THE BEST WAS YET TO COME

Mrs. Diane McGuire
When we were in Elementary and Junior High School, the teachers would always tell us how hard it was in High School. When we got to High School, the teachers said that it was a big step to make, and if we did our work and everything else as they told us to, we would make it. Well, they were partly right. There was some work involved, but on the other hand there was also a lot of enjoyment and a sense of pride that came from being a B-R student.

There were days when you had to think of a new excuse to give your teachers when you didn’t do your homework. Days when the girl you always dreamed of asked you out. Days when you prayed you would not be a freshmen all your life. Days when you were glad when “Senior-itis” finally hit. And days that very well could have been the best days of your life.

This as we depart as one, leaving behind the memories of our triumphs and defeats, knowing that together all of us make up the one and only Bridgewater-Raynham Regional High School class of 1986.
During the past four years at Bridgewater-Raynham, friendships have played an important role in our lives. Although most of us attend school in order to learn, our friends are the ones who make learning more enjoyable.

A friend, however, is much more than just someone to share classes with. Friends act as our counselors, confidants, and co-conspirators. As counselors, friends advise us in everything from what to wear to how to handle difficult situations. They understand us better than anyone else; they cheer us up when we feel depressed.
FRIENDS
Have you ever wondered why students can't wait to wear their B-R jacket? It is not because it makes them look good. It is not because they want to show off in front of everybody. And it is not because their mother made them wear it. It is because they have B-R spirit.

The Red and the White are the colors that make the school smile. The spirit of the school is everywhere you look. It is at Football games, Wrestling meets, Hockey games, and around every student at B-R. The spirit shines in academics as well as in sports.
How can we forget the good old times? The first day of Junior High School — everything seemed so big: we had to change classes; we had a different teacher for each subject; we had lockers; there was no more recess; we had exams instead of tests; we had to change our clothes for gym class; you could get a detention — could it be real?

There were many good things too: we made many new friends; we started to notice members of the opposite sex; we started going out on weekends and we had school sports teams. This was the beginning of Bridgewater-Raynham's own class of '86.

We all knew that the best was still yet to come.
To The Class of 1986:

The philosopher Plato is reported to have said that the direction in which education starts a person will determine his future life.

It is my sincere hope that your experiences at Bridgewater-Raynham have been positive, will be reflected in your future undertakings, and that you will continue the lifelong process of growth in both your personal and public lives.

Working with you has been rewarding.

May you all reach your goals.

Sincerely yours,

Dr. George Capernaros

Sophomores have class!

The sophomore class, headed by President Alison King, Vice-President Kathy Welburn, Treasurer Chris Moscardelli, and Secretary Jody Blais, is headed in the right direction. By selling candles, the Sophomores now have about fifteen-hundred dollars in their treasury, adding to the meager sum of last year. The Sophomore Class has already contributed to the school in many ways. Sophomores participate in sports and other activities throughout the school. Sophomores on the Math Team have done really well in competition and several sophomore students also took the PSATs. In addition, many sophomores from the health classes received cards for certification in CPR. The Sophomore Class seems to be moving ahead successfully. The class officers are doing an efficient job!

Girls' Tennis — A Swinging Year!

Last year's girls' tennis team, headed by Coach Nawlicki, had a fine season with 7 wins and 9 losses. The girls worked hard throughout the season and were determined to do well. They hope to better their record this year with performances from the team veterans and help from the up and coming junior varsity.

Boys' Tennis — Gaining Experience!

The boys’ tennis team, coached by Mr. George Pimental, had a disappointing season with a league record of 5 wins and 11 losses, and an overall record of 7 wins and 11 losses. The varsity members gained experience throughout the season. Varsity members David Anderson and Peter Shearstone lead the Trojans in the 7 victories. Coach Pimental hopes that the junior varsity and underclassmen members can put together a better season next year.
Boys' Baseball
Big Season!

The baseball team had a most impressive season. This second place team ended the season with a league record of 12 wins, 4 losses. Senior veterans Bill Lecuyer, Jeff Marquis and pitcher Brian Warren helped to carry the team to the Division One tournament, where they beat Newton South and were eliminated in the second game by Natick.

The boys narrowly lost the O.C.L. because of defeats by our arch rival Plymouth-Carver, Weymouth North, and Weymouth South.

