
Alaskan Governor and 2008 Republican Vice Presidential candidate Sarah Palin resigned from office, saying that Lieutenant Governor Sean Parnell would 'fight even harder' for Alaskans. Palin added that her decision was made to protect her family from further criticism and would also allow her to advocate for causes such as energy independence and national security. In January 2010, it was announced that Palin would join Fox News as a contributor.

Be Mine
Sweethearts®, the popular Valentine's Day treat, added a new phrase to its line of enduring candy love messages. Teaming up with the social-network, Twitter, the candy company started stamping "I love You" on its heart-shaped candies. Sweethearts also plans to introduce a new iPhone app that will allow users to send electronic versions of the candy with personalized messages to friends' "Twitter" pages.

Frightening Flight
On Christmas Day 2009, a Nigerian man attempted to blow up a flight carrying nearly 300 passengers from Amsterdam to Detroit, Michigan. Umar Farouk Abdullah Atchaid had a bomb sewn into his undergarments and tried unconvincingly to detonate the devices as the plane made its final descent. Strict preflight security precautions were put into effect and President Obama ordered a thorough review of safety regulations. Al Qaeda later claimed responsibility for the terrorist act.

Electronic Text Books
College students caught a break this year — with free text books. Flat World Knowledge averaged 40,000 students at over 450 colleges and universities to access their course materials online, for free, saving students nearly $2 million in the fall semester alone. With e-text options like print-on-demand and integrated audio and video, the company hopes to expand its offerings to other schools throughout the country.

On Shaky Ground
The South American country of Chile was the target of an 8.8-magnitude earthquake that destroyed many villages in its path. The next day the same south-central region of the country was struck again by a tsunami that created waves over 18 feet high. Approximately 500 people lost their lives and the destruction between the two natural disasters brought widespread shortages in food.
House Party Crashed

Virginia couple Tareq and Michalele Salahi, crashed the first state dinner held by the Obama's. Passing two security checkpoints, the couple mingled with Vice President Joe Biden and Chief of Staff Rahm Emanuel before exiting two hours later. The breach of security caused a full investigation by the Secret Service. Months later, speculation turned to White House social secretary Desiree Rogers who was criticized for not keeping a checklist of attendees as they entered the event. Rogers later resigned.

FDA Takes on Tobacco

The Family Smoking Prevention and Tobacco Control Act gave the FDA more power to control the tobacco industry. Under the new legislation, tobacco companies were no longer allowed to use words like "mild" or "low-tar" and were also prohibited from selling candy or fruit flavored cigarettes.

Google China

After a sophisticated cyber attack rooted in China, Google announced it would no longer censor search results on Google.cn, the Chinese version of the popular search engine. The Chinese government requires censorship of search results and websites to prevent security and state secrets from being jeopardized. China has the largest population of internet users in the world.

Late Night Shuffle

After 17 years, Tonight Show host Jay Leno passed the torch to fellow NBC late-night personality, Conan O'Brien—but not for long. The Tonight Show lost millions of viewers and Leno's new self-titled prime-time show was deemed a flop. Just seven months after giving O'Brien the Tonight Show, NBC reversed course, returning Leno to his former seat. As part of the deal, NBC agreed to pay Conan $33 million, with $12 million going to his staff in severance.

Air France

An Air France Airbus Flight AF 447 flying from Rio de Janeiro, Brazil to Paris, France crashed into the Atlantic Ocean. None of the 228 people on board survived. Despite initial reports, the plane hit the water vertically, instead of breaking apart in mid-air. The crash was the worst in Air France's 75-year history.

Dangers of Fast Food

For two years, John Mosley, a 50-year-old North Carolinian man, complained of severe coughing, pneumonia, and vomiting. When doctors used a tiny camera to investigate his lungs they were shocked to find the cause—a piece of plastic. The plastic was removed and traced back to a spoon from fast-food chain Wendy's. After doctors recognized the eatery's logo.

The Next American Idol Judge

After eight seasons, American Idol judge Paula Abdul left the show. Emmy award-winning talk show host and comedian Ellen DeGeneres filled the seat and began judging duties when the show returned for its ninth season. Shortly after the show's return another Idol judge, Simon Cowell announced his intended split at the end of the season. It was reported that Cowell planned to develop a new talent show series based on the popular U.K. series, The X Factor.

