Mrs. Norman

Mrs. Norman has spent the last fifteen years teaching in the science department at B-R. With Biology freshman year, Anatomy and Physiology junior year, and AP Biology senior year, she has had many students for two, if not three years. What many students remember about her classes are the analogies she creates to help us understand things ranging from the structure of cell walls, to the invasion of a retrovirus in an organism and the creation of a protein from the nucleotides of DNA. Mrs. Norman is committed to helping the students of B-R succeed, both inside and outside of the classroom. She challenges her students, pushing them to their intellectual limits, yet is understanding when circumstances do not permit their best performance. Her goal is to have students truly understand what they are learning, not just memorize it. She wants students to be able to take what they have learned in school and be able to use their knowledge in real-life applications. She is devoted to showing these “real-life” uses, always on the lookout for the newest innovation in the fields of biology and medicine and sharing articles about them in the classroom. It gives students the opportunity to see the modern-day value of the material they are learning.

Mrs. Norman’s commitment to her students is not limited to the classroom, however. She has spent many years involved in other activities at the school, as a Class Adviser, leading Student Council, helping with graduation, and for the first time this year, running National Honor Society. She has spent countless invaluable hours committing herself to ensuring the success of these organizations, planning events like field trips and blood drives.

But many students nominated Mrs. Norman for the yearbook dedication this year for a different reason: the personal investment she has with her students. She truly wants to guarantee their success in and out of high school this year. She wrote over fifty students personal recommendations for college. While managing plans for classes, grading papers, and organizing events for NHS, she still manages to make a personal connection with each of her students, asking about their siblings, sports standings, college acceptances, etc. Mrs. Norman describes her passion for teaching with the following: “For me, teaching is a daily opportunity to work with diverse young minds and personalities, and hopefully learn a little Biology along the way. I have found that the subject matter is not really what is important, or what the students will remember... It’s the interactions, the analogies, and the personal stories that we share with one another that will bring back memories. Teachers are supposed to inspire. I love what I do because I learn something new every day and it has often been my students who have inspired me!” The Class of 2011 is honored to dedicate our yearbook to Mrs. Norman.

and a special thanks to...

The senior class advisers have worked extremely hard to make our four years here at B-R fulfilling. Their dedication to the class of 2011 has made every class event fun and successful. We’ve been very lucky to have their support and guidance over the years. Thank you Ms. Arrighi & Ms. Hardy!

To the class of 2011:

You have achieved an important milestone in life. Graduation is a time to reflect on the past four years of a challenging yet rewarding high school experience. It is also a time to look forward to a promising future.

Bridgewater-Raynham Regional High School has provided you with the necessary knowledge and skills upon which to build your future. Knowledge is not enough to be successful; it is how you use that knowledge that counts. Use your wisdom to do the right things, to act on principle and with compassion for others.

Go forth with the confidence of your teachers, families, and yourselves into a world that holds limitless possibilities. On behalf of the Bridgewater-Raynham Regional High School Committee, I wish you all the best in your future endeavors. Make us proud!

Congratulations to the Class of 2011!

Jacqueline B. Forbes
Superintendent of Schools
We would like to thank Chris Butler, Nick Fernald and Rebecca Larson for their hard work and dedication to the yearbook. The time they spent photographing, building pages, organizing, editing and chasing down countless students, teachers, and coaches was immense. These students were very much committed to creating a yearbook that represented the senior class of 2011. We are hoping this book captures lifelong memories for years to come.

To the class of 2011:

I wish you the best of luck! Four short years ago, we embarked on this journey together and I feel that in that short amount of time we have learned and grown a great deal from one another. You never ceased to amaze me with your hard work and ability to rise to the occasion in all that you have done. The core of your experience at B-R is one you should all be proud of. Through all the ups and downs over the course of your high school years, you passed the tests put before you and met the expectations set for you not only by your school, but by your families. You have established high standards for your peers to follow and you have always represented B-R in the most positive light.