Next year the boys are looking forward to an O.C.L. title and possibly a further penetration in the division One tournament. Juniors Phil Lecuyer, Tom Sarcione, Eric Baacke, Jack Welby, Robert Knowles, and Mike Demos should be ready for the challenges of next year. The promising up and coming sophomores include Bill Donovan, Jeff Iatrati and Scott Mauiloux. Freshman Scott Blake had a good season also.

Where would we be without the managers. The team would like to thank managers Tom Butler and Stephano D'Emilia for the fine job they have done and don’t forget Coach Holmes who is looking forward to greater success in the O.C.L.

Kneeling (1 to r): S. Blake, S. Perrault, M. King, J. Marquis, B. Warren, B. Lecuyer, T. Conn.

Softball — A Building Year!

The softball team improved their record from 1 win and 15 losses to 5 wins and 11 losses. With All-Star pitcher Jen Swanson and Audrey Abney, the team started off their season with a win against Stoughton but ended with a loss against Taunton.

Sitting (left to right): K. Lynch, B. Flynn, A. Abney, G. McCormick.
Kneeling (left to right): T. Murry, D. McElroy, D. Burns, N. Blake, L. Morwick.
Standing (left to right): J. Swanson, K. Stevens, K. Moore, K. Mackinaw, C. LaGrasta.
Hopefully in the 1986 season, the team will continue to improve their record with help from returning juniors and upcoming sophomores.
The 1984 Boys' Track team had an exceptional season. They broke league and season records with records of 7-1 and 8-2 respectively. For the first time in the history of B-R the boys' track team was O.C.L. Champions. There was a tie with Plymouth-Carver and it was a hard working year with coaches George Pacheco, James O'Donaghe and Steven Sarantopoulous. The team was led by high scorers Peter Flynn, Tom Schlatz, Peter Pike and Mark and Mike Gonzalves.
Girls' Track
A Winning Season!

With a season record of 7-3-0, the girls' track team, under the coaching of Paul Urban, Carolyn Cuniff, and Philip Capen, demonstrated both skill and sportsmanship. Every event had its outstanding performers, but the highlight of the season was when Chris Gebo broke the school 2-mile record with a time of 12:34. Capturing places in the all-league meet, the B-R girls showed their talent. Many members of the team will be returning for the 1986 season and hopes and expectations are high for another successful year.

The 1985 Trojans football team coached by Frank Almeida had a fantastic season with a record of 9-0-0. The team was lead by senior captains Jim Donovan and Dan Cox along with seniors Chris Shaw, Kevin Williams, Andy Jackson, Brian Sweeney, Steve Finney, and Jack Welby. The seniors were backed up by some outstanding juniors — Mike Harty, Jeff Lafrate, and Lou Pacheco made the all scholastic team. John Schlatz, Andy Yelle, John Bunar, Joe Shaw, Bill Donovan, and Eric Cedrone also had outstanding seasons.

The team worked hard for every inch. They played well together as a team. The offense scored 116 points more than the other teams they played. They worked hard in practice and the junior varsity team complimented the varsity team nicely. They pushed the varsity team to its limits to make them the best they could be. Through the season the team was stricken with injuries. Jim Donovan was out for half the season with a broken foot. During this time, Eric Cedrone played nose guard as well as center. The regular season was tough. Against the strong Plymouth Carver team. B-R played a great game. The defense was superb. They stopped Plymouth Carver from scoring late in the game after Jack Welby kicked the game winning field goal thus stopping the Blue Eagles 24 game home winning streak with a score of 3-2.

They had their problems against most teams, it wasn’t an easy season. It seemed that every time we were behind we made a come back in the second half. It all came down to the final game of the regular season. If we won we would go to the Super Bowl. It was a terrible day in Taunton, and the field was a big mud puddle. It was just what Taunton wanted. They thought they could beat us in the mud, we scored. All our points in the first quarter and in the second half the tigers scored their points. But it was our defense who stopped them from winning the game just like it had stopped Plymouth Carver in the big upset victory. We had made it and everyone was overjoyed. We were on our way to the SUPER BOWL.

We faced Tewksbury in the battle of the unbeaten teams.

The long week before the Super Bowl was filled with an abundance of many emotions. The team enjoyed practices at Sullivan Stadium where the game was played the following Saturday. They also visited the Boston College Field. The game itself was great although we lost 24-13. It was a thrill to be there. John Schlatz had a great day with one interception for a touchdown and a 37 yard run which also resulted in a touchdown.

The team looks very strong next year with most of the team returning for action.

