Never tear us apart.
In the beginning of our Junior High days, we noticed a big change. We changed classes, had different teachers for each subject, had lockers, changed for gym classes, and we started to get a lot more homework.

We started thinking more about our appearance and what the opposite sex thought of us.

These were the fun years of Junior High, and this gave us a taste of what high school would be like.

We finally made it to high school and became the class of 1989. — Nothing could ever tear us apart.
FRIENDS

Think back to when we first met. How young and insecure we were. Think how we grew together; how we learned about each other. Think of all the fun we had, all the good times. Think of how the bad times just brought us closer together. But guys admit it — we had a blast — and we couldn’t have done it without each other. Friends are important especially now.

Soon we will graduate and most of us go away to college and perhaps lose touch. But there is no one who will forget our high school years — our friends and the special moments we all shared. Though it seemed inevitable. We all hope that nothing will ever “TEAR US APART!” Good Luck Seniors!!!
Sports

Sports are an integral part of B-R. They offer entertainment, enjoyment and a chance for students to excel in something other than academic.

B-R has a strong athletic program and competitive intramural activities. These programs thrive on the student's pride and will to win. This year's teams are no exception, as B-R posts excellent rosters in every field of play.
In The Classroom

The classroom, the place where so many memories were made.
Sometimes the hilarity of our incidents seems to fade.
Why this is, no one is really sure.
Maybe it’s just that we’re becoming mature.
A scary thought it’s true, the thought of having to know what to do.
In the classroom were our friends, those whom we could rely on.
And on whom we could depend.
The ones who, when we were bored, could make us laugh,
Or could help us when we didn’t know how to graph.
The classroom was a place where the teachers gave the orders.
Everything had its limits and its borders.
Now we stand on the road to our future, an unknown land.
We’re at the mercy of our ambitions, desires, and Fate’s hand.
We’ll always look back at the classroom as an asylum a refuge.
A place where we had been able to escape from the world so huge.
Special Moments

Remember those special moments those times in our past.
Remember all the people, those friendships we thought would last.
The times we thought things were hard, things couldn't get tougher.
We couldn't see what lay ahead, that things sometimes get rougher.
But overcoming the bad of course was the good.
Those times we said we couldn't and found that we could.
With the help of our friends special moments were made.
We've carried those moments with us through every grade.
As we look at these pictures we see ourselves so small.
We remember all the times we dreaded returning to school in the fall.
A new teacher, more books, and even more homework to do.
Each picture holds a moment and we can see how we grew.
Our friendships were cemented in each and every heart.
Time and distance can never tear us apart.
Now we're all leaving, the friends who've been together all along.
College and career bound, we promise to write, and we're not all wrong.

The time will come when a memory floats by, we'll be overcome by a desire to just say hi.
And we'll write to those special friends for whom we care.
The someone who'll understand the memory we need to share.
FAVORITES OF 1989

ACTOR — Tom Cruise

ACTRESS — Lea Thompson

MUSIC GROUP — Def Leppard

Guns N' Roses

T.V. SHOW — "ALF"

HANGOUT — Friend's House

COMEDIAN — Eddie Murphy

VIDEO — "Pour Some Sugar on Me"

MOVIE — Cocktail

SPORTS CLUB — Boston Bruins

ALBUM — "Hysteria"

RADIO STATION — 94.5 WZOU

FOOD — Chinese

TEACHER — Mr. Scarano

WEEKEND ACTIVITY — Partying

MOST MEMORABLE EVENT — Junior Prom
The senior class of 1989 has proven to be a truly warm, close, and unified group of friends. The relationships and tight bonds which have grown out of the experiences of the past four years are plentiful and will not be easily broken.

As freshman we entered B-R; naive, immature, and afraid. High school, once so difficult and demanding, has become but another step towards the future. Together we have grown, we have shared our joys, and mourned our losses. Now, having struggled through our final year of high school, we have grown wiser, mastered our fears, and, to varying degrees, we have matured.