Pirates Hold Captain Captive

After five days of being held hostage on the dangerous seas off the coast of Somalia, Captain Richard Phillips was rescued from his pirate captors. In a tired moment, the pirates let down their guard long enough for U.S. Navy SEAL marksmen to take their shots, ending the lives of all three pirates. Days earlier, Phillips offered himself as a captive to the pirates in order to prevent them from seizing his vessel, the Maersk Alabama, ultimately protecting his fellow crewmen.
AERODYNOmIC SEEDS
"Helicopter seeds," the seeds from maple trees, have provided hours of fun for children but researchers were stumped as to what made the seeds hover. A team of Dutch and American scientists discovered the answer. When a maple seed swirls, a tambourine-like vortext lowers the air pressure around the seed, sucking the wings upward to oppose gravity—bees, bats, and hummingbirds employ the same technique.

IN HOT WATER
Ocean temperatures around the world measured 1 degree higher than normal between June and August, averaging 62.5°F, according to the National Oceanic and Atmospheric Administration. August saw the warmest temps on record since 1880, when record keeping began. Though climate change is linked as a factor, meteorologists say the warming is also due in part to a natural El Niño system. Ocean heat puts coral reefs in harm's way and also contributes to melting Arctic sea ice and hurricane strength.

A FARMER'S FRIEND
Even plants have joined in the text-messaging craze. Through SmartCrop™ infrared thermometers planted in soil, plants can "tell" farmers when they are hot or thirsty. Most crops have an ideal temperature for growth and these thermometers allow farmers to be notified by text message if a plant has risen above the ideal temp.

POO POWER PAYOFF
In response to rising energy costs, year after year, Shawn Sawyer turned to an unlikely renewable source to power his family's dairy farm. Using the manure from 600 cows, Sawyer used a process known as anaerobic digestion to generate energy. Sawyer explained that this method produces a savings of about $200,000 per year with the ability to sell left over energy back to the power company.

TINY T-REX
History's favourite Tyrannosaurus Rex may have had miniature ancestors. A newly discovered ancient creature known as "Raptorex" closely resembles its massive relative, at only a fraction of the size. Experts report it may have weighed only 150 pounds compared to T-Rex's 13,000 pounds. Raptorex would have existed 60 million years before T-Rex, and despite its size, would have towered on extremely powerful bits.

LET'S GO FLY A KITE
Scientists from the University of California and the Carnegie Institution have discovered a way to create sustainable energy—through kites. High-altitude winds contain vast amounts of energy. By releasing kites like wind turbines miles above the planet and tethering them to the ground, researchers believe they could create enough energy to supply electricity worldwide.

COOLING SUN
Scientists have discovered that the sun is at its dimmest in over 100 years. Typically, the sun undergoes 11-year cycles, culminating in the expulsion of solar flares and planet-sized debris. After 2008 the sun was expected to become increasingly hotter, but instead it was at a 50-year low for solar pressure and a 100-year low for solar activity. Although dimming of the sun has resulted in decreased temperatures in the past, the impact of global warming likely counteracts this phenomenon.

COLLOSAL SEA MONSTER
The fossilized skull of an ancient sea monster called a plesiosaur was discovered along the Jurassic Coast of England. The skull—dating back 150 million years—measured nearly eight feet. Scientists believe the creature's full size was up to 52 feet long, making it the biggest plesiosaur ever found. The dangerous sea predator could have eaten a T-Rex for breakfast!

GROWTH SPURT
The Brontosaurus pine is the world's longest-lived tree, sustaining ages up to 4,800 years. Recently, researchers found that these ancient trees are growing at a much faster rate than ever before, as evident by its widening rings. The growth is presumably due to the increase in temperature in their high-altitude climate over the past 50 years.

SOLAR ENERGY MAKEOVER
Developers have found two ways to make solar power panels more appealing to the average homeowner. First, underground panels use fiber optics cables to capture and distribute sun energy, instead of heavy panels. The second option is to incorporate shingle-like solar panels that have a thin copper film covering to absorb light energy into the roof. The Powerhouse™ Solar Shingle is expected to be less expensive and easier to install than full-size panels.

