... YOUNGER YEARS

Before we entered B-R, things were different. Back then it was Badgers vs. Giants, now it's B-R vs. Taunton. The eighth grade graduation was our biggest step towards maturity. In June we face the real thing. The big social event was the Friday night dances, not it's the prom. It used to be Bridgewater and Raynham, now it's B-R.

The period of our lives before high school was so carefree. There were no state tournaments, no term papers, no car problems. Granted the four years we have spent here at B-R have been the best so far, the nine years before will always be remembered.
IN THE CLASS

Throughout our four years at Bridgewater-Raynham the classroom has meant more than academics. It has been a room filled with close friends and acquaintances that has helped us to grow and prepare for our future.

Our classrooms during these four years have given us grief, stress, panic, and boredom. Yet we coped and pulled through with satisfaction and plenty of good times.

Now it is time that we walk out the doors of our classrooms and step into a bright and happy future, wherever it may lead us.

GOOD LUCK CLASS OF “91”.
CLASS OF 1991
IN SPORTS

During our four years at B-R we have made friends on the playing fields as well as in the classroom. We supported each other through victory and defeat. Our coaches, our team mates, our fans all came to be a part of that special spirit and pride that is a part of B-R. That pride will be a part of us for the rest of our lives. This was only the END OF THE BEGINNING.
FRIENDS TILL THE END . . .

IT'S THE END OF THE BEGINNING and throughout these past four years at B-R, all of us have gone through many changes, starting from insecure, frightened freshmen, to people that are hopefully prepared to deal with the "real world".

Fortunately for most of us, friends have stuck by through these good times and bad.

As we move on in life, most of us will be heading off to college or work. We will also meet new people. But the friendships formed in high school are the ones we will never forget. All of the special times shared are ones that will stay in our hearts for a lifetime, and will serve as many memories in the future.

IT'S THE END OF THE BEGINNING when a friend is more than an acquaintance, much more than a buddy or chum. When others are too busy to help you, a good friend will always come.

A friend will stand beside you, in sunshine as well as in storm, in victory and in tragedy. Blow life's winds cold or warm.

A true friend is not found easily. It is a title earned by few. Of all the people you will ever know, real friends will number one or two.

Colleagues and cohorts will come and go. But one relationship will never end, that is the bond between you and the one, you can honestly call your friend!

It's someone who understands your past, believes in your future, and accepts you today just the way you are. Together for always, and never apart, maybe in distance, but never in heart.
The past four years at B-R have given us the opportunity to have many special times and long lasting memories. Since the first day of freshman year in the auditorium, when the class of 1991 first came together, we have shared many special times together. We’ve met new people, made new people to B-R, and have sadly seen some go. Of all the special times we’ve shared, the ones that will stick out in our minds the most will be the pep rallies, the Thanksgiving Day games, skip days, the Miss Regional dances, and most of all, the Junior Prom. But as our four years at B-R come to a close, we must remember that this is not the end of our good times, it is THE END OF THE BEGINNING.

Dear Graduates:

Congratulations to each of you. For you, this is a beginning. Bridgewater-Raynham has provided you a foundation for learning. Build on it so that you are ready to begin your lives as members of the adult community. Expand your horizons, and meet the challenge that life presents.

We all share with you a feeling of pride because of your success.

Sincerely,

Edward J. O'Donoghue

The Junior Prom was **THE END OF THE BEGINNING** of our good times. Last May we, the class of 1991, held our Junior Prom at The Taunton Regency. Our prom's theme song was "**What Does It Take**" by Honeymoon Sweet. Colleen Farland was crowned Prom Queen. Members of her court were: Lisa Rose, Lori Marinelli, Linda Gustafson, Maria Gallagher, and Katie Silva. This was a very special night, one which will be remembered by all.
THANKSGIVING RALLY

There we stood the day before Thanksgiving
All pumped up ready for a killin'.
The whole school was jam packed in the gym,
Streamers and posters from rim to rim.
Everyone stood as the earth began to shake:
The O.C.L. title was at stake.
The walls of the school vibrated all through the day
While our voices carried in a monstrous way.
The football players did their thing
While the band got everyone to sing.

MISS REGIONAL DANCE

Peter McGlaughlin and Katie Silva were crowned Mr. and Miss Regional on the night of Friday, November 16, 1990. Other members of the court were First Runner-up Todd Audyatis and Shannon Mello, Second Runner-up Christian White and Michelle Persson, Third Runner-up Paul McCormack and Laurie McGinn, and Fourth Runner-up Michael Hilchey and Kara Reynolds. The night was a great success and everyone enjoyed themselves.
Christmas Party
CAPEWAY
JUNIOR MISS

The Greater Bridgewater Young Woman of the Year pageant was especially excellent this year.

B-R had fourteen participants, including Keri Fitzpatrick, Casey Saunders, Shannon Sullivan, Marsha Itin, Elena Clifford, Megan Phaneuf, Laurie McGinn, Patty Litzen, Amy Hanson, Darcy Hubbard, Michelle Persson, Lisa Rose, Paula Worthington, and Kristy Schnopp.

