ONE
Last
STEP

-K. VERHOORN—
Senior year is a time of reflection on the past and contemplation of the future. It is a time of glory, the culmination of the efforts that the past four years have seen. This is our "One Last Step" in our journey toward the future.

The 1985 UNITAS staff now takes the opportunity to look back upon those years we have shared, the times we have spent, the people we've met, and the friends and memories we've made. The collection of these things has made ours a very special class.

We have gathered these memories in this yearbook in an effort to help you remember in the years to come the times we have shared as a class. Our activities and events of our four years together have been captured here, a final statement of our class.

Our achievements and memories are recalled as we reflect on the steps of friendship, four years, special times, spirited times, activities, learning, and younger days. Our pride and accomplishments shine, to be cherished in our memories as the Class of 1985. Now the 1985 UNITAS staff proudly presents "One Last Step".
The lessons we have learned here at B-R, not just intellectually but also emotionally, have prepared each and every one of us for what lies ahead. College for many, the beginnings of families for many more.

Teachers have guided us through these important years, but have taught us by example, just as much as classroom work. Through their passing on of knowledge, we will be ready, in turn, to teach our friends and family the valuable lessons taught to us.
SPECIAL STEPS
While looking back on the special events of our high school years we will always remember the prom, the rallies, sports events and the parties!

These memories which have brought us closer as a class, will never be forgotten. As we move on in our lives, and encounter new experiences, these Special Steps will always remain close at heart.
The past four years at B-R have shown us the meaning of the word responsibility. Events and clubs pulled us all together to act as one spirited group. The faculty have taught us what is right and wrong and have shown us how to be ourselves. With the end of these four years we will all go on to brighter horizons. Four years is a long time and these four years will never be forgotten.
The past 3 years at B-R have led all of us to new experiences. New friends and old friends combine to make this the best times of our lives. All of the class of 1985 will remember the times we have spent with each other.
In our younger days, we made many friends and watched them change in many ways. Looking at these pictures takes us back to an easier time, when life was all fun and games. Now, each of us has certain responsibilities on our shoulders. The trip back through the years brings up questions such as: Did I really look like this? The answers are found not in a photo but inside ourselves.
DEDICATION

The class of 1985 is honored to dedicate our yearbook to a very special person, Mr. Edward J. O’Donoghue.
Throughout the years, he has supported our class and believed in us. He went beyond his obligations as Assistant Headmaster, and reached out to encourage students to make the best of their high school years.
Not only has he taught us the meaning of good sportsmanship, by attending many of the school’s events, but he has made it a point to participate in many of these activities.
It would be difficult to list all of his contributions to our class. He has shown us to believe in ourselves and to never give up on our endeavors. Most important of all, he has shown us that a faculty member can be a friend.
The class of 1985 would like to thank him for all of his effort in helping us grow and expand our horizons.

With heartfelt appreciation and affection, we, the class of 1985, salute Mr. Richard Scarano. A dedicated teacher for 11 years at Bridgewater-Raynham Regional High School, Mr. Scarano has been a friendly and motivating force on the entire class. From our freshman through our senior years, he has helped us to master the biological sciences through his dynamic lectures. In his classes we learned to appreciate the theories as well as the practical applications of knowledge.
But Mr. Scarano’s influence on our class transcends the purely academic. Through his sincerity to his profession and his devotion to the students, Mr. Scarano has helped all of us to mature into sensitive, considerate adults. His friendly smile, bizarre sense of humor, and his charisma in the classroom have all created a certain style that cannot be duplicated. But it is his concern for each of us as individual human beings, rather than just as students, which clearly sets him apart from the traditional role of a teacher. Under his guidance, we became not only smarter, but more wise. Mr. Scarano is truly a “truly good” teacher and friend.

Mr. Edward J. O’Donoghue

Mr. Richard Scarano
FACULTY

K.V.
TO THE CLASS OF 1985:

Graduation is the attainment of a goal and an important turning point in life. I hope that your experiences during the past four years have had a positive effect upon you, and that you continue to set high goals for yourselves.

To each of you, congratulations and best wishes for the future.

Sincerely yours,

George S. Capernaros
Superintendent—Headmaster

The B-R Ski Club is the largest club in the school with 150 members. The club is supervised under Mr. Heaslip and Mr. Moscardeli. The Ski Club officers are Christopher Smalley, Shaun McMahon and Matt Furlong.