CARBON CAPTURE
Professor Klaus Lackner of Columbia University has created a "synthetic tree" able to capture destructive carbon dioxide 1,000 times better than real trees. When the wind blows through the leaves, carbon is trapped and converted to a liquid farm. One unit could remove up to a ton of carbon dioxide from the atmosphere a day—the equivalent of 20 cars.
Robots Can Swim!

Mechanical engineers Kamal YouCEF-Touni and Pablo Valdivia Y Album of MIT designed robotic fish that can swim and maneuver just like real fish. They hope to one day use the robots to help patrol bodies of water such as lakes and rivers, looking for pollutants and inspecting underwater structures.

Now That’s a Ring

NASA’s Spitzer Space Telescope discovered the largest ring around the planet Saturn. The never-before-seen ring is so colossal that NASA’s Jet Propulsion Laboratory estimates that it would take 1 billion Earth-sized planets to fill it. Composed of dust and ice particles, the ring’s temperature is approximately -316°F.

Super Natural Glue

The asparagus beetle attaches its eggs using what is said to be some of the strongest natural glue in the world. A study discovered that the almost invisible eggs require a pull-off force of “8,650 times higher than the egg weight.” It’s not unusual for an insect to produce egg glue and this research could lead to the discovery of other natural bonding agents.

H₂O on the Moon

For the first time, water was discovered on the moon's surface. NASA announced its significant find after reviewing data from an intentional satellite crash it conducted in search of water. The data also revealed there were more than just droplets but rather “a dozen, two-gallon buckets.” Experts said the discovery will open the door to other space exploration opportunities, including the potential for a sustainable lunar space station.

Glow-in-the-dark Puppies?

Scientists in South Korea cloned a genetically engineered litter of pigs, enabling them to glow red under ultraviolet light. The intention of the experiment was to prove that if fluorescent protein can be created through the modification of genetic code, there may be a way to fix genetic flaws in humans by similar innovations in genetic coding.

Autism Brain Discovery

To learn more about the causes of autism, researchers conducted a study of MRI brain scans of 50 toddlers. Preliminary findings showed that on average, an area in the brain called the amygdala is 13% larger in young children with autism. It is believed that these children are born with normal-sized brains but later in the first year the area begins to grow larger. Autism is a developmental condition affecting as many as 1 in 100 children.

Mighty Mice

In a scientific breakthrough, two labs in China bred the first induced pluripotent stem cell (iPS) mice, meaning they were the first of their kind developed from adult stem cells, instead of the more controversial embryonic cells. Scientists reprogrammed the cells back to an embryonic state where they could again develop into actual mice. This discovery is strong evidence that iPS cells have the potential to be used for treating disease.

What’s The Word?
Social networking giant Facebook grew to more than 750 million users in 2009 and was valued at about $15 billion. With that many users it’s no wonder the site has become a part of our daily language. This trend became even more evident when New Oxford American Dictionary and the American Dialect Society announced their "Word(s) of the Year". "Unfriend" was the first internet-inspired word to take the Oxford Title while the American Dialect Society announced "Tweet" as its top word for the year and "Google" as "Word of the Decade".

Twitter on the Mind
Millions share their thoughts, opinions and updates every day (or hour) using Twitter. But University of Wisconsin doctoral student Adam Wilson’s research revealed a new use — establishing a form of communication for those with extensive paralysis. Wearing an electrode-covered cap, Wilson focused his attention on flashing letters on a computer screen while his brain activity was monitored to figure out which letter he wanted. In the end he was able to tweet 23 characters with his mind.

Seeing Eyeborg
Canadian filmmaker Rob Spence has lived with permanent damage to his right eye since the age of 11. In his efforts to regain vision, Rob partnered with a camera provider in an attempt to replace his eye with a wireless, battery-powered video camera for what is being called the "Eyeborg" Project.

Cyborg Beetles
Ripped from the pages of science fiction comes the government-funded cyborg beetle. Development began on a project that has scientists implanting miniature electrodes into beetles to enable them to control the insects’ every move via remote control. Though still in testing, the high-tech critters could one day be used in military spies.

Darth Vader Arm
The Darth Vader robotic arm, the latest and greatest in Star Wars related toys and collectibles, is easy to assemble with 45 pieces that snap together. Though just a toy, this robotic limb has the power to grip, turn, extend and hold objects.

