S-R Class of 90

Never say goodbye
NEVER SAY GOODBYE TO YOUNGER YEARS

Through the years we have grown up and grown together. We have made special friends and shared special memories. From grade school to our last year here at B-R, we have all become more than just classmates; we have become a special part of each others’ lives, and now that it is almost time for all of us to go our separate ways we know we can NEVER SAY GOODBYE!!
TO FRIENDS
Over the years we have grown together, grown apart, and grown together again. Through good times and bad times, we have shared laughter and tears. We will always remember the new friends we made in high school and the friends we have kept throughout elementary school and junior high.

No matter where graduation takes us, we will NEVER SAY GOODBYE to the memories our friends have left us with — memories we will carry in our hearts for the rest of our lives.
Over the past four years, our class has been the main force behind numerous O.C.L. Championships. However, we all know winning isn’t everything. The friends we made and the bus rides we shared will remain in our minds long after the banners fade.

Whether you were a player or a devoted fan, you have been a part of the B-R sports experience. NEVER SAY GOODBYE to the memories of the Boston Garden, the hard practices, and the fun had by all.
We learned much from the teachers at B-R. They not only taught us academically, but also socially. We learned how to work independently and with others in group situations.

We met most of our close friends in our academic classes. Those people we spent time with each day became our best and closest friends. I only hope we NEVER SAY GOOD-BYE to all these friendships made over the last four years.
Since we’ve been together, we’ve had special moments, times we will never forget and we will always treasure. From the early years of junior high to our final year together as seniors, these moments will always stand out in our minds.

Whether it be our first dance, eighth grade graduation, or the prom, we have spent times together that we hoped would never end. As we go our separate ways, we hope to always remember these moments. In the future, an expression, an event, or even a laugh will trigger our memories to recollect our years together. For we can never say goodbye to our special moments.

Mr. Edward J. O'Donoghue
Superintendent — Headmaster

Dear Graduates:

Congratulations to each of you!

May the educational, social and psychological development you have experienced at B-R serve you well as you continue the life-long process of learning. Your achievements have not gone unrecognized. You have earned your diploma. It is our hope that your talents will be used to improve the world we live in.

Best wishes,

Edward J. O'Donoghue

JUNIOR MISS

The 1990 Greater Bridgewater Junior Miss pageant was enjoyable for both the participants and the audience. Each contestant was judged on her scholastic record, poise and appearance, physical fitness, creative and performing arts, and a judges interview.

B-R had nine participants, including Laura Casey, Julia Saccocia, Adrienne Kravitz, Cynthia Robbins, Megan Moran, Amy Donovan, Colleen Flanagan, Brenda Johnson, and Tracie La Forrest. Bridgewater-Raynham girls took three out of the top four places. The winners were third runner up Adrienne Kravitz, second runner up Megan Moran, and the 1990 Greater Bridgewater Outstanding Young Woman of the Year, Miss Amy Donovan.
DIV. 1 STATE CHAMPS!!!
RALLY!!

Bridgewater-Raynham’s annual pep rally was again a rousing success! The cheerleaders put on another great show, the decorations were outstanding, and the pep talks from students and coaches inspired the football team. Our school band got everyone in the spirit to win, and the pom and flag squads demonstrated their original routines for all of us. The decoration contest was won by the senior class (of course) with a good effort shown by the sophomores and juniors. 1993’s class has three more years to get into the swing of things, fortunately! The rally was concluded with the football team’s cheering along with the cheerleaders and Mr. Almedia’s timeless question, which we answered at the Taunton-BR game: “Who’s going to win? We are!”
This year's Miss Regional Dance was a night filled with excitement, fun and laughter. An impressive turnout provided for an event enjoyed by all. This year we voted for not only a new Miss Regional but also Mr. Regional as well. Dave Morewick and Melissa Mailloux were crowned Mr. and Miss Regional. Jeff Allen and Patty Tetreault were 1st runners up. Arthur Henderson and Lori Rosenfield were 2nd runners up. Jeff Forsberg and Leslie Deandrade were 3rd runners up and Eddie Benton and Jen Prophett were 4th runners up. Congratulations to all of the winners!!!
For those who came, this year’s senior Christmas party was a blast. Elves, clowns, Christmas trees, cave people, Laverne and Shirley, Raggedy Ann and Andy, and other costumes helped get us into the holiday spirit. Music and dancing made the night a good time for all.
Where's the party
MRS. HELENJEAN M. PARKER

Mrs. Helenjean Parker began her teaching career in the Mansfield Public Schools. She came to Bridgewater-Raynham in 1973, teaching Adult Living Classes part time. Soon she was a full-time B-R teacher.

