The Class of 1980 presents

Unitas

"Thresholds"
THRESHOLDS

Over the thresholds we will travel
Succeeding the trying days of future dreams.
Each day will be a new experience
And each mistake a lesson in life.

Over the thresholds we will travel
Striving to make the future worth living,
Meeting responsibility anxiously,
And fulfilling our own wants and needs.

As we cross the threshold
We will be headstrong, attempt, succeed, and fail.
We will keep our heads high when defeated
And give the world the best we have.

As we cross the threshold
We will look back on four years
Brushing away tears for the past
As we leave our stepping stones and leap to solid dreams.
DEDICATION

There is no one else quite like you,
And I've traveled far and wide;
It seems so many others
Their goodness try to hide.

So in appreciation
I am saying this today . . .
May all of life's rich blessings
Be with you everyday.

V. Kimble

We, the class of 1980, dedicate this edition of Unitas to Mr. John Phaneuf. For the past four years Mr. Phaneuf's artistic ability, generosity, and warmth have been inspirational to us all. We would like to thank Mr. Phaneuf for all that he has done for our class.
The world is a looking glass,
And gives back to every man
The reflection of his own face.
Frown at it and it in turn
Will look sourly upon you,
Laugh at it and with it,
And it is a jolly, kind companion.
Yesterday's dreams have all passed away. And now we must put our faith in today. Tomorrow will dawn all shiny and new. And maybe, just maybe, our dreams will come true.
I shall pass through this world but once
Any good therefore that I can do, let me
Do it now, for I shall not pass this way Again.
We can never know about the days to come
But we can think of them anyway

Memory is the diary we all carry with us.
We're free to go where we wish and to be what we are.

Dear Graduates:

Congratulations to each of you! The members of the graduating class of 1980 have contributed to the tradition of quality that Bridgewater-Raynham represents. Many of you have distinguished yourselves artistically, academically, athletically and as persons of high principle and integrity. The high school diploma you have earned symbolizes those achievements.

May the lessons you have encountered at B-R be helpful and serve as a foundation to even better and greater learning experiences in the years ahead. Many of you by now have come to realize that what you take from your educational experience relates directly to what you personally have put into that same experience. We have appreciated your contributions to our school over the past four years and are encouraged because we are confident that you will continue to contribute your talents in improving our society in the future.

We welcome you now as alumni of the Bridgewater-Raynham Regional High School.

Good luck!

The following students are its members: Daniel Buron, chairman; Cindy Amaral, vice-chairman; Lorraine Forrest, secretary; Joel Weinrebe and David Doran.

The B-R Student Council is an organization whose role has been altered since the inception of the Student Advisory Board. Now its primary function is to enhance school spirit through activities in which most of the student body may participate. Highlighting these events are the class penny competition, held during the Winter Carnival and the Red Cross Blood Drive, which provides an important service to the community. The group, advised by Mr. Pelczarski, has for leaders Stephen D’Andrea, President; Mark Ouimet, Vice President; Jack Picciuto, Treasurer; and Kim Dolan, Secretary.

Proctors

The Cosmetology program has decreased in numbers. Its participants are provided with a great insight into the rewards and problems of hairdressing. It is a two-year program, whereby the members complete 1000 hours of study. After passing the state examination, one may become a licensed cosmetologist. This program is affiliated with LaBarron Academy in Brockton.

World Affairs

The World Affairs Club, under the guidance of advisor Mr. Gendreau, has been very active throughout the school year. In October the club went on the always popular mountain climbing trip to Mount Washington in New Hampshire. In the middle of November the club held a Model United Nations here at the school. Each member of the club represented a country presently in the United Nations. While acting as their country would in the United Nations, they discussed current world problems such as Human Rights, the world population problem, the Palestine Liberation Organization and the situation, as it stood in Iran. At all times the members tried to come up with solutions that would solve these situations. For four days in December, eight of the clubs members attended a M.U.N held at Harvard University in Boston. In February, two members, Cheryl Oldfield and George Craddock attended the Presidential Classroom held in Washington D.C. Nine other members attended the Georgetown M.U.N held also during February in Washington D.C. This year’s winners of the Voice of Democracy Contest were: First Place — Jonathan Rubin, Second Place — Cheryl Oldfield, Third Place — Kathy Hay.