The players as well as the coaches deserved the O.C.L. Championship.

Boys' Soccer: OCL champs!

Once again for the 7th straight year the boys' soccer team won the OCL and made it to the state semi-finals, losing to Needham. For the year, the team ended with a record of 18-2-1, including state tournament play. Senior captains were: Sean Mullen capt., Bob Arrighi capt., Mike McLeod capt., and Eric Anderson. Other seniors who did a fine job were: Tim Lynch, Mark Zides, Kevin Chicoine, Keith Merritt, Norman Lee and Chad Alden.

Even though the team had a tough season because of injuries to key players, the 1986 Girls' Soccer finished in second place in the OCL with a record of 13-2-1. The team therefore made it to the state finals. Outstanding senior players were Marlisa Mangelson, Bridget Flynn, Kristin Chase, Janine Zutaut, and Judy Bramlett. The team expects to have a great season again next year.

SEATED (L-R): L. Jones, J. Bramlett, J. Zutaut, M. Mangelson, B. Flynn, K. Chase, L. Gustafson

GIRLS' SOCCER: STATE FINALISTS
FIELD HOCKEY GOES STATE

This year’s 1985 girls Varsity Field Hockey team was very successful. Many of the Seniors had been to summer camp so they were ready from the start. Our captains Kristin Cardano and Audrey Abney were full of enthusiasm and talent. The coach Mrs. Casabian gave the team a lot of support and dedication and from her dedication, the team went to the State Tournament.

The 1985 Girls' Cross Country team had a better season than last year. The team scored a victory against Hingham. Outstanding seniors were Janine Myatt and Chris Gebo, other outstanding team members were: Lori Brown, Kelly Turner, Diane Pimonte, Tracy Conan, Leah Durbeyshire. The coach was Miss Cunniff.
"Boys' Cross Country — Spirited!"

The 1985 Boys’ Cross Country Team was small but spirited. The team scored a major victory in a late season meet against Taunton. The only senior and captain of the squad was Eric Clory. Other outstanding team members were: Eddie Foote, Mike Washburn, and Dale Harris. The team looks forward to a better season next year. The team would also like to thank Mr. Tufts for all his years coaching Cross Country.

Gymnastics has a winning season

The 1985-1986 season for the Bridgewater-Raynham gymnastics team was the best ever in the school’s history of the sport. The team finished second in the Old Colony League, completed the regular season with an incredible record of 9 wins and 1 loss, qualified for the South Sectional Championship, and proved that, despite its lack of popularity and recognition, girls’ gymnastics had one of the top teams in Bridgewater-Raynham sports.

Junior co-captain Kelli Turner and freshmen Terry Lemon and Tina Pacheco helped lead the team to its fantastic season. Turner was chosen for the OCL All-Star team as one of the league’s top three all-around gymnasts and qualified for the individual state championships on all four events. She had consistently high scores for the team on each event throughout the year. Pacheco, who was chosen for the All-Star team as one of the top three individuals on balance beam, also qualified for the individual state championship on beam.

These three gymnasts by no means made up the team alone. Senior co-captain Norman Lee and senior Matt Furlong aided the team with their excellent vaults and bar routines. Betsy LaGrasta, another promising freshman with her strong vault, beam and floor routines, and sophomore Diane McLaughlin, with her continuously improved floor, beam and bar routines, also factored in the team’s success. Juniors Lori Hicks, with a solid beam routine, Tina Frost, with a peppy floor routine, and Joanne Bonanno, with a clean vault, also assisted the team.
Boys’ Golf — On The Upswing!

The 1985 golf team, led by captain Tom Butler, who finished his senior year with a personal record of 11-2-1, finished up with a 3-12 season. Our only three victories came against the Taunton Tigers. Although we didn’t have a very productive year, we hope to change that in the coming seasons.

Other consistent performers on the team included the number two player John Reilly. Numbers three and four were Anthony and Jim Streeto, Mike Cox, Steve Tuholski, Ken Bollin, and Rob Reddy round off the rest of the starting team. Alternates Tim Monaghan, Pat Palopoli, and Freshman Scott Baron are hopefuls for the 1986-87 golf season. Other young players, some in their first year of golf, are Chris Dooley, Jay Cordero, and Chris Jones.