Although this chapter of your life is closing, another one is beginning...the beginning of your life as young adults with increased responsibilities and expectations. Remember to always have the courage to seek the truth, to speak the truth, and to stand up for the underdog - even if yours is the lone voice doing so. Have the courage to trust your own moral compass - your innate understanding of right and wrong. And have the courage to accept that you are not perfect, nothing is, and no one is - and that is ok.

In closing, I want you to remember one thing...be proud of what it took to get to this special day. Remember the hard work you put forth to get to this moment and realize that it is just the beginning of a wonderful journey. Congratulations and good luck to you!

Sincerely,

Angela Watson
Over the last ten years, Mrs. Geraldine Benedict inspired her students and guided the English department. After an illustrious career as an educator and Department Head at Boston College High School, BR was fortunate when Mrs. Benedict agreed to come to BR. Her students know her as a supportive teacher, always generous with her time. She loves literature, from *Moby Dick* to *Three Cups of Tea*, and wishes to instill that love in all of her students. Her devotion and dedication to the English Language Learners program at BR is tireless. As Department Chairperson, she has guided the English department through a tumultuous decade of change. With every decision she has always done what is best for all students at BR. Her dedication to teaching, her care for each student, and her love of literature has left BR a better place. We will miss her in the classrooms, offices, and hallways of BR. We wish her a happy, healthy retirement full of wonderful books.

Mrs. Donovan has been a Foreign Language teacher in the Bridgewater-Raynham school district since 1995. Anyone who has ever had the pleasure of being in one of her classes would agree that Madame truly loves all that is French. After spending anywhere from one school year to 4 school years in her class, her students know that her love for French language and culture is exceeded only by her desire to see all students of all abilities succeed in learning another language. As the only French teacher here at the Regional for the last several years, Mrs. Donovan teaches all levels of all 4 years of French and is able to juggle it all while maintaining an amazing rapport with her students year after year. As if that was not in and of itself a rigorous and impressive charge, she is also highly qualified to teach Spanish and has been asked to do just that on many occasions. When asked to teach both, she has approached the challenge with the same professional, conscientious attitude that her French students enjoy. We will truly miss Madame Jean Donovan.

For 27 years Mrs. Jennifer Doyle has dedicated herself to the students and faculty of the BR Schools. Her teaching career began with Grade 2 at the Hunt School in Bridgewater. Her ability to change lives by sharing the excitement of learning with students and colleagues alike became her trademark. Mrs. Doyle saw the potential of technology in the classroom long before it became fashionable. She understood that the Internet and computers were tools that could enhance and enrich learning. Mrs. Doyle did just that as she was a pioneer in the field of Education Technology. This spirit led her to Lesley College and a Masters in Instructional Technology Specialist. Not only did she help create the technology integration for the students in the district but she also taught workshops for staff development. Implementing technology in the classroom as well as staff development became Mrs. Doyle's special talent. She chose technology and her can-do attitude led to many changes in the technology department. Besides teaching in a computer lab, Mrs. Doyle could fix a printer, reset a network, and help the administration with first day of school Powerpoint presentations. She did it all and did it behind the scenes, out of the limelight. We thank her warmly for her kind and lasting legacy.

Mary Ellen Sargent has been a teacher for 30 years. She started as a proctor at BR and has been a Biology teacher in the science department for 11 years. Mary Ellen truly enjoys her profession. She loves to see students learn and our students always know they can depend on Mrs. Sargent for a sympathetic ear. Mary Ellen is a regular at the BR Hockey and football games. She is often seen at many BR events. She is proud of the BR students and is always ready to cheer them on. Mary Ellen and her husband Ted also helped the TJ2 Robotics Team. Mary Ellen was a team coach for several years. The Sargent's opened their home to members of the TJ2 computer team, so that the team could use her computer. She first started as a parent of the team's first robot driver, her son Ted. Mary Ellen loves Science and new discoveries. She is always willing to try new things to make her class more interesting and fun for her students. We will miss Mrs. Sargent and all that she has contributed to our school. Good luck and Happy Retirement, Mrs. Sargent. You deserve it!
The guidance department of the Bridgewater-Raynham High School is definitely one of the best around. From leading us in the right direction freshmen year to promoting our participation in school activities and scholarship opportunities throughout our high school careers, they have gone above and beyond to help us succeed. As seniors, we can look back and see how grateful we should be to have these great guidance counselors, who have led us through our high school years and aided us in finding a college or career to pursue after high school that is truly right for each and every one of us. There is no way that we can thank our counselors enough for what they have done throughout our high school career, but we will certainly remember them as we go through college and pursue careers in our lives.