Regional Sound

The B-R newspaper has taken on a new look. Besides a new name "Regional Sound," the paper also acquired a new style and set up. Editor Charles Rocha and his staff succeeded in continuing fine newspaper writing and editing started by the original "Regional Sound" staff of 1978.

Future Teachers of America

The F.T.A. under the advisorship of Mr. Capen held a number of important events this year. They provided guides for parents on Teacher Conference nights. They operated a booth at the winter Carnival and the money made went toward the F.T.A. Scholarship which is presented at graduation. In order to expose the students to areas they might encounter while teaching, they went on field trips to the School of the Blind and the School of the Deaf.

This year's drama club has been very active. The highlight of the year has been the performance of "Arsenic and Old Lace" in January. For this production they rehearsed for two months every afternoon and sometimes at night. Over the Christmas vacation the club built the sets that were used for the play. The club performed in a drama competition in the spring.
Language

French and Spanish Club

Led by officers Paul LaPorte, President; Brian Denton, Vice-President; George Craddock, Treasurer; and Vincent Gori, Secretary, the French and Spanish Club has had a very successful year. In the fall, the club held an international dessert festival in which club members prepared the tasty items. Due to a successful fund-raising event, club members were able to spend four days touring Niagara Falls and Toronto. The club’s year ended with a “fiesta”.

During the academic year, the Science Club has endeavored to familiarize itself with current trends in the physical, chemical and biological worlds. Topics of Fossil Fuel Development, CPR, and transplantation techniques were discussed. Mr. Scarano would like to thank all who participated in this organization.
Music

Marching Band

The B-R Marching Band, under the direction of Mr. Krick and Mr. Peterson, supplied entertainment, cheering, and a great amount of pep at this year's football games. The band practiced every day during and after school and on Saturday morning. Showing their versatility, dedication, and hard work, the band was constantly changing their shows — bringing the audience something a little different each week. Leading the band on the field were Drum Major Martha Kilbridge and Student Conductors Kathy Williams and Greg Michaud.
Stage Band

Majorettes

Under the leadership of co-captains Susan Dors and Joan Nassif, the B-R majorettes put on many fine performances. Besides their exciting twirling skills, the girls performed their famous fire routine. Leaving senior Susan Dors wishes next year's majorettes the best of luck.

First Row: J. Nassif, co-capt., S. Dors, co-capt.
Trojanettes

The color guard, Trojanettes, and flag squad practiced all season to provide entertainment along with the band for the half-time shows at the football games. The squads also participated in parades and band jamborees. These three squads proved to be great assets to the band performances.

Trojans qualify for State Tournament, again . . .

The Trojan baseball team turned out a surprising season with a league record of 12 wins, 4 losses, and 1 tie and with an overall record of 16 wins, 5 losses, and 1 tie. The boys took 2nd place in the Old Colony League and qualified to enter the Eastern Massachusetts State Tournament. They were beaten in the finals by Somerset with a score of 1-0. With Captains Bob Fernandes, Mark Capozzi, and Dave Blakeley, and with returning seniors Mike Torres, John Wood, Lane Steek, Bob March, John Bent, Bob Colford, and Jim Waterman, the Trojans hope to make it to the state tournament for the 11th straight year.
Trojan girls swing their way to a 9-7 record.

Co-Captain Debbie Rebeiro and Patt Conn led the girls softball team to a 9-7 season. Five of the nine starters were chosen for the league's All-Star team. They were Jennifer Colford, Patt Conn, Jacqui Rigo, Chris Souza, and Lynne Thrasher. Although the team lost seven senior starters, Coach Farrington is looking forward to a fresh start with the help of some talented underclassmen.
Boys tennis takes to the courts

Around mid-March they appeared on the tennis courts. There had been three or four earlier in the month but now everyone was there, all thirty plus who were to make up the 1979 boys tennis team. Under coaches Fisher and Jackson the team worked hard all spring. The 1980 team with many returning seniors looks forward to a successful season.