The days of OCL championships and senior privileges have come to an end, but we all may rest assured that the memories and friendships fostered at Bridgewater-Raynham Regional High School will NEVER be torn apart.
DECEMBER 16, 1988

TO THE CLASS OF 1989:

CONGRATULATIONS ON ATTAINING A SIGNIFICANT GOAL.

GRADUATION MARKS NOT ONLY AN END BUT ALSO A BEGINNING.

MAY YOU CONTINUE TO LEARN AND TO GROW AND MAY YOUR DREAMS COME TRUE.

IT HAS BEEN A PLEASURE WORKING WITH YOU.

I contemplated a bunch of stupid initials and realized how little they would mean in a few years. My good friends know who they are, they were there, whisper pillows, doing camp, working in Drive-Thru, driving me to work. They made fun of my short comings, which were many, ignored my boasting and caused me to throw things and stomp away. We went to the movies, out to breakfast, and went crazy. I love you, you've kept me sane. Miss ya.

UNDERCLASS
MISS REGIONAL DANCE

This year's Miss Regional Dance capped off an excellent evening with one of the biggest attendances in recent history. A combination of dancing, music, and laughs provided for an exciting, fun-filled night. Dacia Alden was crowned Miss Regional; her court consisted of 1st runner up Bridie Ryan, 2nd runner up Gina Whiting, 3rd runner up Gwen Nelson, and 4th runner up Tina Coe.
This year's Thanksgiving Rally was one of the rowdiest and most spirited ever. The Class of '89 continued to demonstrate the spirit it has had for the past four years. As freshmen the class began changing the usual final standings and beat senior classes in spirit and decoration. This year's standings in decoration were 3rd runner-up: freshmen, 2nd runner-up: sophomores, 1st runner-up: juniors, and 1st place: SENIORS!

As usual, the cheerleaders, pom squad, band, flag squad, majorettes, and Coach Almeida made the Thanksgiving Rally a memorable success.
Christmas Party

Not even a slow start could dampen the spirits of this year's senior class. The Senior Holiday Party, despite bad directions and late DJ’s, was a joyful, exuberant occasion. Colorful costumes, merry music, and delightful decorations made for a truly festive night.
Junior Prom

Last May, the Class of 1989 held their Junior Prom at the Taunton Regency in Taunton. Our theme song was "FEELINGS OF FOREVER", by Tiffany. The music was provided by a DJ. Our Class of 89 Prom Queen was Heather Zukowski. Her court was Keri Seringa, Rheba Phillips, Shannon Flynn, and Laura Stewart. With all the dancing and good times with our friends that night, the Prom will be remembered by all of us as one of the most special time of our lives.
In Memoriam

Daniel Bernier

At times it seems so unfair
That you are there and I'm still here.
Why you and not me?
You were more than I could ever be.
Your quiet courage and strength instill awe,
For your pain and suffering few ever saw.
The memories of you can never die.
They keep you in my heart, alive.
Your gentle smile and eyes serene,
In my mind can still be seen.
Although not seen in the halls, I know you're here,
I can feel your presence in the air.
And in June on Graduation Day,
You'll still be with us in your own special way.

JCB
Dedication

Dr. George Capernaros

Dr. George S. Capernaros came to Bridgewater-Raynham Regional High School in December, 1971 from Brockton High School. While at Brockton High School, he served as a teacher in the Foreign Language Department and later became chairman of that department. He began his career at Bridgewater-Raynham in 1971 as Headmaster until he was appointed Superintendent-Headmaster in July, 1983. Dr. Capernaros graduated from Boston College in 1958, where he majored in classical languages. In 1962, Dr. Capernaros received his Masters Degree in secondary education and his Ph.D. in 1970 from Boston College.

He has been active in the Greek Orthodox Church in Brockton and is noted for his expertise in the automotive areas. The time, efforts and experiences Dr. Capernaros shared with the students and faculty of Bridgewater-Raynham will be missed. Dr. Capernaros is a wonderful individual.