The winners were third runner-up, Patty Litzen; second runner-up, Lisa Rose; first runner-up, Marsha Itin; and the 1991 Greater Bridgewater Outstanding Young Woman of the Year, Miss Michelle Persson.
Earlier this year Bridgewater-Raynham Regional High School said goodbye to two very special women: Mrs. Ruth Alexander and Mrs. Rita Nunes. Both women left their positions at B-R after many years of dedicated service.

Mrs. Alexander began working at B-R in December 1972 as a secretary to the superintendent and secretary to the B-R School Committee. In 1980 her responsibilities were expanded to include the duties of treasurer to the school committee. Mrs. Alexander also served as supervisor of the entire secretarial staff until September 1989. She officially retired from B-R last January.

Mrs. Rita Nunes began working at Bridgewater-Raynham in September 1970 in the main office and as an aide to teachers in several academic departments. From 1971 she held the position of secretary in the main office until 1975 when she became secretary to Mr. Edward J. O’Donoghue, then Assistant Headmaster. From 1989 until the end of November, Mrs. Nunes was personal secretary to Mr. O’Donoghue, Superintendent/Headmaster.

B-R will miss both women and all the support they have given to B-R over the years. We wish them health and happiness in their retirements.
The Class of 1991 takes great pleasure in dedicating the 1991 Bridgewater-Raynham yearbook to a very special teacher and friend.

Mr. Edward Cunningham came to B-R in 1975 as a ceramics and crafts teacher and an assistant football coach. In 1981 Mr. Cunningham was appointed Head of Art and Home Economics. He has retired from active football coaching but has stayed on the staff as chief scout. During his years at B-R, Mr. Cunningham has been a friend and advisor to many grateful students.

The seniors and faculty would like to say a special thank you to Mrs. Anne Orr, a chemistry-physics teacher, an adjustment and guidance counselor, and especially a friend who is always there in time of need.

Mrs. Orr has a B.S. in Chemistry-Biology, an MT, a M. Ed. in counseling, and is a certified clinical hypnologist. She has worked in hospital laboratories, college laboratories, and businesses. In addition Mrs. Orr has sponsored Alteen and Alcoholic Anonymous, has been advisor to the FTA, and secretary to the B-R Teachers’ Association.

Mrs. Orr is moving to Atlanta, Georgia, to be near one of her four daughters and her two grandchildren. She plans to work with the homeless because, “There is no reason why we have homeless in this country.” We wish her the best in her new endeavors!
IN MEMORIAM

Mr. William Pelczarski

This year Bridgewater-Raynham Regional High School was deeply saddened by the loss of Mr. William Pelczarski. Bill was a loyal and dedicated teacher in the Business Department for the past twenty years. His teaching expertise and concern for his classes allowed his students to be fully prepared for their future decisions. As advisor to the Student Council, his leadership and direction created a most influential and productive school organization dedicated to helping others and building school spirit. Bill also worked endless hours to develop a quality psychology course that would be enjoyed by many students.

Thank you for everything, Bill. You will be greatly missed, but never forgotten by your B-R Family.

OUR MEMORIES

To touch our lives in the way that he did
Was very unselfish, which was the way that he lived.
The quickness of losing him has caused us to think;
He was gone so quickly, as if in a blink.
Now we admit distance and remember the past.
Though his life was short, our memories of him will last.
Our lives go on, even though his has ended.
Now we can rest knowing his soul will be tended.

The B-R Football Team had a tremendous season in the division one O.C.L. Their record was 5 wins, 2 ties, and 2 losses. The B-R cheerleaders were there every step of the way. The team was led by senior Marsha Itin and junior captain Julie Chilgean. Shannon Mello was also a senior member as well as a key to the team. The other junior members were Astrid Dominico, Stacey Alley, Janet Dyer, Michelle Proulx, Julie Mendonca, Sherry Laforest and Dee Dee Podson. The sophomore members were Beth Ferarri, Janice Flynn, and Kristen Lane. Best of luck to the football and cheerleading teams next year.
This fall's football team was led by captains Pete McGlaughlin, Chris White, and Paul McCormack. The Trojans had a 5-2-2 record and almost won the Old Colony League Championship but fell short against Taunton in a close game on Thanksgiving. The seniors on the team were: Dean Gouveia, Dave Hunt, Brett Sego, John Kyranos, Matt McKenna, Mark Harris, Chad Gregory, Chuck Miller, Mike Donovan, Fred Higgins, Dave Querzoli, Todd Avryatis, Greg Millard, Rob Leonard, and Matt Cutter.

Other players on the team were: juniors Mike Donovan, Tim Nixon, Todd Feeney, Chris Paolini, Dan Cox, Lenny Ferrera, Jason Mitchell, Paul Baldi, Mark Rivers, Pat Pauline, Mark Ronayne, John Morrissey, and Matt Williams. The sophomores consisted of Mike Medeiros, Chris Leamy, Steve Rossacci, Ian MacKinnon, Bill Donnelly, Jeremy Hanson, Brian Davey, Justin Pike, Mark Peabody, Dave Zukowski, John Chang, Brian Hermes, Scott Pitta, and Jay Urban.
BOYS' SOCCER

The 1990 boys' varsity soccer team had a surprising season. The team, led by senior captains Joel Thomson, Jason Haglof and Tim Cloutier, finished the year with a 15-4 record. The team surprised everyone by finishing second in the OCL, and qualified for the State Tournament. Joel Thomson and Jason Haglof led the team in scoring with help from senior Gerry Flanigan and Chris Ghelfi on defense, sophomores Micheal Ford and Geoffrey Dolidon at half back, and freshman Mathew Hammond. Sophomore Mark Fisher had an excellent season in goal. Next year's team looks to be as good, if not better.