The Bladeless Fan
It’s been 127 years since the standard electric fan was introduced and people have been pretty satisfied. Now, the Dyson company, well known for its innovative vacuum cleaners, introduced the first bladeless fan. The Air Multiplier pulls air through its base, which is then pushed through a hidden vent into the circular head of the fan to create an uninterrupted breeze.

3-D TV
Riding a wave of popularity since the release of hit movies like Up and Monsters vs. Aliens, 3-D is coming to television. Manufacturers such as Sony, Panasonic, Mitsubishi, and JVC are all reported working on 3-D televisions. In the future, viewers will have the option of watching programs in 3-D, utilizing special glasses to see the third dimension.

Beatles Rock Again
The Beatles rocked the music industry, re-releasing their famed anthology and launching their first ever video game. Decades after their last album was recorded, all 12 of The Beatles’ studio albums were re-released in a new digitally remastered format. The Beatles Rock Band, an experiential video game, features 45 of their hits and offers players an option to retire music history by playing through the tracks chronologically.

Energy Saving Light
Philips Electronics introduced a new energy-efficient LED light bulb that uses just 10 watts (compared to 60 watts of the standard bulb) and generates the same amount of energy but lasts 25 times longer as its counterpart. The bulb may save as much electricity as is needed for 17.4 million households in a given year. Philips Electronics LED bulb was entered into the U.S. Department of Energy’s L Prize competition and if it takes the prize the company could be awarded $10 million in cash and federal contracts.

Disposal Timing Chips
After years of clunky timing devices and expensive lap chip fees, runners will benefit from disposable timing technology. Using radio frequency identification (RFID), race organizers can put an integrated tag on race bib numbers to accurately record time during competition. The cost effective design also allows runners to simply throw away the chip after racing.
SMART THERMOSTAT

EnergyHub™ Dashboard was introduced addressing both the environmental and recession-minded concerns of today. The device wirelessly tracks your appliances and informs you of how much energy you are using. It also tells you how much your usage costs so you can make adjustments, conserve energy and pocket the savings.

REALITY GAMING

Video games get a dose of reality by taking inspiration from the news. Game like Hero on the Hudson, Swinefighter and Trojan Dolar Bailout allowed users to be a part of the headline-making stories. The two-dimensional games, mostly developed for internet or cell phones, were simple, allowing creators to release them quickly after the actual events took place.

TWIST THIS WAY

Before iPods became the "it" way to listen to music on the go, there was the Sony Walkman. Once the leader in music technology, the audio cassette player and radio turned 30 this year. The grandfather of personal music devices allowed users to take their favorite tunes anywhere, ultimately paving the way for the Dmansen, the MP3 player and the iPad.

SMART PHONES GET SMARTER

The smartphone continued its rise in popularity as on-the-go technology advanced. From the popular Blackberry® series to the iPhone, smartphones offered everyone from business professionals and techies to senior citizens and even children hand-held access to the internet and continuous connectivity to the world. Additionally, 2009 was deemed "the year of the app" by many, with available applications surpassing 100,000 (and ever 1 billion downloads!) that can do just about anything imaginable—from efficient and practical to simple and fun.

TETRIS TURNS 25

With an undeniable place in video game history, the popular puzzle game Tetris turned 25. A series of new features for a new generation were announced, such as Tetris Acorn Drop, a concept taken from the movie Ice Age.

In its lifetime, Tetris has been purchased or downloaded more than 125 million times.

THE NEW FACE OF HOLLYWOOD

Legendary filmmaker James Cameron reshaped the movie industry by helping develop the advanced camera technology used in his blockbuster hit Avatar. Cameron helped pioneer a lightweight, two-lens camera that can shoot dynamic live action footage in 3-D and a head-rig camera that accurately records facial expressions. The result is a stunningly realistic, digitally created movie that captures even the most obscure details on an actor’s face. The computer generated characters, like those on Avatar’s fictional planet of Pandora, appear more realistic than ever before.

DIRTY WORK

A DustCart robot, reminiscent of Disney’s WALL-E, recently took to the streets of Italy. The robot, which will be tested in cities around the world, responds to residents who place their trash and recyclables on the curb and call for pick up. It fills up its belly with unwanted waste, much the same as the traditional dump truck. Though not as efficient as a fleet of trucks, the DustCart monitors air pollutants and is much quieter, running on lithium ion batteries.

E-BOOK IT!