Ms. Suzelle Fisher

Mrs. Suzelle Fisher, has been a member of the Bridgewater-Raynham teaching staff for eighteen years. Her specialties are Math and Computing. The classes she has taught include Algebra 1, and 2, Trigonometry, Geometry, Computer Science, Advanced Programming, Pre Algebra, and General Math. Mrs. Fisher has been active in extra curricular activities also for B-R. She was the cheerleading coach for three years, and is presently involved in the school's Computer Club. Outside of school, Mrs. Fisher enjoys aerobics, tennis, skiing, as well as many other activities.

Graduating from The University of Maine at Orono, Mrs. Fisher decided to teach because she enjoyed young adults and wanted them to enjoy math. Mrs. Fisher also has commented on this year's senior class as being the most challenging but also the most gratifying.

Mrs. Fisher, the senior class thanks you very much for all you've done.

Coach George Pacheco

When George Pacheco came to B-R in the fall of 1972, no one could have predicted the effect he would have on the athletic program at B-R. His accomplishment in the 4 sports that he has coached at B-R, namely soccer, spring track, winter track and wrestling, have made him stand out in the minds of all those people who have played on his team.

This year is the culmination of 5 years as head coach of the Boys Varsity Soccer Team. In the time Coach George Pacheco has guided his team to an astounding record of 208 wins, 48 losses, and 17 ties. He has accumulated 10 Old County League Championships, 4 Sectional appearances, and topped it off with a State Title in 1982. He has also been in charge of the spring track team for 14 years, with an OCL title in 1985 to his credit, and he has coached the winter track team for 6 years.

Coach Pacheco is retiring from coaching for a while to spend more time with his wife and 2 children. He will remain a familiar sight as a gym teacher however, and whether he will return to coaching has not yet been decided.
Sports
CHEERLEADING

Bridgewater-Raynham has always been proud of its fine cheerleading squads, and this year was no exception. Both squads did fine jobs keeping B-R’s team and fans motivated. For instance, no one will forget their dazzling displays at the Thanksgiving Rally.

Captains of the Varsity squad are Bridie Ryan and Tina Coe. The JV captain is Shannon Mello. The Varsity squad is made up of Juniors and Seniors, while the JV squad is made of Sophomores and Freshmen. The coach of the Varsity squad is Mrs. Leslie Buron and the JV coach is Mrs. Heather Richie. Both deserve thanks for another great year of B-R cheering.

Besides cheering the basketball and football teams on, the Varsity squad came in second in a state competition held at Clark University in Worcester. GO B-R!
BOTTOM ROW: (KNEELING) Deanne Moore, Tina Pacheco, Melissa Mail-
loux, Bridie Ryan, Tina Coe, Heather Zu-
kowski.

TOP ROW: (STANDING) Patty Tetrault, Kim Taft, Julie Jardim, Gretchen
Johnson, Christy Penacho, Gina Lincoln.
“This team of young men is one of the unluckiest groups I’ve ever coached,” quoted from Head Coach Frank Almeida. This season can be summed up as victorious, yet disappointing.

Though their potential was better than their record showed, it was still a very exciting season of play. The team was led by Tri-Captains E.J. O’Donoghue, Andrew McCormack, and Shawn Flaherty. Other contributing seniors were Dana Buron, Derrick Costa, Michael Mirka, Andrew McCormack, Kirk Fitzsimmons, Teddy Querzoli, Kurt Holloway, Dan Sullivan, Ed Leonard, Richard LeTourneau, Paul Doyon, Chris Trent, James Brow, Blake Feeney, and Clint Dale.

The Trojans faced a difficult season this year and focused more on a power-running backfield instead of the quick slash-running it did the previous year. A big plus in the offense this year for the Trojans was their ability to rotate two sets of backfields in order to keep their runners fresh. And behind “One of the largest offensive lines, if not the largest,” stated by Coach Almeida, the Trojans ran well against each team they faced, which is the main play of the wishbone. Also famous for its hard-hitting defense, the Trojans literally shut down all running attacks of their opponents. Playing very intensely throughout the entire season, the Trojans finished with a 6-4 record. Although considered a winning record, it was very disappointing to Coach Almeida as well as his senior oriented team.
Boys' Soccer

As this year's season began, many people felt this was going to be a rebuilding year for the Trojans. To everyone's surprise the Trojans went 17-2-2 and captured their ninth O.C.L. title in ten years.