By making us feel comfortable in class, she brought out the best in us and taught us to accept responsibility for our actions. We thank Mrs. Parker for her many years of dedication and compassion and wish her a happy and rewarding retirement.

MR. JOHN B. PARKER

Mr. John B. Parker retired in December after 26 years at B-R. The class of 1990 remembers Mr. Parker as our fair-but-firm Assistant Headmaster. However, Mr. Parker first came to B-R in 1964 as a math teacher and head football coach. He led B-R to the OCL Championship in 1970, the first ever for the school.

In 1971 he became Assistant Headmaster. He was always available to both teachers and students and upon his retirement has left behind a host of B-R friends.

We all wish him a very happy retirement, a richly deserved reward after his many years of dedicated service.
For the past twenty-four years, Mr. Fisher has taught at Bridgewater-Raynham. As head of the Business Department for the last eighteen years, he has been an inspiration to all of his students. As a business teacher he has taught us many skills including the art of managing money. He has also taught important skills of typing to many students.

Along with his academic career, Mr. Fisher has also played an important part in B-R athletics. He has been coach of the Girls’ Varsity Tennis Team, the Boys’ Varsity Tennis Team, the Boys’ J.V. Basketball Team, and the Boys’ Varsity Basketball Team over these past twenty-four years.

Mr. Larry Fisher has been not only a teacher and coach for many of us, but also a friend. The advice we have received from this man will forever remain with us, and we plan to use it in the future. As the graduating senior class of 1990, we would like to dedicate our yearbook to Mr. Larry Fisher.

CHEERLEADING

Bridgewater-Raynham has always been proud of its fine cheerleading squads, and this year was no exception. The squad did a great job keeping B-R's teams and fans motivated.

Captains of the Varsity squad are Christie Penacho and Patty Tetreault. The Varsity squad is made up of seniors, juniors, and sophomores. The coach of the Varsity squad is Mrs. Leslie Buron. She deserves a big thank-you for all the time she put into the squad.
B-R Football Closes in Style

The 1989 B-R Trojan football team clamped down this season to earn a hard fought 4-3 record in the Old Colony League and a gratifying 27-0 pounding of Taunton in a snow-delayed Thanksgiving strife.

The Trojans coped well to the loss of a powerful class of '89 crop. B-R was captained this season by Jason Zutaut and Manny deCastro.

Other seniors offering vast contributions to the Trojan cause were Mark Barry, James Keay, Steven Welby, Richard Dahill, Chris Smith, Lionel Bella, Kevin Soucie, David Estrella, Peter Moquin, Adam Chase, and Greg Burstein.

Junior quarterback Peter McGlaughlin had an excellent varsity season and Dean Gouveia, Chris White, Mike Donovan, and Paul McCormack, also juniors, enjoyed equally effective campaigns.

B-R's overall record was 4-5-0 in this season of transition. Victories were achieved over Hingham, Taunton, Weymouth South, and Silver Lake by this Frank Almeida coached team.
TOP ROW: Coach Frank, Billy Ryan, Chris Pike, Charlie Cantave, Eric Lawson, Mark Fisher, Joel Thompson, Deval Pedro, Jerry Flanagan, Coach Crane. MIDDLE ROW: Jason Hagloff, Jeff Jones, Jim Forsberg, Nathan Mangleson, Jason Hammond, Matt Mullen, Paul Gittens, Tim Cloutier, Chris Ghelfi. BOTTOM ROW: Mike Ford, Mark Santos, Chris Jedson, Eric Moore.
BOYS' SOCCER

The 5-6-5 record of the Boys' Soccer team does not show the hard work and effort by the team. Each game was an evenly played match. Senior members were: Cpt. Jason Hammond, Cpt. Nathan Mangleson, Cpt. Matt Mullen, Cpt. Jim Forsberg, Paul Gittens, Jeff Jones, and Craig Holloway. With talented underclassmen, the team hopes to rebuild to a strong team next season.
GIRLS' SOCCER