The Amazon Kindle wireless e-book reader has been growing in popularity since its introduction nearly three years ago. During the holiday season, the mobile reading device boasted record performance, becoming the most gifted item in Amazon’s history selling more e-books than physical books for the first time ever. Proving a growing trend, Barnes and Noble, Inc. introduced its own electronic reader, nook™ which took the number two spot on TIME Magazine’s Top Gadgets of 2009.

**Pursuit of the Cup**
In a precursor to the World Cup next year, Brazil won the FIFA 2009 Confederations Cup held in South Africa. The Brazilians bounced back from a two-goal deficit late in the game to dramatically beat the U.S. It was the third tournament championship for Brazil and the 14th win of 15 games against the U.S.

**Buehrle Pitches Perfect**
Chicago White Sox pitcher Mark Buehrle tossed a gem of a game on July 23rd to become only the 18th player in history to pitch a perfect game. The feat came two seasons after he threw a no-hitter, which makes him just the 26th pitcher to throw multiple no-hitters in his career.

**Yankees Win 27th Title**
The New York Yankees defeated the defending champion Philadelphia Phillies in game six of the World Series. The win marks the 27th World Series title for the Yankees, the most titles in all of sports, and the first win in their $1.5 billion new stadium. Hideki Matsui was named series MVP with a record-setting six RBIs in game six, while Andy Pettitte became the pitcher with the most wins in the post-season, claiming his 18th victory.

**Champion Mom**
Kim Clijsters regained the world of tennis in grand fashion. After retiring from the sport in 2007 to start a family, Clijsters returned to win the US Open. By defeating Caroline Wozniacki in the finals, the Belgian tennis pro became the first unseeded woman ever to win the 2009 US Open; and the first mother to win a Grand Slam title since Evonne Goolagong Cawley at Wimbledon in 1980.

**Little League World Series**
In a surprising final game, California clinched the 5th straight Little League World Series title for the U.S. team, including Vice President Joe Biden, who cheered as the team fought their way back from a three-run deficit to defeat Taiwan 6-3. After the game, the team celebrated its win with cheers, inviting the Taiwan team to join them in their victory lap.

**Saints Go Marching**
For the first time in its 43-year franchise history and its first appearance at the big game, the New Orleans Saints won the Super Bowl beating out the Indianapolis Colts. With a stunning defensive performance and unstoppable offensive drive that dominated three quarters, the Saints claimed its 31-17 victory. Late, quarterback Drew Brees was honored as Most Valuable Player having led the record for most completions in a Super Bowl, finishing with 32 completions out of 39 passes for 288 yards.

**Golf Goes Global**
From its birth in the Scottish countryside to the manicured greens of Augusta National Golf Club in Georgia, golf traditionally has been played by Europeans and Americans. In 2009, two players proved that golf has gone global. Angel Cabrera won the Masters Tournament to become the first Argentinean to wear the prized green jacket. E.C. Yang defeated Tiger Woods, winning the PGA Championship and becoming the first Asian man to win a major title.

**Lakers Out Trick Magic**
The Los Angeles Lakers defeated the Orlando Magic in game five of the NBA Finals. Four-time NBA champion Kobe Bryant was the standout star of the series, leading his team to victory and claiming the title of Most Valuable Player.

**Welcome, WPS**
This year marked the inaugural season for the Women's Professional Soccer (WPS) league. The league consisted of seven teams scattered across the U.S. with two more teams set to join the league in the future. With a score of 1-0, the Sky Blue FC team from New York and New Jersey defeated the Los Angeles Sol to claim the first ever WPS Championship.

**2010 Winter Olympic Highlights**

Many historic and memorable moments were witnessed over the 17 days of the 2010 Winter Olympics, held in Vancouver, Canada.

- In a highly-anticipated showdown between the U.S. and Canadian hockey teams, the home team claimed the gold medal in overtime, becoming the first host nation in 30 years to win a men's gold medal in hockey.
- Reigning women's figure skating world champion, Kim Yoon of South Korea, delivered stunning performances that brought her gold and put her 23 points ahead of silver medalist Mao Asada of Japan. Taking the bronze was Canada's Joannie Rochette whose mother unexpectedly passed away just two days before the competition began.
- U.S. speed-skating star Apolo Ohno became the most decorated winter Olympian of all time with a career total of eight medals, winning three in Vancouver—two silver and one bronze.