In tournament play the Trojans made it to the South Sectional Finals, losing in a four sudden death overtime thriller.

This year's team was led by OCL all-stars such as: capt Jeff Cloutier, capt Chris Fisher, capt Matt Mullen, capt Jason Hammond, Kevin Merritt, Nathan Mangelson, Jim Forsberg, and Joel Thompson. Also playing well for the Trojans were Seniors capt Chuck Ghelfi, Themie Karavites, Evan Zides, Marty Olsson, Todd Pilling, Tim Almeida, Todd Undzis, and Scott Dolan.

The Trojans finished with an impressive record rivaled by the 6 goals they allowed all season. This season was an extra special one because it marked the end of the illustrious 15 year career of Coach George Pacheco, who during this season, surpassed the 200 win mark. 1988 marks the end of the B-R soccer dynasty under the realm of Coach "Checo".
GIRLS' SOCCER

This Girls Soccer Team had another terrific season. They finished the season with a record of 18-1-2 and an OCL Championship.

The team was made up of experienced girls who had played together for 3 years. The 10 senior girls harmonized with each other because they had been together on teams prior to high school. Losing valuable players last year, the lady trojans were not expected to go far. With a positive attitude and a great deal of hard work they came together to form a tremendous defense, a skilled and penetrating midfield and an aggressive front line.

The loss of 8 starting seniors and a total of 10 graduating seniors leaves Coach Heslin with big decisions and numerous holes to fill in the line up.

The team would like to thank the seniors who have carried this winning team these past 3 years and were essential to the success of the team.

Captains Charity Flynn, Jen Cedrone, Tiffiny Hutson, and Keri Seringa wish the team of 1989 the best of luck next season.
FIELD HOCKEY CAPTURES O.C.L. TITLE

For the first time in eighteen years the B-R Field Hockey team captured the Old Colony League title. The team was greatly supported by all members. Outstanding senior players were Kerri Casciato, Shannon Flynn, Sue Swartz, Jill Linhares, Donna Fulmore, Aimee Towey-Mitchell, Adele Pelton, and Crystal Lindsey. All Star captain Cheri Rice held the team strong in net, while All Star captain Catherine Hutchinson was the backbone of the trojan defense.

The team finished their season with a 8-1-6 record. They beat Hingham for the first time in eight years, and qualified for tournament play.

The team was held together by coach Joan Casabian, who received the Coach of The Year Award in the Old Colony League. Congratulations to all, for a season well played.
GIRLS’ CROSS COUNTRY
For the First Time in B-R’s History . . .

This year’s girl’s cross-country team, coached by William Jennings, were OCL champs with a 7-0 record. The girls won the all-league meet, also. Mr. Jennings’ good coaching brought this team from a 0-8 record 3 years ago to a 7-0 record this year. The team was led by Sophomore Christina Brown and Senior co-captain Tammy Drysdale. There were strong showings by Freshmen Kim Robbins, Amy Harman, Ursula Bennett, and Sophomore Samantha Bennett. Senior co-captain Lori Brown rounded out the top seven for B-R, with Johanna Rapp close behind. Seniors Diane Martin and Jen Wasti, along with Mindy Chew and Christine Gettmann finished the line up for the girl’s cross-country team. The girls placed sixth in the Catholic Memorial and the South Shore Principles Meet. They had the best season ever in B-R’s history for cross-country. With most of the team returning next year, they have a good chance to capture the OCL title again. We wish them the best of luck in their quest.

Good-Luck!