Coach George Pimental hopes for a much more productive 1986-87 season. Losing only one player, Tom Butler, co-captains for next year (Anthony Streeto and Mike Cox) hope to finish better than second-to-last place next year. But it will be much tougher next year, for Taunton will be withdrawing from the league, leaving only Silver Lake, Marshfield, Plymouth-Carver, and Hingham for Bridgewater-Raynham to compete against.
B-R Pins OCL Title!

B-R's Wrestling Team once again took the Old Colony League Title. The team closed the season for a 15-2 record, giving them their eighth straight title. The team also placed 1st in the Marshfield Holiday Tournament and 3rd in the prestigious Governor's Cup held in Wayland.

The starting members of the team were: Scott Firmin, a junior at the 100 lb weight class; Paul Doherty, a sophomore at 107; Bryon Wynn, a junior at 114; Jeff Timmins, a junior at 121; Dan Gallagher, the senior co-captain at 128; Todd Myers, a senior at 134; Jeff Nichols, a sophomore at 140; Toby Wyman, a junior at 147; Jay Boutiette, a sophomore at 157; Mike Fritz, a senior co-captain at 167; Bob Knowles, a senior at 178; and Mike Harty, a junior at Heavyweight.
Boy Hoopsters Have Strong Seasons!

The Bridgewater-Raynham Boys' Varsity Basketball Team had a very promising year. Led by co-captains Bob Arrighi and leading scorer Eric Baacke, the Trojans showed promise for a tournament bid. Other seniors who were on the team were: David Rumrill, Phil LeCuyer, Mark Zides, Mike Cloutier, and Dan Decelles. Andy Yelle, Scott Mailloux, Scott Enos, and Marcel Lee made up an outstanding core of juniors who saw a great deal of action this year and who will be a strong foundation for next year's team.

The Bridgewater-Raynham Junior Varsity Basketball team had a disappointing season. The team finished with a record of 7 wins and 9 losses. The starters for the team were: Dale Harris, high scorer, Chris Moscardelli, second on the team in scoring, Kevin Mc Kenney, and James Tebou. The remaining slot in the starting rotation was filled by one of the following: Shaun Priest, Chris Selgren, Tom Clark, Scott Blake, Ken Bollin, or Joe Borgasano.

Rob Reddy, Mark Lucius, Kevin Donovan, Bob Sheehan, Jeff La- douceur, Brian Meaney, Mike Gallagher, Guido Rhea, Tom Welby, and Shaun Campbell saw limited action this year but will return next year.

Coach Sarantopoulos and Coach Fisher did fine jobs with both teams this season.

The 1985-1986 Girls Basketball Team qualified for the state tournament for the third time in the history of the school. They did this despite a distinct height disadvantage and the lack of good outside shooting.

As of this writing, the Lady Trojans are 11 and 5. Racing to an 8-0 record, the girls won 3 of their next 8 to qualify.

Basically a team of underclassmen, the experience should serve the team in the OCL future. All Star members of the team for 1985-6 were: Marlissa Mangleson, Lauralee Mangleson, and Anne Hinko.
WINTER TRACK — Sprints Ahead

Though not many people go out for winter track, those who do participate enjoy it and feel that it is a great way to get in shape for the spring season. Neither the boys’ team nor the girls’ team won an OCL title, but many competitors did well individually.

Carolyn Cunniff was the coach of the girls this season. The team consisted of senior captain Chris Gebo, juniors Jen Cain, Jen Booth, Angel Lincoln, Missy Pourier, sophomores Kim Jensen, Tracy Stafford, Toni Walker, Kristin Worcester, and freshmen Lori Brown, Tammy Drysdale, Stacie Gutowski, Tiffany Hutson, and Diane Martin.

The boys’ team, under the direction of George Pacheco, had as its members; seniors Eric Clory, Jim Donovan, Dave Grippin, juniors Eric Cedrone, Bill Donovan, Ed Foote, Dave Giamperoli, Corey Hutson, Lou Pacheco, Jeff Proudler, John Schlatz, sophomores Paul Finney, Jeff Heath, Chris Kelly, Rich Leach, Mike Moran, Jim Streeto, Mike Washburn, and freshmen Jeff Cloutier, E.J. O’Donohue, and Ed Leonard.

Even though the team was not large in size, it was a giant in effort and heart and this season was considered a building block for future winter track success and spring track winning.
Boys' Hockey has a Fresh Start!

The 1985-86 Hockey Team received a new coaching staff and a new outlook on the season. Head Coach Grasso and Assistant Coach Kinch worked very hard this year to condition a very young team. They hope that the many hours spent this year will pay off in the near future for the team.