**Penguins Win Stanley Cup**
The Pittsburgh Penguins triumphed over defending champions, the Detroit Red Wings, in a nail-biting game seven of the Stanley Cup. Thanks to Penguin team member Max Talbot's two goals in the second period, the Penguins became the first team since 1917 to win game seven on the opposing team's home ice.

**Winter X Games**
Snowboarding star Shaun White proved his resilience and talent at the annual Winter X Games in Aspen, Colorado. After taking a spill face-first on the halfpipe while practicing his newest and most dangerous stunt, White returned to take first in the Snowboard SuperPipe competition for the third straight year. White won’t be the only repeat winner—Ophelie David took home her fourth consecutive Women’s Skier X title.

**Fantastic Federer**
Roger Federer cemented his place in tennis history by breaking the record for most major title wins. By winning the French Open, the Swiss tennis star tied Pete Sampras’ historic record of 14 titles, while also completing his career Grand Slam. Federer went on to win Wimbledon for the sixth time, giving him his 15th major title. Sampras praised Federer by saying he was the greatest player ever.

**Mercury Rising**
The Phoenix Mercury defeated the Indiana Fever to win the WNBA championship. Fueled by star Diana Taurasi and Koppe Panterer, the Mercury prevailed in game five to take the title. Taurasi was honored with the series MVP award.

Twilight Shines Bright

Now in its 10th year, the Teen Choice Awards recognized achievements in music, television, movies, and more. Among the winners of the coveted surfboard trophies was Twilight, winning 11 out of 12 nominations, including Choice Movie Drama. The movie's stars, Robert Pattinson and Kristen Stewart, also picked up top acting awards. In television, Choice Crawford and Leighton Meester won Choice Acting praise for their roles in the Choice TV Drama Gossip Girl. Jason Mraz and Taylor Swift both received Choice Music Artist awards.

Michael Makes History

The American Music Awards were a night filled with emotion and history making. Adding four awards to his resume (accepted by brother Jermaine, pictured above), Michael Jackson became the most awarded artist in AMA history. Jackson won Favorite Male Artist in both the Pop-Rock and Soul-R&B genres, while his Number Ones album took home the top spot in both categories as well. Taylor Swift was also a big winner, taking home five awards in total, including the top honor, Artist of the Year.

MTV Movie Awards

Teens ruled the big screen this year at the MTV Movie Awards. Kristen Stewart won Best Female Performance for her role in Twilight, while Taylor Lautner won Best Male Performance for his musical performance in High School Musical 2. The hit vampire love story Twilight won top honors as Best Movie.

Oscar's Big Night

Hollywood's biggest night belonged to a lesser-known movie titled The Hurt Locker, which picked up six awards in all, including top nods for Best Director, Kathryn Bigelow and Best Picture. Bigelow was also the first woman to win the Best Directing award. In the acting categories, Sandra Bullock was honored as Best Actress for her role in The Blind Side and Jeff Bridges was named Best Actor for his part in Crazy Heart.

EMMY Awards

Despite repeated wins, the 61st Emmy Awards still had some surprises. 30 Rock took home the statue for Outstanding Comedy Series for the third straight year, while Mad Men repeated as winner of Outstanding Drama Series. The Amazing Race won for Best Reality Competition for the seventh consecutive year. Unexpected winners included Kristen Chenoweth for Outstanding Supporting Actress in a Comedy Series for the canceled Pushing Daisies and Jon Cryer won Outstanding Supporting Actor in a Comedy Series for Two and a Half Men.

Beyoncé's Grammy Record

There’s no doubt the night belonged to Beyoncé, who was nominated in 10 categories and won a female artist record of six trophies including Song Of The Year, Best Female Pop Vocal Performance, Best Female R&B Vocal Performance, Best Traditional R&B Vocal Performance, Best R&B Album, and Best R&B Performance. Taylor Swift was a close second with four wins, including Best Female Country Vocal Performance, Best Country Song, Best Country Album and Album of the Year for Fearless. Among the nights most memorable moments was the appearance of Michael Jackson's kids, who accepted the Lifetime Achievement award on their father's behalf.

Harry's Midnight Millions

After two years, fans eagerly awaited the much-anticipated release of the Harry Potter series, which proved even more magical than the rest. The midnight showings of Harry Potter and the Half-Blood Prince ranked in 572.2 million at the box office, besting the previous record of 16.5 million held by The Dark Knight.