The girls' soccer team finished with an impressive record of 10-5-4. The five returning seniors led a young team all the way to the South Sectional semifinals against Newton North. Captain Jen Mead completed a record-breaking career as goalie, and captains Kirsten Eckman and Kristen Morast led the team at midfield as well as in scores and assists. Kristin Cunningham and Katie Donnelly contributed experience and talent. Under Coach Heslin, the Lady Trojans upset Whitman-Hanson and Plymouth in the most exciting games of the tournament. They had a great season, going farther than anyone expected.
FIELD HOCKEY

The Trojans field hockey team ended their season with a record of 12-3-1, which gave them a close second place finish to Old Colony League winning Hingham. The team coached by Joan Casabian, with leadership from captains Amy Donovan and Karen Peabody, proved to be both strong defensively and offensively. The season proved to be one of the highest scoring seasons ever. Senior players for the varsity offense were Paula Cabral, Renee Ladouceur, Kim Lucius, Nicole Tavares, and Vanessa Villegas. The defensive line up also returned with Amy Donovan, Adrienne Kravitz, and Karen Peabody.

With the team's outstanding record and play, many members received special recognition. Players who earned honors outside of the school were Paula Cabral, Amy Donovan, Kim Lucius, Karen Peabody, and Vanessa Villegas. The team had a great season and hopes to continue its record next year under the leadership of elected captains Darcy Hubbard and Elise Linhares.

Congratulations on a great season and good luck next year.

Boys' Cross Country

The Boys' Cross Country team had a tough season this year with a record of 2-5-0. Under the leadership of captains Gregg Rivers and Mark Homer and coach Bill Jennings, the boys worked hard and hope to come back next year with strong running from Eamon Weinheimer, Scott St. Germaine, and Mike Moriello. Good Luck!
The Girls' Cross Country team had an impressive year this fall. Despite the fact there were no senior members on the team they put up good fights for their opponents. Junior captain Christina Brown kept her record up to its usual high standing. Strong running from Joanna Rapp, Amy Harmon, and Brown will provide the team with another great season next year. Good luck!
For the third consecutive year the B-R golf team finished in second place behind Marshfield in the Old Colony League. The team was led by seniors Steve Colford, Bill Hewitson (captain), and junior Mark Riley. Senior John Holt finished the season with an undefeated record. Strong performances by juniors Sean MacGuire, Greg Blaney, and Sophomore Rich Rumrill provided strength in the middle of the lineup. A hole in one by Blaney highlighted this successful season for the Trojans.
The 1989-90 BR gymnastics team had a really exciting season this year. Despite the loss of two of last year’s top senior competitors, the team did surprisingly well. Coach William Pacheco was faced with a tough challenge — rebuilding a new team.

Although no one knew what to expect, with the constantly strong routines of Bill Pacheco, steady scores by the team’s two seniors, Jen Holmes and John Medeiros, and the style of all-around Jen Kelly and Jessica Cipriani, a strong team began to emerge. Other important competitors were: Jennifer Bessette, Earl Marsh, Cheri LaForest, Julie Mendonca, Amy Hanson, Danielle Piquette, and Kristen Lane. First-time routines were performed by: Nancy Nealt, Amy Cyr, Anna Elkevich, and Amy Reardon. With hard work and dedication by everyone, the team finished the season with an impressive record. In the O.C.L. all star meet, Jessica Cipriani scored third place on beam, and Billy Pacheco and Jen Kelley received all star recognition. Over all, the team came in second in the meet. To the coach’s proud astonishment, the girls and guys of this team once again displayed the style that makes BR what it is.
BR WRESTLING

The wrestling team finished the season with a 4-2-1 OCL record. Seniors Lionel Bella, Kevin Soucie, and Jason Zutaut helped Coach Stan Holmes maintain B-R's winning tradition. Zutaut and junior Paul McCormack both finished 3rd in the state in their respective weight class. CONGRATULATIONS!