The team, led by Senior Captain Marc Donnelly ended out the season with a disappointing 2-15-1 record. Much of the inconsistency which plagued the team this year could be blamed on the team's relative youth. Out of twenty-five players only two beside Donnelly were seniors. They were defensemen Chris Delmonte and Scott Hogg. Despite their overall record, however, the team always gave it all it had!
Student Memories...
Junior Prom – A Memorable Evening

The members of the Junior Class danced to "the Godsons" at the Lantana in Randolph on May 24, 1985.

The prom queen was Maria Palmieri. The members of the court were: Judy Bramlett, Rachel Ortelt, Barbara Catalano, and Patty Miller. The theme was "Heaven" by Bryan Adams.

Despite the size of the dance floor, the juniors had a good time, and everyone looked great!
The Bridgewater-Raynham Regional has had three undefeated football teams but because of the point system two never went to the Superbowl. The 1985 Trojans were the first team in the school's history to go to Foxboro.

The week before the Superbowl everyone was filled with excitement. The team practiced at both Sullivan and Boston College stadiums. Even the faculty could not wait to watch their students perform. It is a different feeling to stand on the same field where some of the world's best football players played.

Finally the day of the game arrived, and the bus ride to the stadium was quiet and filled with anticipation of the events that would follow. When we arrived, everyone was ready to go. We heard the roar of the crowd when we entered the field to warm up. The support flowed from the stands. They were all yelling and screaming for the players. It was a totally new feeling. Never before was the spirit of the school so high that a plane flying over head with a banner attached saying "GO B-R BEAT TEWKSURY", could not fly up as high as the hearts of the fans.

The team gave it their all although an early injury to Mike Harty, and an ankle injury to Mike Gallagher hurt the team before they could even get started. John Schlatz who did not look like his foot was injured as he ran for and intercepted a pass for twelve of B-R's thirteen points.

The whole team did the best they could to win the game. We came up short in the end but also came up winners in our own way. The final score read B-R 13, and Tewksbury 24. The talented super-team leaves eleven seniors behind, but most of the players are expected to return next year. The Trojans ended their regular season play with a record of 9-0. Next year the team is hoping for just as good a performance.
The Miss Regional Dance was held Friday November 22, 1985.

The music was put on by a disc jockey. He played a variety of music. There was good attendance, and everyone seemed to enjoy himself.

Miss Regional was then announced by the class officers, Heather Potter, Kelly O’Donnell, and Audrey Abney. The fourth runner up was Lisa Hicks, third runner up Susan Reddy, Second runner up Heather Francis, First runner up Jammie Napolitano, and Miss Regional crowned by Mr. O’Donoghue was NANCY BLAKE.
The year's Christmas Party was a small but rowdy group. It was held Friday, Dec 13th in the Cafeteria. Prizes were given out for the best costume. First place went to Debbie Labossiere dressed as a chicken, second place went to Yvonne Pickett dressed as an angel, and third place went to the Ghostbusters, Arthur Leach and Jim Mader.
President’s Page

During our four years at Bridgewater-Raynham we have all had some very special times together. There are many memorable moments I am sure we will never forget.

When we think back at B-R we will remember fire drills and snow storms, anything that could get us released. We will remember certain classes and certain teachers, people who made learning interesting. We will remember coaches who spent extra time with us to make us as good as we could be. We will remember Lounge and all those early morning snacks.

When we started out at B-R we were two separate groups of people. We came from two different towns and at first we felt like we were competing with each other. Over the years we became a unit and now we act together.

I would like to wish all of you a world of luck. I hope your future will be bright and full and that you will cherish the years that we spent at B-R. I hope that we will all stay friends and that we will remember what we have learned here about fellowship.

Thank you for making me your Class President for your last three years of high school.

Best of Luck,
Heather Potter ’86
The 1986 Capeway Junior Miss pageant proved to be a very successful one for B-R. Three of our senior girls won places on the junior miss court. We would like to congratulate all of them.

As first runner-up, Kristen Chase was a well-deserved recipient of this honor. She performed a spectacular cheerleading routine, and she did it flawlessly.

Jill Morey won the place of third runner up. She got up on stage and tap danced her way into everyone's hearts.

Forth runner up, Inger Knudson, also won an additional award in the creative and performing arts for beautiful singing.