Boys' Cross Country

This year the boys' cross country team did very well despite their record and lack of seniority. They as a team set a good example to those that give it their best shot but don't always come out on top. The members of the team were captain Mark Homer, Scott St. Germaine, Eamon Weinheimer, Brian Nichols, Tony Ropoza, Ralph Eddy, Greg Rivers, George Conefrey, and Mike Moriella. Hopefully, the depth and experience of this very young team of fine athletes will enjoy a winning season in the future. Good Luck!
Golf

During the entire season the B-R golf team was a strong contender for the league title, but finished behind Marshfield for the second consecutive year. Consistent performances by senior Captain Sean Turner, juniors Steve Colford and Bill Hewitson, and sophomore Mark Reilly, paved the way to many big wins. Fine scores by Paul Richards and Chris Leal, junior Dan McGovern, and sophomores Sean McGuire and Greg Blaney often keyed important victories throughout the season. With many important young players the returning B-R golf team should be one of the league powers for many years to come.
This year's gymnastics team had a very successful year. With a record of 4-1 and a record breaking score of 115.7. The team was lead by senior captains Teri Lemon and Tina Pacheco. Special thanks goes out to Jen Sniger. The team is looking forward to a good showing in sectionals and Teri and Tina are looking forward to Individual States. Thank you to coach Bill Pacheco.
This year's wrestling team surprised everyone especially Marshfield, by winning the O.C.L. championship. The Trojans finished with an overall record of 17-3, 6-0 in OCL play. B-R brought the title back home behind an overpowering set of tri-captains, Ted Querzoli, Rob Panza and Sean Corbett. Other seniors were Kevin Merritt, Dave Shaw, Mike Grady, Matt Sale, Themie Karavites and Bill Lanahan.

Next year's team looks to continue the winning tradition with returning members Lionel Bella, Sean Maloney, Jason Zutaut, Jon Kish, Jeff Hathaway, Paul McCormack, and Tony Olivedessa.
Boys’ Basketball

This year’s Varsity Boys Basketball Team went short in the win column, but long in the hustle category. Led by Senior Co-Captls Brian Bicknell and Kirk Fitzsimmons with support from Robert Martin, Evan Zides, Jon Baacke and exchange student Alfonzo Musito, the Seniors took the floor every game and gave their all. The Junior members of the team helped compliment the squad led by Gregg Burstein, Jeff Bisio, Steve Colford, Ryan Donovan and Chris Cobett: With the help of Sophomores Jason Hagloff and Jeremy Ashcraft, these boys rounded out the starting five.
GIRLS' VARSITY BASKETBALL

This year's girls' basketball team won a third OCL Championship, a South Sectional Championship, and a trip to Boston Garden to play in the Eastern Massachusetts Finals. The team finished with an astounding record of 22-2-0 under Coach Gerry Cuniff.

Hockey

Led by tri-captains and OCL all-stars Chris Lynch, Sean Turner, and Jon Sarno, B-R’s hockey team had a successful season this year. Despite compiling a 5-10 record, the team was very competitive in the always tough Old Colony League. Juniors Chad McMahon and Mark Barry also had strong seasons. Also contributing to this year’s team were: juniors Dave Gabriel, Sean Poliseno, Derek Jenesky; sophomores Jim Lemansi and Dean Gouveia; and freshman Everitt Gouveia. B-R should be very competitive in years to come.
Girls’ Winter Track

The Girls’ Winter Track Team had a tough season this year with a 2 and 3 record. Despite the tough season, Captain TIFFINY HUTSON and Sophomore CHRISTINA BROWN went undefeated in the league meets this year. Captains Lori Brown and Tammy Drysdale also had a good season. The 4 by 440 relay team, made up of Tammy Drysdale, TIFFINY HUTSON, CHRISTINA BROWN, and Beth DOHERTY, broke the school record. The team had other strong showings with AMY MICHAEL in the shot put. Since most of the team will be returning next year, it should be a promising season.

WINTER TRACK

The winter track team had an exciting and competitive year as they ended the year with a 1-4 record. Lead by Captain EJ O'Donoghue and Todd Pilling the Trojans began the season with enthusiasm. The running events were lead by Scott Winnail, Eamon Weinshimer, Todd Pilling Chris Ghelfi, Paul Gittens and John Susi. The field events were controlled by EJ O'Donoghue, Mike Mirka, Paul Doyon and Mike Donovan in the shot put. The high jump was led by Scott Winnall, Brian Barthell, Greg Cabral.