Basketball

This year's boys' basketball team surpassed many expectations by becoming a top contender in the Old Colony League. The Trojans were led by the hard work and leadership of seniors: Greg Burstein, (capt.), Steve Colford (capt.), Ryan Donovan (capt.), and Jeff Bisio. The Trojans were also helped by an up and coming group of underclassmen. Congratulations to the team and Coach Fisher for an excellent season.
Girls' Basketball!

This year, the Girls' Trojan Basketball team continued to lead the OCL with help from seniors J. Mead, K. Morast, K. Eckman, K. Cunningham, K. Lehtola, and J. Skinner. They continued to top the league with their fourth consecutive championship year. With great back up from underclassmen T. Bollin, B. Dedominici, J. Stewart, K. Lynch, and A. Clark, the girls' team should continue their great play in the future and hopefully go on to another undefeated year.
Hockey

The boys' varsity hockey team finished 8-7-2. Senior captain Mark Barry, Derek Jenjesky, and Chad McMahon led the Trojans to their first winning season the team has ever had. Other contributing seniors were David Gabriel, Bill Hewitson, Mike Lawson, John Owen and Sean Poliseno. An all around great performance by Jim Lemanski, Everett Gouveia, Luke Pareigis, Jim Gleason, and Joe Garafulo also helped the team. Great congratulations goes to Coach Pat Grasso and Assistant Coach Rick McGaughey for their first winning season. Special thanks goes to Brian Rousseau for his loyalty and dedication to the team.
Winter Track

This season was disappointing, but there were a few highlights. This year the boys have a new coach, Mr. John Manning who took over for former coach George Pacheco. Individually for B-R, there were great performances by Jon Pilling, Mike Donovan, and Dave Querzoli in the shot put. In the 300 yard run Paul Gittens took first place in the league. Other strong performances were by Jason Hammond (high jump), John Susi and Eamon Weinheimer (2 mile), Sean Moran (50) and the 4X1 lap relay team of Adam Chase, Sean Moran, Brett Sego and Paul Gittens.

Although the team’s overall record was 1 win and 4 losses, the team finished 5th in the league, but in the OCL meet B-R surprisingly finished 3rd. Next year B-R wants to put all of their individual performances together for a team title.

The girls' track team had their best season ever this year, ending with three wins and two very close losses.

Excellent performances highlighted the season. Christina Brown had a sensational season in the 600 yrd. run and Amy Harman broke the school record in the Two Mile. Jen Delmonte and Jonna Tufts led the hurdles and Christine Gettman consistently placed in the mile. Amy Michael did very well in the shot put and freshmen Beth Phanuef and Linda Baptista show promise in the 1000 yrd. and 300 yrd. runs. For the second year in a row, the mile relay team ran undefeated. This year, it was made up of Jonna Tufts, Heather Silvia, Beth Phanuef, Christina Brown, and Alt. Serena Salvo. Two girls went on to the state meet at Harvard, Christina Brown (600 yrd) and Amy Harman (two miles).
The B-R Softball Team hopes to have a good season this year under the leadership of Captains Melissa Mailloux and Hillary Gregg. With the experience of returning seniors Katie Donnelly, Amy Aho and Jen Mead, Coach Dillon believes a winning streak will evolve.
B-R Baseball Keeps Winning

The 1989 B-R Trojans baseball team, coached by Stan Holmes, enjoyed a successful 12-8 winning season overall and a respectable 2nd place finish in the Old Colony League.

They were led by class of '89 seniors Andy McCormack, a superb left handed pitcher, Blake Feeney, B-R's all-state shortstop, catcher Chris Lentini, outfielder John Sarno, and infielders Sean Turner and Evan Zides.

Members of this year's senior class who played a major role in the Trojans' success were Steven Colford, David Beers, Jeff Bisio, Linn Livesy, David Estrella, Peter Moquin, and Daniel McGovern.

Other contributors were Mike Hilchey, Mark Reilly, Sean McGuire, and Marc Harris.

BOYS’ SPRING TRACK
GIRLS’ SPRING TRACK
The B-R Boys' Tennis Team faces a challenging season as most of their top players graduated last year. However, with the experience of Captain Greg Bursteina and the talent of seniors Kevin Hellmuth, Jon Hickey, Mike Cote, Derek Jenesky and Dave Gabriel, they expect to match the success of last year.
The B-R Girls' Tennis Team is hoping to have a winning season under the leadership of captain Kate Lehtola and seniors Kris Cunningham, Kirsten Eckman, Renee Ladouceur, and Paula Cabral. Coach Nawlicki believes that with the experience of the team, they will be a threat in the Old Colony League.
Foreign Language Club
by Amy Harman

The Foreign Language Club is off on what promises to be another successful year. As in previous years, they will be making two major trips. During October 27-29 the club will make a trip to Canada. A trip is also planned to Santa Domingo during February vacation.