Other competitors from B-R included Debbie Perry, who did a fantastic jazz routine, Ann-Marie Flanigan, who performed a piano solo, and Lisa Wallenmaier who played her clarinet and twirled her baton.
SADD Getting Strong Support

By Wanita Kumar

The second year of the B.R. Driving drunk is once again under the advisement of Mr. Flanagan. This year's officers include Marie Perreti, President; Wendy Friedman, Vice President; Sherry Burns, Secretary, and Marlo Stith, Treasurer. Due to its success of the student awareness program, the club has trialed in size. More and more people are confronting the rising problem of drinking and driving in today's society.

To start off this year's program, SADD members sold pins and keychains distributed parent child contracts during PTA meetings held on October 15 & 16. Sales totaled over $95 as both parents and teachers generously supported this organization. The club hopes to show movies to junior and senior classes in an effort to emphasize the seriousness of the problem and to make students aware of its painful consequences. Also, bumper stickers and additional keychains and pins will be sold at football games and during the prom season. We hope that you will participate in this effort to save lives. Although the club has many supporters, new members are always welcome and needed.

This Year's Newspaper: The Best Yet

By Amy Doherty

This year, The Regional Sound has many good contributors. However, new ideas and talents are always welcome. All students should represent all of the students' interests. We welcome replies to editorials and students' opinions about anything affecting the school or themselves. Because we have a good editorial staff, contributors shouldn't worry about their writing abilities. All contributors are equally important to the newspaper. If you have ideas, please bring them to the next Regional Sound meeting in Room 235.

Photo Club Welcomes New Members

By Diana O'Donoghue

A new year begins for Photography Club. The darkroom is open and any new members are welcome. To join you must own a camera. Some of the skills students can acquire in the club include how to develop film, make photo enlargements, and take better pictures. A contest is held at the end of the year for all photographers. Prizes are awarded and the winners of this contest will have their photographs printed in the Regional Sound. For more information about the club contact Photo Club advisor Ms. Gregoire in the library. Join the club! Join in the fun!
French & Spanish Club Off To A Good Start

By Waniia Kumar

Under the supervision of the experienced Mr. Díaz, the French & Spanish Club is off to a good start this year. Elections for offices were held at the second meeting of the year. The results are as follows: President, Tracy McCann; Vice President, Heidi Scheffler; Secretary, Maura Flynn; Treasurer, Diana O’Donoghue.

Of immediate concern to the club are the annual trips during February and April vacations. Despite the tremendous increase in costs, members have started making deposits for the seven-day trips to Santo Domingo during February and to St. Martin in April. If interested, contact a limit of fourteen people per each trip has been declared. Also, don’t get discouraged by the overwhelming costs because you can always sell candy.

Future plans include the traditional field trip to the Museum of Fine Arts and Quincy Market. Because sufficient money was left over from last year’s funds, the sale of candy will be restricted to those going to the islands. However, volunteer sellers are welcome! So, if you decide one of the club’s activities interests you, or if you are an ardent traveler longing to visit the sunny, beautiful isles... here’s your chance.

This year, The Regional Sound has many good contributors. However, new ideas and talents are always welcome. All students have some ideas they would like to share, and The Regional Sound should represent all of the students' interests. We welcome replies to editorials and students' opinions about anything affecting the school or themselves. Because we have a good editorial staff, contributors shouldn't worry about their writing abilities.

However, if you would rather save your writing for English class, there are other opportunities for you to express yourself. The Regional Sound also needs photographers, artists, cartoonist, and "public relations volunteer". All contributors are equally important to the newspaper. If you are talented in any of these areas and interested in joining the staff, come to the next Regional Sound meeting in Room 235.

If everybody gets involved, we could make this year's newspaper the best.

Herbie

He was the kid with the funny name
In the back row.
That's all I knew of him
When he moved up from Louisiana in seventh grade.
One moment he was a name,
The next an inseparable friend.
With an unequal sense of humor and optimism,
With his "wudn't" instead of wasn't
And "dudn't" instead of doesn't.
With a dependable simpleness,
An "I'm always here" smile,
Life got brighter.
Time began to fly.
Next thing we knew,
Suddenly, we were seniors.
And even taking his Volkswagen bug
to the prom,
Was history.
So much happened
In so little time.
Then again,
So much time to come.

This year was a successful year for the Bridgewater Raynham Band. Our marching band, under the direction of Paul Peterson, saw the Trojan football team to their first superbowl, and supported them all the way with their pep songs and half-time show. They also went on to perform in the Abington Jamboree, and marched through parades, two of which were rainy and windy, but they still kept the spirit. Not a Saturday morning went by that the band wasn’t out practicing for the afternoon football game.