This year's club went on seven day trips and a weekend trip in early January. The club also introduced about 30 new people to the exciting world of skiing. Keep up the good work!

SPECIAL THANKS TO:
Mark Barros and Arthur DeArruda for their willingness to help at all times. Peter Pike for his calmness and assistance in times of crises — deadlines. Peter Shearstone for going beyond the call of copy editor. Teresa Lavoie, Cheryl Richardson, Cheryl Flynn, and Lori Metcalf for their constant offers of doing the unnoticed but necessary jobs. Kallie Karavites, Betsy Littlefield for their dependable help on last minute pages. Jodee Viola and Margie Pope for never failing to do their jobs. And all the “last minute” typists who without their help we would have had pages with no copy. You have all helped in so many ways that will remain unrecognized but never forgotten — feel pride — this is a direct result of your efforts.

Cheerleading: Lots of Spirit

The 1984-85 cheerleaders displayed much skill as well as spirit for both Fall and Winter seasons. By many hours of work and much patience, these cheerleaders have become a team. This year's team was coached by Mrs. Virginia Ames and Ms. Deborah Robbins.

During the summer, the team attended and competed in U.S.C.A. camp at Bridgewater State College. The girls have already competed and plan to compete in two competitions in the Spring '85.

Through Captains Lori Lombardi and Lisa Rose, the team showed dedication and enthusiasm to both teams they cheered for. The team will miss the departing seniors, but with this year’s junior and sophomore cheerleaders, next year’s team looks just as good as this year’s team.
B-R's Spirit

The annual Thanksgiving Rally, held on November 21, 1984, projected B-R's true school spirit. For the first time in four years the Class of '85 won both the cheering and decorating contests. The B-R 'Trojans' victory over the Taunton Tigers confirmed that B-R's spirit cannot be beat!
Led by senior captains Rich Medeiros and Tom Schlatz, the 1985 Trojans football team played to an outstanding record of 7-2-1. Finishing second in the Old Colony League, the team's hardest loss came from number one ranked Plymouth-Carver.

Although the team consisted of many underclassmen, they proved to be an outstanding part of the team. Quarterbacked by sophomore Jeff Iafrati and senior David Johnson, the Trojans were led by the superb rushing of seniors Tom Schlatz and Mike Gonsalves. Along with the blocking of Rich Medeiros, many other seniors were key factors in many games. Tony Soares, Tommy Conn, Dave McKenna, Brian Brocato, Peter Pike, Pat Sheehan, Scott Parrault, and Paul Mello paved the way for a victorious season. Coach Almeida looks forward to next year, and we wish him the best of luck.
Boys' Soccer — State Finalists!

Led by captains Paul Gillis, Greg Perry, Mark Gonsalves, and Phil Hinko, and senior members Neil Orentas and Ed DeAndrade, this year's boys' soccer team proved to be exceptionally talented. As in years past, the boys demonstrated their show stopping ability and once again captured the O.C.L. title.

The only disappointment this season was the team's loss to rival Plymouth-Carver, ending BR's 59-game winning streak, started in 1981. However, the boys redeemed themselves by entering the State Competition and advancing all the way to the finals. Coach Pacheco has much to be proud of in this superb team.
The girls soccer team led by captains Debbie Dorr and Rose Murray had an excellent season with a 12-2-2 record. They qualified for the state tournament, and beat Newton North 2-1 in the quarter finals, but were defeated by Needham 2-0 in the semi-finals. The team will be losing three seniors to graduation, but they are looking forward to an equally successful season next year.
FIELD HOCKEY — A WINNING ATTITUDE

The 1984 Field Hockey team, led by Melissa Kilbridge and Linda Perry, displayed outstanding effort throughout the entire season. The girls were psyched to play after spending a week at the White Mountains Sports Camp at Bates College. This was part of their pre-season training. Participation and interest in field hockey is increasing as indicated by the large number of underclassmen who came out for the team this year. As a result of their hard work and dedication, the girls made the State Tournament for the first time in B-R’s history. Although the team will be losing seniors Missy Urban, Noelle Madrigale, Danell Constantino, Sue Fernandes, Cathy Bent, Lori Tunewicz, Jill Wright; Maura Kneeland, Cheryl Flynn, Heather Knight, and Heather Dodge, the strong J-V team will surely fill in the spaces. Good Luck!
Cross-Country — Young Talent

Even though both boys’ and girls’ Cross-Country teams did not post a mark in the win column this year, Captains Shaun McMahon, Chris Smalley, and Betsy Littlefield showed much team spirit in their effort. An exceptional performance was shown by Freshman Jimmy Streto. Other team members provided much support. The team will miss departing Seniors Chris Smalley, Shaun McMahon, and Betsy Littlefield. Through the coaching of Mr. Lawerence Tufts, and underclass members, next year’s team looks very promising.
WRESTLING — A WINNING SEASON!