Every Tuesday around lunch time, the school is aching with hunger pains for Café 129's delicious lunch entrées. Each Tuesday, we get the privilege to be served by these students who are practicing skills such as serving, cooking, and making change. It is always the best service, and always the hottest spot to each lunch at B-R.

The Civics Team worked to teach the students of B-R the importance of "civic duty," which included the right to vote. The Mock Trial Team gathered evidence for both the defense and prosecution in a case about a scavenger hunt gone wrong. The World Affairs Club made plans to collect items for our troops.

Civics, Mock Trial, & World Affairs

The Foreign Language Club took a closer look at a variety of cultures from countries around the world. Throughout the year, we celebrated many holidays, including El Dia de Los Muertos (Day of the Dead) and the Chinese New Year. In addition, during each meeting a current cultural event through "Culture Corner."

Foreign Language
The Gay-Straight Alliance worked to promote awareness for LGBT (Lesbian, Gay, Bisexual, and Transgender) issues and helped to create a safer school environment for all students. The GSA sponsored many events throughout the year, including the Day of Silence and the Purple Day, both exemplifying support for LGBT.

Everyone arrived to the Prom looking like royalty. Whether we were dancing, eating, or getting our pictures taken we were having the times of our lives. Even though the lights went out, we improvised by having our classmates drag each other across the dance floor. At the end of the night, Ali Rogers and Billy Zolga were crowned Prom King and Queen. It truly was a night to remember.
junior prom
The first ever senior fun day was filled with dunk tanks, pie eating contests, and musical chairs. The senior class took turns dunking Mr. Peabody and Mr. Ferris. Ryan Blake claimed a victory during the pie eating contest, having competed against Mickey Echiveria. During musical chairs, many students competed. Winners included Mike Devin and Ben Donovan.
The annual semi-formal started off like any other semi-formal BR has held in the past. The only difference being the ticket sales had an unlimited amount of guests, totaling at about 800 people. We fast danced, we slow danced, we guzzled water in the cafeteria. At the end of the night Kim Gabriele and Madison DaSilva were crowned Mr. and Ms. Regional.
spirit week
The week leading up to pep rally was filled with school spirit as people dressed up for Twin Day, Ancient Greek Day, Harry Potter Day, When I Grow Up Day, Jersey Shore Day, and Class Color Day. The participation was impressive as people got creative with their costumes!
The entire school crowded into the gymnasium to the sound of the band. After the annual dance between the football players and cheerleaders, the classes completed in a series of games played that showcased school spirit. Pep rally came to a close to the revelation of senior class superlatives and left everyone with memories that they would remember.

The 2010 B-R football team had an amazing season. The team made it all the way to the Superbowl at Gillette Stadium for the second year in a row. Despite the frigid weather conditions, the team managed to play a great game and the fans remained steadfast in their support. Although the team suffered a loss, the experience was one to be remembered. Go B-R Trojans!
For the first time ever, Rachel’s Challenge, a program meant to inspire and empower students, came to B-R. We could feel the power of Rachel Scott’s message of kindness and compassion, which has ignited a “chain reaction” at B-R. Thank you Ali Rogers!
On December 16, 2010, the National Honor Society sponsored the first ever winter blood drive at B-R. The school community came together to help out with a truly amazing cause. Through a joint effort, the students and faculty were able to run a successful blood drive with nearly one hundred donors. A single pint of blood can save up to three lives. Thanks to the donors, we saved nearly three hundred lives! We donated 63 units of blood, 59 of those donors were first-time donors! Great job B-R!
The Bridgewater-Raynham Student Council organized the first ever talent show, hosted by Billy Buckley and Stephanie Sylvester. The acts ranged from students singing Taylor Swift to a dance routine with the "blue da ba dee" song. Rachel Bergeron, Jess Ferrigno, Reilly Lindsey, and Derek Luthi took home the trophy with their hilarious skit called "What's Cooking Good Looking?" The talent show would not have been possible without the help of Stuco President Liz Baird and Stuco Advisors Ms. Desisto and Ms. Eddy. A special thanks to Mr. Hoy for lighting and stage direction. Thank you to everyone who came and supported their peers!