In addition to these trips, the club will hold its annual Christmas dinner and possibly go on a field trip to the Boston Museum of Fine Arts in the spring.

Mr. Diaz is the advisor of the club and is always willing to greet new members with a cheery “Hola!”

World Affairs Club Raises Almost $3,000

The World Affairs Club raised an unbelievable $2977 at their auction on October 25th. The students plan to take part in the Harvard Model U. N., The Harvard Model Congress, and the Georgetown Model U. N.

They have already raised $500 for the Red Cross Relief Fund which will go towards helping the hurricane victims in North Carolina.

The ruling junta of the club include seniors Amy Donovan, Kim Lucius, Deanne Moore, Mark Homer, Amy Chang, and Nicole Handricken, and juniors Mark Reilly, and Patty Pimental.

Science Club Plans Activities

This year’s Science Club hopes to venture on three field trips. One will be to the Museum of Science in Boston, another to a beach for an observation of a seashore eco-system, and a third is yet to be decided. The Science Club had an outstanding turnout of over thirty science-interested students and is led by faculty advisor Mr. David Chickran.

This year the officers include President Davie Querzoli, Vice President Elise Linhares, Secretaries Meghan Phaneuf and Kristen McKenna, and Treasurer Darcy Hubbard.

With all the events of the winter activity? The Ski Club, and Loon Mountain start to be an expert to enjoy. There are also skis open by The Ski Club, the members, making it probably be sold later. B-R, have a ski snow!!!
SADD Members
Spread the Word
by Renee

The Students Against Drunk Driving have
very active this year. Their purpose, of course,
prevent students from drinking and driving. One way
that the members of SADD have tried to spread the
word is through the red ribbon campaign. SADD
members hope that these ribbons on the cars will
be a reminder to students to reconsider their condition
before driving.

The organization's next project will be the distri-
bution of the contract for life. This contract will
be given to each student on his or her sixteenth birth-
day as well as to those students who have already
received their licenses. The SADD members hope
students will sign this contract with their parents,
remember, if you're ever in a situation that makes
you skeptical about your condition, find a safe ride home.

Ski Season is Here

Now we have, aren't you in the mood for
skiing! The school ski club is getting set
for the 11 day trips which begin with a trip to Waterville Valley
for the 5 weekly lessons on Wednesdays to Blue Hills
from December to March. If you don't know how to ski - learn! You don't have
to be a pro - to learn. Ski rentals are offered through the school. There are
day trips which run from December to March,
and the club has about 200 members.

Enjoy the enjoyable ski season. "Let it snow, let it snow..."
The Bridgewater-Raynham Band has enjoyed a very successful year under the direction of Mr. Paul Peterson and Mr. James Voto.

During the fall the marching band was led by Drum Majors Ann McDonald and Keri Ann Learned and Drill Sergeant Bob Hart. This year they won two trophies. They received first place in the Day Parade and second place in marching at the Taunton Christmas Parade. The band also performed in the BSC Homecoming Parade, and in The Memorial Day Parade. In the Abington Band Jamboree the band received a great evaluation after an excellent performance.

Seniors Bob Hart, Kerri Ann Learned, Kim Burrill, Ann McDonald and Dee Peters were a major part of every performance.

The end of the marching season gave way to concert band, a time where technique is very important. The band performed a Christmas concert for the school and parents and a pops concert as well in the Spring. The concert band has enjoyed a great season.

The B-R Marching Band, Concert Band, Chorus and Squads will be going to a competition on May 4-6 in Quebec, Canada. They will be competing against many other bands while they are there. The band hopes to do well and bring home a trophy.

Finally the B-R band would like to thank BRAHMS for all its support and help in preparing for our trip to Quebec. The band would also like to thank all the parents for all the support they’ve given us and wish the seniors the best of luck in the future!