Fifty-Fifty, or a Hundred-Hundred are words often spoken during wrestling practice, but the feeling many get after winning a match is far greater than words can describe. With that feeling the wrestling team completed their season with a 17-2 record. Capturing the OCL championship and the South Sectional Championship this year's wrestling team had much to celebrate. A proud season for a proud team...
Sitting: B. Wynn, J. Kelliher, J. Sale, Todd Wyman, R. Raggiani, Mike Gonsalves, B. Pacheco, Mark Gonsalves

With only one returning varsity starter, the BR Trojans basketball team did not figure on being a contender in the O.C.L. This year, however, the team went into the Christmas break with a 3-1 record. They continued their winning ways by becoming champions of the Princess House Classic Christmas tournament. The Trojan team, led by Captain Peter Pike continued to show its desire to win after the break and wound up with a league record of 9-7 and an overall record of 11-7. The Trojans finished up their regular season with a win against their Taunton rivals. This win allowed the Trojans to qualify for post season play in the State Tournament. In the league, the basketball team came in third place.

1st row: Coach Fisher, Peter Pike Capt., Coach Sarantopoulous
Girls' Basketball — Hard Fought Season

This year’s girls basketball team experienced a learning year. Being young in age and experience, the Lady Trojans had a trying season. Co-Captains Melissa Kilbridge and Missy Urban along with Senior Noelle Madrigale leave next year’s players with wishes of a better season.

1st row: D. McElroy, N. Madrigale, M. Urban, M. Kilbridge, K. Welburn
2nd row: L. Mangelson, D. Byrnes, M. Mangelson, L. Shurtleff, B. Flynn, A. Hinko, M. Flynn
Junior Varsity
BR HOCKEY: FIGHTS AGAINST THE ODDS

The ability of the Bridgewater-Raynham hockey team was not well represented by its record this year. The team possessed a great deal of talent, but unfortunately they could not seem to put things together for a winning season. Their disappointing record this year, however, was not totally their own fault. In the past few years, the team has been beset by injuries, suspensions, and other misfortunes. Coach Crane also cannot be blamed, because he has had to shuffle players around to fill in the missing players spots. He has done well considering the obstacles in his path. Tri-captains Steve Sullivan, Tim Page, and Bill Chipman led the team in several close games, including a close game against Weymouth-North.
An extremely young girls' softball team, made up of 3 seniors, 1 junior, 6 sophomores, and 4 freshmen, compiled a record of 1 win and 15 losses, but the underclassmen gained much experience and are expected to have an outstanding 1985 season. Sandy White, star senior pitcher and hitter, was backed up by infielders Lynne Meaney, Bridgette Flynn, Nancy Blake, Kathy Moore, and Diana Burns and outfielders Audrey Abney, Deidre McElroy, and Joan Flaherty. Laura Manning did the catching, and Jen Swanson, Margie Gra西亚, and Kelly Lynch shared mound duties with Sandy.
Boys' Baseball — A Frustrating Season

Through the leadership of captain Mickey Pina, this year’s baseball team gave an all-out effort throughout the entire season. However, their attempt just wasn’t good enough to give the team a winning season. Through the support of Coach Holmes, the boys managed to win at least half of their games, many of the games being lost by a disappointing few points.

The players who gave fine performances were seniors Mickey Pina, Paul Donahue, David Donahue, Peter Kubiak, Tim Keough, Larry Howard, Paul Morin, Mike McDonough, Mike Timmins, and Mike Lawson. Contributing much to the team also were junior players Brian Warren, Matt King, and Jeff Marquis along with their other teammates who are sure to make next year’s team a success.

Boys' Track under the direction of Coach Pacheco was very successful in their attempts this year. Through combining experience and talent the season saw many personal accomplishments. Always spirited, the track team tried hard to represent the fine track tradition.