The team is looking for an even more competitive season next year.
Girls’ Softball Team has best Season in 17 years!

The 1988 Girls’ Softball team had a terrific season. They were lead by Senior captains Tina Murray, Sue Quinn, and Kelly Stevens. Coach Dillon carried his Lady Trojans to an 11-7 record which gave them their first tournament berth in 17 years. Everyone on the team played an important factor in their winning season. Junior first baseman Cheryl Tebou gave the team a solid year, leading the team in batting and being named to the all-star team while junior pitcher Keri Seringa was a star on the mound. She pitched most of the games for the Trojans. She was also named to the O.C.L. all-star team. Juniors Heather Zukowski, Cheri Rice, and Lori Smart all had a fine season. Zukowski played centerfield, Rice played right field, and Smart filled in both on the mound and in the outfield. Freshmen Kristin Perry and Chris Silva gave the team a great season, playing outfield and second base respectively. Other contributors to the team were Melissa Mailloux, Katie Donnelly, and Amy Aho.

Next year’s team will be lead by tri-captains Keri Seringa, Cheryl Tebou, and Heather Zukowski. They have high hopes for their 1989 season with many returning key players, and with some new faces coming out for the team. Best of luck to the 1989 season!
BASEBALL

The season was dedicated to Kevin McKenney. With the leadership of the Seniors the team won the Old Colony League Championship. They won their first two games in the State Tournament before losing in the semi-finals. It was a total team effort with the main goal being achieved.
GIRLS' SPRING TRACK/FIELD

The 1989 Girls' Spring Track/Field team can only hope to do as well, if not better than, last years team.

The girls started last season off on the right foot by tying the tough Randolph Blue Devils. We will definitely miss the only two seniors on last years team. Liz Wynn, a standout athlete, who would always guarantee at least two first places—high jump and triple jump. Kristen Worcester also added many points for the team. She ran in the 400m, 4x1 mile relay, and the triple jump.

Returning seniors and two year captains Tiffany Hutson (known widely for her speed) and Tammy Drysdale (who qualifies every year for states) will lead their team to a successful year along with fellow senior captains Laura Stewart and Lisa Ferrari.

Other outstanding seniors returning are: Lori Brown, Tina Pacheco, Jen Wasti, Jill Linhares, Kerri Casciato, Donna Fulmore, Sue Swartz, Shonna Lappin, and Shannon Flynn. Good-Luck class of '89!

Boys' Spring Track

Last years team had a successful season with a record of 4-3. The trojans were led by tri-captains Mike Gallagher, Chris Moscardelli and Chris Washburn. Other important members were Mike Moran, Jimmy Streeto, Brian Barthel, and Dale Harris. Dominating weight men were Derrick Costa, Dave Shaw, E.J. O'Donoghue and Kenny Bollin.

This years team hopes to capture the O.C.L. title with many returning participants.

Coach Pimental.

Boys' Tennis

The 1988 tennis season proved to be one of the most exciting in years. The team placed third in the OCL. What was most surprising though was the team's performance in the state tournament. It advanced to the third round only to be barely defeated by arch rival Marshfield, 3 to 2. This year the team is out for revenge. It will be anchored by six returning seniors, all with much experience. Look for a great year with Paul Richards, Jason Ellis, Warun Kumar, Rob Rapp and Chris Lynch to lead the way.

GIRLS' TENNIS

The 1988-89 girl's tennis team promises to be a tough competitor to rival schools. Led by Seniors, Cathy Hutchinson and Lauren Mathews, they hope to improve on last years tennis season. Their main goal is to once again make it to tournament. As a result of losing only a fraction of the team's seniors, the girls have great potential,
WHAT SWIMTEAM?

Yes we do have a swim team, sort of. Kendall Landry and Bethany Williston have been representing Bridgewater-Raynham for the past four years. They have gone to sectionals and states, placing very well every year.