Girls tennis goes 8-7

The 1979 Girls' Tennis Team ended the season with a successful record. With 8 wins and 7 losses, the team finished fifth in the Old Colony League. This year there will be eight returning letter winners including the team captains Chris Degenhardt and Wendy Thornton. Under the leadership of Coach M. Nawlicki, the girls' team hopes to improve its record and move up in the league.
Boys go off track

The 1979 Boys' Track season was one of individual rather than team accomplishments. Seniors Dan Buron, John Murray and Pat Dowd placed especially high in their respective events. Although the team lacked the depth needed to put together an impressive record, several runners qualified for State Competition. One special occasion was hosting the All-League Team Meet. The boys are looking to new talent in the 1980 season.

Girls shine in State Meets . . .

The 1979 Girls Track Team under the supervision of Coach Luanne Gilbert and Assistant Philip Capen had several outstanding moments. From snowstorms to heat waves the girls survived the traumas of track. The newly established June Cult brought spirit to those dreaded 440’s. Special notice was given to seniors Diana Gonsalves for breaking the hurdle record, Catherine Legan for breaking the 100-sprint record and Donna Kubiak for scoring the highest amount of points. Many of the girls also competed in State Meets at Falmouth, Norwell, and North Andover. The team is now looking forward to another challenging season and hoping for new talent.

Junior Prom

On May 18, 1979 the class of 1980 held their Junior Prom with the theme "Always and Forever." The musical entertainment was provided by Carousel. Taking the traditional Grand March over the bridge, Maria Sotera was chosen Prom Queen and Leslie Court, Celeste Plasse, Joanne Dyke and Wendy Thornton, her court. Thanks to the hard work of the officers and fellow classmates, all will remember that rainy yet very exciting Friday evening.

The small times count

Touches not tradition
Will fill your memory
In the morning or the end.

The National Honor Society, assisted by advisor, John Manning; President, Donna Kubiak; Vice-President, Dennis Hedvig; Treasurer, Barbara Laverty and Secretary, Diane Zion had a rather active year. The twenty-one members participated in both scholastic and extracurricular activities. Tutoring other B-R students had always been a main duty but, sponsoring a Pie-eating Contest during the Winter Carnival was an exciting diversion. The society also participated in the March induction followed by the traditional meal at Cristo’s.

Thank you

We, the 1980 Unitas staff would like to express our deepest gratitude to these people for their hard work, cooperation, and contribution to compiling the 1980 yearbook. Our special thanks go to Mr. Armand Gendreau, whose undying optimism helped to raise our spirits in times of crises. He has proven himself to be not only an inspirational leader but also a true friend.

Second Place Finish

The 1979 Trojan football team had a very successful season with a final record of 7 wins, 2 losses, and 1 tie. Led by tri-captains Dan Buron, Mark Capozzi, Tom Levy, and the outstanding coaching of Paul Urban, the team turned out the 2nd best record in the league. The Trojans were surprisingly upset by Silver Lake and Marshfield. However, they did manage to beat Scituate, the league champions, by a score of 15-12. Seniors Dan Buron and Mark Capozzi were selected to the league All-Star team. Capozzi was one of the few backs in the state and in the history of B-R to rush over 1000 yards. Coach Urban will certainly miss the talent of all the seniors but he is looking forward to a victorious season next year, also.
Varsity girls
cheer to victory

The 1979 girls varsity cheerleaders have done more than cheer. Last summer they went to the United States Cheerleading Association Camp in Silver Bay, New York. During their four day stay, the girls learned many new cheers and stunts. The girls received first place for their cheers. Their Saturday Night Live skit, which included "Two Wild and Crazy Guys" and "The Coneheads" also received first place. Susan Pruyn was awarded first place for Outstanding Individual Performance, while Elizabeth de Jesus was awarded the outstanding Talent Award. By the end of the third day, the squad had won first place in the overall competition. As a result of this, they were invited to compete at the National Championships in Michigan but unfortunately were unable to attend. Since then, the girls have cheered for the football and basketball teams, as well as having a fine performance at the Thanksgiving Rally.