This year's Mr. B-R competition consisted of seventeen guys demonstrating their swimsuits, talents, dance moves, and formal wear for the judges to vote upon. The guys were escorted by a record forty-one girls, who, in addition to bringing the guys on stage, danced to "Waka Waka." In the end, Mike Devin took the title of Mr. B-R. Matt Collins was Runner-up, Sean McCall had Best Swimsuit, and Garrett Kelly won Best Talent.

1992 sports champions

Superbowl XXVI
The Washington Redskins defeated the Buffalo Bills with a score of 37-24. The Redskins became the first team to win three Superbowls with three different quarterbacks.

World Series
The Toronto Blue Jays win the World Series, defeating the Atlanta Braves after winning 4-2. They are the only team outside of the U.S. to have participated in and won the World Series.

Stanley Cup
The Pittsburgh Penguins shutout the Chicago Blackhawks in the 1992 NHL series, winning the first four games. This was their second consecutive Stanley Cup win.

NBA Finals
The Chicago Bulls were the winners of the seven game finals, taking the victory over the Portland Trail Blazers with 4 wins and 2 losses in the finals.
**1993 sports champions**

**Superbowl XXVII**

The Dallas Cowboys won the Superbowl against the Buffalo Bills with a score of 52-17. The Bills became the first team to lose 3 consecutive Superbowls.

**World Series**

The Toronto Blue Jays beat the Philadelphia Phillies 4-2 in the series. This was the second win for the Blue Jays and the only World Series to conclude outside the U.S. to date.

**NBA Finals**

The Chicago Bulls took on the Phoenix Suns and won 4 games to 2. This was the Bulls second consecutive championship victory, and they would go on to win the next year.

**Stanley Cup**

The Montreal Canadiens beat the Los Angeles Kings 4-1 in the series. This was the 24th Stanley Cup win for Montreal and their 34th appearance in the finals.

Sean McCall

Sean, every morning since your first day of school, our last words to you as you leave the house are “be the best you can be.” You were listening! We are so proud of the student, athlete, friend, and man, you have become. We know as you start this new chapter in your life, you will continue to make us proud and to "be the best you can be."

Michael LaRosa

Congratulations Michael!

We are proud of you!

Love,
Mom & Dad
Dear Sarah,
Wow how the years have flown! We knew the day you were born you were a gift from God. You brought a spark of joy into our life that will always be there. We are so proud of the woman you have become. Your strong will and focus will bring you all the places you have dream about. You are quiet; yet funny but it is your strong morals, compassionate heart the world will never change. Those qualities will allow you to live a faithful life. We know that you will stay steadfast in your beliefs because you are wise beyond your years, which is a gift you will never loose. Congratulation on your academic accomplishments, we are all very proud of you and always will be.

Love and God Bless
Mom, Dad, Katelynn and Auntie

Lee Ann FitzGerald

Dear Lee Ann,

On or off the field, you always gave it your best!

We love you!
Mom, Dad, Trevor
Congratulations to our little Shannen!

You have made us so proud with everything you have accomplished. Your hard work and determination have paid off, and you have grown into a beautiful young woman. We can't wait to see where your life takes you next. You will always be our little girl with the blonde curly hair and glasses.

We love you!
Mom and Dad

Rachel Winsor

Rachel,

"May the good Lord be with you
Down every road that you roam
And may sunshine and happiness
Surround you when you're far from home
And may you grow up to be proud, dignified and true
And do unto others as you'd have done to you.
And when you finally fly away,
I'll be hoping that I served you well
For all the wisdom of a lifetime
No one could ever tell.
But whatever road you choose
I'm right behind you, win or lose,
Forever Young."

Love,
Your Mom,
Nat