Swift steals the show

The night belonged to Taylor Swift, VP, as she won all four Country Music Awards for which she was nominated. The singer won Album of the Year for Fearless, Video of the Year and Female Vocalist of the Year, beating out favorite Carrie Underwood. In her most impressive victory, Swift took home the trophy for Entertainer of the Year, making her the first female to win since 1999. Other winners included Darius Rucker for Male Vocalist of the Year and Lady Antebellum for Vocal Group of the Year.

Harry's opening day international box-office total reached $104 million.

**Cupcake for the Cure**
The world's largest cupcake record was crushed eight times over by a mammoth 1,224-pound triple vanilla cupcake containing an estimated 2 million calories. The pastry took over 12 hours to bake and included 880 eggs and 200 pounds each of sugar and flour. The cupcake was slated to raise money for the Susan G. Komen for the Cure breast cancer organization.

**ZippityDooDah ZippityAay**

Japanese author Aki Suzuki, famous for horror stories like the one that inspired Hollywood movie, The Ring, created a story to be printed on rolls of toilet paper. The nine-chapter story is set in a public restroom and can be read in just a few minutes. At approximately three feet long, each roll contains several copies, each can be read in one sitting.

**Skinny Scare**
Despite being a popular fashion trend for years, skinny jeans could be causing nerve damage. Doctors reported seeing an increase of young women complaining of tingling or numbness in the upper legs, supposedly caused by the trendy pants. Diagnosed as a form of nerve damage, meralgia paresthetica is usually not permanent and the effects can be reversed by trading in the tight fitting jeans for a looser alternative.

**Boy Hit by Meteorite**
A 14 year old from Germany lived to tell his story after being struck by a meteorite traveling 30,000 mph. Explained as a massive fireball, the meteorite struck the boy's hand and hit the ground. Though not seriously injured, the impact sent the child flying and left a three-inch scar on the boy's hand and a foot-long crater in the ground.

**Snuggie Chic**
Perceived as the most anticipated show of New York’s exclusive Fashion Week but probably the most unique was for the Snuggle™. Shown to only 20 people in a hotel room, the popular blanket with arms unveiled its new collection in basic colors, as well as bold new animal prints, and a Snuggie for dogs.

**Achieve the Impossible**

Willy Chen, 17, accomplished what all college-bound teens consider impossible—scoring the PSAT, SAT, and ACT college admissions tests. According to Chen, who is a senior, she did not study much for the tests but enjoys learning and plans to attend Princeton University after high school.
**Cat Earns Diploma**

Oreo has always been a smart cat but did she really earn a diploma? Better Business Bureau Georgia president and CEO, Kelvin Collins, enrolled his cat Oreo into Jefferson High School Online as part of an investigation into online diploma mills. After a test and $200 fee, Oreo was the proud recipient of her high school diploma, though Collins admits he may have helped her answer the questions.

**It's a Bird, it's a Plane**

Japanese engineer Tokuo Toda captured the Guinness World Record for longest flight by a paper airplane. The plane, measuring 10 cm long and crafted from a regular sheet of folded paper stayed in the air for an astonishing 27.9 seconds. Toda now has his eyes on an even greater prize — launching a paper airplane from space!

**Cover Your Ears!**

Competition reached a fever pitch at Thailand's Ripley's Believe It or Not Museum where contestants from around the world competed for the title of loudest scream. The winner, Russian Sergey Sovelov rang in at 116.8 decibels, just falling short of the Guinness World Record. Though he says he was "only getting warmed up," his winning shriek was rough as an ambulance siren.

**Looking Good!**

No ordinary doll, Barbie has held over 108 jobs including three runs at the presidency. This year the iconic children's toy celebrated her 50th birthday — and looks better than ever! Since her introduction in 1959, over one billion Barbie dolls have been sold worldwide with no signs of stopping — 100 million dolls were sold in the past year alone.

**Little Fashionista**

While most 13 year olds are consumed by algebra, Tavi Gevinson had a different focus — high fashion. The teenager from the suburbs of Chicago shot to fame when her blog, Style Rookie, was discovered by two big name designers. Soon she was seated in the exclusive front row at several New York Fashion Week shows, impressing the industry with her poise and sharp eye.