Boys' Soccer Dominates O.C.L.

The boys' soccer team led by captains Jim Waterman and Tim Harrington had an outstanding season with an 18-0-0 record. They made Old Colony League history by finishing the season undefeated. The team qualified for the state tournament but was defeated by Nauset in the quarter finals. The fine performances by Jim Waterman, John Ritchie, and Marty Morrisey were acknowledged by their selection to the OCL All Star Team. The entire team should be congratulated on their fine efforts throughout the season.

Girls go the State Tourney

Under the leadership of new coach, James Jackson, and co-captains Loraine Callaghan and Janet Walsh, the girls varsity soccer team completed a very successful season with a 14-2-2 record. With this record, the girls easily earned a berth in the State Tournament. Hosting Weymouth-North, they were defeated in first round action 2-1 in four overtime periods. Three of the Trojans were chosen for the League All-Star team. They were Tracey Bumpus, Karen Walsh and Liz May. Receiving honorable mention were Sally Dooley, Lisa Parris and Loraine Callaghan. Liz May was also chosen for the Boston Globe All-Scholastic Team. The team will be losing four seniors to graduation, but they are looking forward to an equally successful season next year.
Golfers lose their drive

In the fall of 1979, a group of enthusiastic golfers showed up for practice. The leading underclassmen of these candidates were as follows: freshmen — Steve Saccocia and Chris Flynn, sophomore — David Almeida, and juniors — Greg Sethares and David Witherell. They, along with Coach Swan, Capt. Randy Fruzzetti, Co-Capt. Peter Saccocia, Andrew Miller, Bob Mercadante, Bob Tubis, and Matt D’Andrea proceeded into an off season and came out with a record of four wins and twelve losses. However, the underclassmen have not yet lost their team spirit. They seem to agree that, although they fared poorly this year, next year they’ll forge ahead and knock ‘em dead without any ifs, ands, or putts.

Hockey's girls upgrade their OCL standings.

In Old Colony League action the Girls Field Hockey Team finished fourth, after winning tough bouts against Marshfield and Scituate. With Captain Donna Kubiak, leading the offensive line, seniors Patricia LaLiberte, Catherine Legan, Sally Prescott and Carol White had a high scoring season. Captain Jane Fournier led the defense with seniors Barb Chestna, Mary Kilbridge, Tammy Morrison and Cathy Robak. New Coach, Mrs. Murphy, did a successful job in bringing the girls to such a good OCL standing.

Boys’ Cross-Country takes to the streets.

This year’s Cross-Country team under the leadership of first year coach Mr. Mark Lech had a very interesting season. Although they did not end the team’s losing streak, individuals posted great improvements on their times, and sophomore Barry Wyman placed first in a number of races. The team ran from 5 to 8 miles a day. This was done in such varied weather conditions as 80° heat, 40 mph wind, rain and near hurricane conditions, and on the perfect fall day. The team will be losing seniors Jack Picciuto, Ralph Whitney, Gunther Hoffmann, Greg Michaud, Brian Denton, and Mike Deasy. Not graduating this year will be juniors Larry Reagan, and Scott Wirta and sophomores Barry Wyman and Peter Wyman. With these and other promising runners, next year’s season looks very hopeful.
Girls in rebuilding season

The girls’ cross-country team, under the leadership of returning runners, Captain Pam Littlefield, senior Karen Leigh, and junior Cheryl Verhoorn worked hard this season, running up to ten miles a day. Despite their 1-7 record, the team practiced several hours every day and many of the girls set personal records. Besides returning varsity runners, other high scoring freshmen include Anne Sennott, Lynn Littlefield, Anne Mavor, and Alison Morwick. With these many newcomers to the team, Coach Tufts hopes to have a more successful season next year.

Ladies’ Night at B.R.

On November 16, 1979 Kathy Franco was crowned Miss Regional by Coach Paul Urban. Elected to her court were Angela DeRocco, Susan Magner, Elizabeth deJesus, and Lisa MacDonald. Congratulations to all of these girls and especially our 1980 Miss Regional . . . Kathy Franco.