The concert band had two Christmas concerts and a spring concert. All of these were very successful, and the band seemed to enjoy performing for the public.

Among the graduating seniors, we have trumpet player, Brian Duffy, flutist Wendi Washburn, trombonist Beth Williams, bassoonist and piccolo player Kris Hanricken, flutist Gia Volterra, baritone horn player Dean ("I Love Girls") Smith, trumpet player Jeff Brookfield, saxophone player Lisa Field, clarinet player Lisa Wallenmaier, drummer Jim McCullough, drummer Phil Cassavant, and flutist, as well as drum major, Robin MacDonald.

Participating in the Southeast District concert were violinist Jen Tufts, who also received an All-State recommendation, clarinet player Christine Tufts, and Kevin Alvarnaz.

We would like to wish all our seniors good luck in their future musical studies, and welcome all new instrumentalists who would like to join us next year.

"We Are B-R"

Under the leadership of Miss Robbins, the B-R Cheerleaders worked very hard this year. They provided cheer and spirit to our teams even on cold rainy Thanksgiving games and a very chilly superbowl.

Again, they proved a big hit at the Thanksgiving rally, and all of B-R owes a great deal to these “gals” who give us spirit even when things look glum for our teams.

Acceptance
by Robert Frost

When the spent sun throws up its rays on cloud
And goes down burning into the gulf below,
No voice in nature is heard to cry aloud
At what has happened. Birds, at least, must know
It is the change to darkness in the sky.
Murmuring something quiet in her breast,
One bird begins to close a faded eye;
Or overtaken too far from his nest,
Hurrying low above the grove, some waif
Swoops just in time to his remembered tree
At most he thinks or twitters softly, 'Safe!
Now let the night be dark for all of me.
Let the night be too dark for me to see
Into the future. Let what will be, be.'
Dedication

The class of 1986 is proud to dedicate the 1986 edition of UNITAS to Miss Martin. She has been an advisor to our class since our freshman year and has always been an inspiration and helped us all.

Miss Martin enjoys teaching at B-R. She likes “the atmosphere created between the B-R student body and faculty”. When interviewed, Miss Martin said that she has always found B-R students, and especially our class, “spirited and co-operative”. She is glad to have “gotten to know and watch the class grow”. She said “I’ve made a lot of friends in this class”.

We remember the many hours she spent with us. She was there at the car wash in 90 degree weather when we were sophomores. She helped us make floats and sell Easter bunnies. Miss Martin is a good teacher and a good friend and we, the class of 86, salute and thank her.

The class of 1986 writes to acknowledge the retirement of Mrs. Rose Bevis, fiscal secretary of the Regional District, for her twenty years of service to the Bridgewater-Raynham Community.

Mrs. Bevis was responsible for student activity accounts, the payroll, and supplies for Bridgewater-Raynham. We at the yearbook, came to know her because of the time she spent to keep track of our money, Xeroxed our checks, and balanced our receipts. She always had time to help us even when her desk seemed piled high with what must have been more important matters.

Thank you and good luck, Mrs. Bevis.

Mr. Lawrence Tufts retired in December of 1985. The Class of 1986 wishes to acknowledge the 25 years of teaching and coaching Mr. Tufts has spent at B-R.

He has inspired us both on the field and in the classroom. During those 25 years, he has come to represent the best B-R has had to offer.

We wish him a happy retirement!

GOOD LUCK
B-R
25 yrs!
Mrs. McGuire,
you're a great teacher!
When I grow up and be a teacher
I'm going to be just like you!
Never leave that beautiful
house of yours!
Sincerely,
Kelly McKenna

Mrs. McGuire,
I really enjoyed
my Journalism class this
year and working for the
Regional Round. Can't wait
for next year!
Sincerely,
Jen Jeffs

Mrs. McGuire,
I really truthfully
liked this class
& you've been a
great teacher
you might not
know it, but
I've learned a lot
like happily on
your hill
your friend
Jackie
Duffy

Mrs. McGuire,
I really enjoyed your
class this year even though
I spent most of it regurgitating. I even learned
something in your class—that your name is spelled
M-C, not M-A-C.
Love,
Eric Hickey

Mrs. McGuire,
your class was
the highlight of
my day. Let me
tell ya, I hope
you (and your
cats) live long
and prosper.