In order to qualify for sectionals and states they had to take time out of their schedules. They had to go to other high school meets to make times needed to qualify.

Bethany swims privately for a United States team called the New England Barracudas. She practices six days a week. Bethany is a distance and stroke swimmer. Her best events are the 500 freestyle and 200 individual medley.

Kendall also swims six days a week and on a United States swim team called the Coastal Swim Club. Kendall specializes in sprints. Her best events are the 50 and 100 freestyle.

Freshman year they started to become friends, forming a swim team to their best ability. Through the years, becoming better friends and fighting for their jackets. Now in their senior year they are good friends and proud of what they have accomplished. They hope that someday in the future the school will find the funds to form a real swim team.

To my greatest inspiration and instructor, you have my undying thanks and gratitude for all you've done. You are a truly remarkable person both in and out of class, as a teacher and as a friend. Sometimes teachers are just that—teachers is the human-ness you put into your teaching, the one-on-one contact that makes you equal, along with your incredible energy you should beautifully proud of yourself. You give teaching a good name. Keep up the great work! I'll see you soon.

Mr. Potts

Weightlifting Club

The Bridgewater-Raynham Band once again enjoyed a very successful year under the direction of Mr. Paul Peterson and Mr. James Voto.

Throughout the fall, the Marching Band performed at all of the football games. The crowds were entertained by a halftime show consisting of four songs. One number, On Broadway, featured seniors Jeff Cabral (tenor sax) and Katie Swarce (Clarinet) in solo combination. The audiences responded well to this jazzy piece.

The band performed in the Tri-Town Veterans' Day Parade, the Taunton Christmas Parade, the BSC Homecoming Parade, and the Memorial Day Parade. The band also performed in the Abington Jamboree, receiving an evaluation after an excellent performance.

Seniors Stephanie Alley, Tina Bassett, Jeff Cabral, Chris Jolicoeur, Jim Nispel, and Rob Tatro were a major part of every performance. Two seniors were given positions of leadership. Kevin Chouinard acted as the band's Drum Major, while Katie Swarce took on the task of Performing Drum Major. These two were instrumental (no pun intended) in the organization of the band and the drill itself.

The close of marching season gave way to Concert Band, a period to concentrate on technique and style. Senior Katie Swarce participated in the Southeastern District Festival, receiving an All State Recommendation for her excellent performance. Other members worked hard for their S.E.M.S.B.A. auditions in January, growing musically and competing with other talented musicians from the area.

The Concert Band also took on a new aspect this year. Several ensembles, such as a saxophone quintet and flute trio, were formed and played at various concerts around Bridgewater. The band is very proud of the work these ensembles put in and would like to express its thanks. The full band performed a Christmas Concert at B-R, and a Pops Concert in the Spring, while also performing at both Junior Highs to nurture musical interest in future B-R students.

Finally, the entire B-R band would like to express its deepest thanks to BRAHMS for the hours of dedication and support that parents showed throughout the year. I would also like to express a great deal of optimism for next year and wish the graduating seniors the best of luck in the future.

Junior Miss

The Greater Bridgewater Junior Miss Competition was held in November of 1988. Young ladies from Bridgewater, Raynham, and West Bridgewater competed against each other for scholarships and cash awards. The girls were judged on a personal interview, physical fitness, talent, academic records, and poise and appearance. Eight girls from B-R participated. They included Lisa Ferrari, Julie Jardim, Terry Lemon, Tina Pacheco, Lauren Picard, Julie Sergio, Kerry Seringa, and Heather Zukowski. All of them did a great job in representing this school. The finalists include: Lisa Ferrari, third runner-up; Kerri Seringa, second runner-up; Julie Sergio, first runner-up; and Tina Pacheco, 1988-89 Greater Bridgewater Junior Miss.

Dear Mrs. McGuire,

Thank you very much for my card and this entire year. I loved writing for the paper and I'll be sad having you as a teacher. You're different, but good.

I'll be back next year to visit, but until then, wish me luck! I'll miss you.

Love,
David

P.S. I'm looking forward to having you as a next door neighbor, neighbor!