The annual Capeway Junior Miss Pageant was held on November 17, 1979. Again, representatives from Bridgewater-Raynham Regional High, East Bridgewater and West Bridgewater High Schools participated in the event. All of the girls were judged on their poise and appearance, talent, physical fitness, intellectual achievement and interviews conducted by the judges. The selected Junior Miss typifies the ideal high school senior girl. Rose Nassif, from B-R, not only was crowned the winner but also was the recipient of the physical fitness award. Debbie Jones, also from B-R, won first runner up, and the poise and appearance award. Pinky Trinidad, an exchange student from the Philippines was awarded the prize for selling the most tickets. (Rose will be competing in the state finals in February at Hyannis, MA.)
The 1979 Thanksgiving Day Rally was thrilling! For the first time in four years the seniors won the float competition. They also won the cheering competition. Entertainment was provided by the energetic cheerleaders and the loud musical notes of the band. The football team completed the festivities with a victory over Rockland High School.
Trojans Roast the Bulldogs

While turkeys roasted in the oven, the Trojans football team was hard at work. Even though the weather was cold, there were approximately 4500 fans who attended the game. The outstanding plays during the course of the game will be remembered by the entire team. The final score was 33 to 26. The trojans ended their season with this victory on Thanksgiving Day.
To the attentive eye,
each moment of the year
has its own beauty . . .
a picture which was never seen before
and which shall never be
seen again.

Boys Rebound Into Action

The boys’ basketball team under the supervision of Coach Sarantopoulos, got off to a slow start, due to injuries to starters John Ritchie, Jim Waterman, and Bob Fernandes. But the 1979-80 Trojan team bounced back, winning 8 consecutive games. Rick Peterson, Bob Colford, Tim Harrington and Bob Fitzgerald displayed fine dribbling and passing skills, while Mike Waterman and Danny Buron entertained the crowd with excellent shooting and rebounding. The team was a tough competitor in the OCL league.
Girls show strength in defense

Under the supervision of their new coach Miss Karen Costa and new assistant Mr. Dana O’Brien, the girls 1979-80 basketball team has been full of surprises. The strong defensive team has had several 30 second calls which helped to bring the team from half-time losses to game victories. Although the team will be losing five seniors Lorraine Callaghan, Donna Kubiak, Sally Prescott, Kim Young and Mary Kilbridge next year’s team will show outstanding talent.
Boys competitive in a difficult season

The Boy's Gymnastics team led by seniors Pat Dowd, Danny Bousquin, Chucky Callahan, Mark Beauvais had a fine season. The boys are hard at work as they strike to improve last years record. Both coaches Mr. Robert Malloy and William Estes are happy with this season's outcome.
Girl gymnasts flip out!

The 1979-1980 Girls Gymnastics Team led by captain, Patricia LaLiberte had a very tumbling season. Coach Gorden Glenn and Assistant Coach Nora Kenny were pleased with the girls' performances throughout the season. Seniors on the team, Cheryl Oldfield, Pamela Littlefield, Jane Fournier, Patty LaLiberte and Chris Degenhardt wish the underclassmen the best of luck in future competitions!

Mr. and Mrs. George Oldfield
Boys have an outstanding season

The boys 1979-1980 wrestling under the direction of Coach Holmes and Assistant Coach Creighton has once again regained Old Colony League Champions. One impressive victory was that against rivals Plymouth-Carver with a final score 31-30. With help from captains Scott Mosman and John Maloney the team will have sufficient representation successfully place among the top 10.
Hockey team checks into action

The B-R Hockey Team, under the leadership of Coach Crane and co-captains Dennis Hedvig and David Blakeley, encountered many injuries but fought to finish with a respectable record in a tough league. The team had four members selected to the Old Colony League All-Star Team. They were seniors Dennis Hedvig, Bob Torres and David Blakeley and junior Peter Blakeley. With many returning players, next year’s season looks very promising.
Ski Club Prays for Snow

The 1980 Ski Club headed by Mr. Swan had a schussbooming year on the slopes despite the limited snowfall and poor to granular skiing conditions. The club had a successful season and profits went toward new skis, boots, and reduced prices on ski trips. The club made weekend trips when weather permitted and spent a weekend in Canada in March. This year, the club was able to rent equipment to members. These profits were used towards gas money. The club had a good year and hopes that next season will bring the same enthusiasm and a little more snow.