This year's track team had a satisfactory season. The team will miss departing seniors; K. Morwick, J. Parker, and V. Zonfrelli. But with returning teammates; B. Littlefield, M. Kilbridge, M. Urban and A. Beninati, the team looks very hopeful.
The 1984 varsity girls' tennis team went 12-6 last year. This record shows the winning attitude of the team under the leadership of Head Coach Mr. Nawlicki and Assistant Coach Miss Robbins. Captain Kate Peterson and seniors Melessa Constable and Shelley Heger all had strong performances. Coach Nawlicki can look forward to a strong team this year with captains-elect Jill Wright and Merritt Mahoney, returning senior Cheryl Flynn and returning underclassmen Heather Francis, Betsy D'Andrea and Maryann Hutchinson.

Boys Tennis: A Building Season

The tennis team had a building year with many freshmen and sophomores who show much talent. The returning players being John Bunar and Chris Selgren, Mr. Fisher is looking forward to next season.

Front Row: Kelly Dineen, Heidi Higgins, Maria Palmieri, Maryann Hutchinson, Betsy D'Andrea, Annette Fortin Back Row: Coach Nawlicki, Cheryl Flynn, Lori Lombardi, Cathie Bent, Merritt Mahoney, Kate Peterson (Capt.), Melissa Constable, Jill Wright, Janette Piemonte, Heather Francis, Coach Robbins
The gymnastics team had a good season this year led by Captains Pam Phillipe and Tara McArthur. Senior Phillipe helped to lead the team in meets. The team looks forward to next year with the fresh, promising talent they have, gaining experience.
The combination of injuries, graduation, and many players getting jobs left Coach Pimental with a team of young, inexperienced golfers. This lack of experience proved to be too difficult to overcome as the Trojan golfers posted a disappointing 0-13 mark on the season. Co-captain Todd Wyman was a new addition to the squad and was the only senior. Junior co-captain Tom Butler had an excellent individual season, winning nearly all of his matches. One bright point that Coach Pimental made was the ability of the freshmen that he hopes will continue to improve and get the team back on the winning track.
B.R. girls winter track team had a very challenging season. With limited running facilities, the girls practiced outdoors in all kinds of weather. Chris Gebo, a 600yd dash runner, held the OCL record in that field. All of the team members worked hard this year to attain the goal of keeping the girls track team strong. With a little experience behind them, next season looks very promising.

The B.R. boys track team had a good season and we at the yearbook look towards an OCL title in the future . . .
Special Times

K.V.
Thanksgiving Day Game
Capeway Junior Miss

On November 18, 1984, twenty-four senior girls representing Bridgewater, Raynham, East Bridgewater and West Bridgewater participated in the Annual Capeway Junior Miss Pageant. Six girls, Kelly Hambly, Nancy Cotto, Lisa Nickerson, Jackie Giordano, Cathy Kozak and Missi Paul represented Bridgewater-Raynham at this year’s contest, held at East Bridgewater High School. All contestants were judged in the following five categories: Scholastic, Achievement, Creative, Performing Arts, Physical Fitness, Poise and Appearance and Judges Interview.

Although no B-R representative was crowned as winner, the girls performed in a variety of talent areas and we applaud their effort.
The Class of 1985 held their Junior Prom in May at the Lantana, in Randolph. The theme of the prom was "We Got Tonight", by Bob Seger. The music was provided by the band "Red Eye". This was one of the nights that will be held in our hearts and minds as we go along in life.
CHRISTMAS PARTY

The long awaited Senior Christmas Party, held on Dec. 14, 1984, was a festive occasion for all who attended. Everyone — from Elvis to Mr. T. to a Christmas Tree — boogied to the rhythm of the Shapes. Prizes were awarded for the best costumes; awards went to David Anderson, most original, and David McKenna, best Christmas costume. The annual event, which is presented to bring the senior members of the class closer together, was a success. The memories the party created will serve as the culmination of the senior year to all who participated.
This Year's Miss Regional Dance, held in November, was a surprising success. With many underclassmen, the high attendance rate, compared to past years, made the dance an enjoyable night for all. The important event of the night, the crowning of Miss Regional, was performed by Coach Almeida. Carrie Asnes was the recipient of the diamond tiara. Members of her court were: Rita Lee, Kim Swanson, Elania Meadows, and Jodee Viola.