Santa Visits B-R

On December 19, 1979, the Class of '80 held the traditional Senior Class Christmas Party. "Clubfoot" provided excellent music for this memorable occasion. Donna Kubiak received first prize for her costume as "Mr. Winter". Among the guests were numerous elves, reindeer and Iranians. Mr. Gebo and Mrs. Shepard deserve a special note of thanks for supplying the party with great refreshments. Many seniors will remember this merry occasion.
Winter Carnival

This year’s Winter Carnival carried on well the tradition of mid-winter fun that was started four years ago. Our athletic teams were very successful with wins posted by the boys and girls basketball teams against Randolph, boys’ and girls’ gymnastic teams against Brookline High, and the boys’ wrestling and hockey teams. Our school clubs provided game and food booths at the Carnival on Saturday. Mr. Phaneuf organized the ever-popular art show which took place in the cafeteria. Dinner was provided by the Athletic Advisory Board. The dance featured “Sound Machine”. Hard work by the students and teachers made this year’s Winter Carnival a successful and memorable event.
May God Bless and keep you always
May your wishes all come true
May you always do for others,
And let others do for you
May you build a ladder to the stars
And climb on every rung
and may you stay . . .
forever young.

Freshmen

The freshman class displayed great enthusiasm in this, its first year at B-R. In conjunction with the sophomore class, the freshmen sponsored a concert featuring "Breakdown". Their participation in winter carnival activities, song dedications and kiddie movies, brought spirit to the traditional carnival. The class of 1983 is looking forward to even greater success in its next three years.
Kneeling: K. Silva, President; S. LaFlemme, Treasurer. Standing: L. Littlefield, Secretary; B. Djerassi, Advisor; M. Innocenzi.
Feeling the pleasure of being experienced, semi-upperclassmen, the Sophomore Class while assisted by advisor, John Dillon; President, Deborah Stanton; Vice-President, Christopher Snow; Secretary, Joanne Mansfield and Treasurer, Barry Wyman began the 1979-80 year with several events. Besides sponsoring a dance with the Freshman Class, the sophomores continued their activities during the Winter Carnival with a rummage sale. The traditional class ring sale was another special occasion. Looking forward to next year, the juniors-to-be will face an active year.
Juniors

The Junior class under the Supervision of Dave Chuckran and their elected officers, President, Theresa Wright; Vice-President, Kathy Diethelm; Secretary, Miriam Querzoli; and Treasurer, Heidi Skillings had an exciting year. Their decorations at the Thanksgiving rally, with their traditional football decoration won first place. The class participated in numerous activities including the winter carnival fund raising, and the highlight of the year, the Junior Prom. The Juniors are looking forward to a successful, final year at B-R.

Seniors

Looking back at our past four years, we will treasure the memories of B-R forever. We remember the strangers we met who became our friends. As we entered as Freshmen we set seemingly impossible goals for ourselves. Now as we complete our Senior year, many of the dreams have been met or are in sight. To the undergraduate we say, "PERSEVERE."
In Memory Of . . .

The light from the morning sun
Cannot be seen from where you rest.
Nor can the fish be heard,
Splashing in the mountain streams.
But do not wonder my friend
Or worry that you will be remembered
For your achievements by the multitudes.
For you probably won't.
But some will remember you,
And those who do,
Will carry on the beauty that was contained in you.

How quickly pass the days and weeks.
Time soon will span four years.

Unceasingly the months roll by
Filled in with hopes and fears.

How happy he who may look back
With pleasure and content,

Upon school years forever gone,
And feel they were well spent;

And still remember present time
Will only shortly be,

As we will stand on thresholds of
The years we've yet to see.