Led by co-captains Christina Silva, Kar- en Novak, Kristie Fir- min and Kristen Perry, along with seniors Beth Dedominici and Jen Shores the girls’ varsity soccer team just missed qualifying for post season play with an 8-7-3 record.

Also playing major roles in a rebuilding season for Coach John Heslin’s squad were next year’s captain elects Amy Griffin and Katie Harty and other team members.
This year’s varsity field hockey team was led by captains Darcy Hubbard and Elise Linhares, and seniors Tina Bollin, Holly Ferris, Heather Flynn, Pam Nawrocki, Kara Reynolds, and Kristy Schnopp. Entering into a new league, the girls didn’t know quite what to expect. Although the record doesn’t quite show it, (5-5), the girls had an excellent season. They finished in 3rd place in the Old Colony League, and qualified for the MIAA tournament. Their overall record was 10-7-2.

The Trojans’ offense, sparked by Kristin Holmes, Mary Casabian, Darcy Hubbard, Jenni Dwyer, and Kristy Schnopp scored a total of 36 goals. Mid-field honors go to Michele Pacheco and Holly Ferris. A key part of this year’s team was the defense led by Kara Reynolds, Elise Linhares, Heather Flynn, Tina Bollin and goalkeepers Kathy Michaud and Maura Vogel.

The Bridgewater-Raynham Boys Cross Country team has had an extremely good year. The team was headed by Aemon Weinheime, Ralph Eddy, Paul Rondelli, Tony Rapoza, Scott St. Germane, and Steve Hughes. Their record was five wins and three losses. Among the members, Aemon Weinheime, was successful in clinching All League for Cross Country.

The Girls Cross Country team did well this past season with a record of two wins and four losses. The runners are Beth Phaneuf, Amy Harmond, Christine Getman. The team is mostly underclassmen. As a result we expect an exceptionally good strong team in the near future.
The 1990 Golf Team was led by M. Riley, C. Peters, R. Rumrill, and S. Mcguire. It had a great record of 19 and 2. The team's seniors were M. Riley, S. Mcguire and J. Gray who did a great job of contributing to the team.

The B-R gymnastics team was led by captains Billy Pacheco, Jen Bessette and Julie Mendonca. The team, a fairly new one, pulled together to compete against a changed league. They strived to accomplish their personal goals, but worked well as a team. The team was supported by all-around competitors Jessica Cipriani, Jen Kelley and Jen Bessette. Amy Reardon and Kristen Lane also did their share to support the team by competing on three events each. Julie Mendonca, Daphne Adams, Amy Cyr, Nancy Neault also competed. First time competitors were Britt Erikson, Beth Litzen, Amy Waterman, and Anna Elkevich. The seniors were Bill Pacheco and Earl Marsh. Pacheco, a strong competitor led B-R with top scores on bars and vault. He also pitched in with fine performances on floor. The other senior, Earl Marsh, gave B-R consistently strong vault scores. Special Thanks to: Coach Bill Pacheco and Tina Pacheco
Captains of the 1990-1991 wrestling team were Jeff Hathaway, John Kish, and Paul McCormack. John Kish and Jeff Hathaway wrestled superbly for the team while Paul McCormack had a sensational regular season. Paul was runner-up in the Marshfield Holiday Classic. With the outstanding performances of the varsity team, Coach Stan Holmes gained his two-hundredth victory.

Promising young B-R wrestlers are Carl Gardner, Chris Paolini, Tim Nix, David Coles, Sean Dyer, Mark Donovan, David Maw, and new freshman, Peter McLean. Other seniors on the team were Chris Gori, Greg Confrey, Tom Reed, and David Bump. The team finished the season second in the OCL. Next year’s team seems to have the potential to have a good season.

The 1990-1991 boys' basketball team had a terrific season. As this year's season began, many people felt this was going to be a rebuilding year for the Trojans. To everyone's surprise the Trojans had a good record, finished second in the OCL, and qualified for the play-offs.

With a great deal of hard work and a positive attitude the team came together to form a tremendous defense. Outstanding senior players were Capt. Joel Thompson, Jason Haglof, Eddie Anderson, Jeremy Ashcraft, Greg Blaney, and Jason Souza.

Next year's team looks to continue winning with returning starters Justin Moscardelli, Richard Rumrill, and John O'Connell.

The B-R girls have surprised many people this year. After losing their starting line-up to graduation last year, the girls won a qualification for the state tournament. Tri-captains are seniors Beth Dedominici, Tina Bollin, and Jen Tomase. Other members of the team are Jessica Stewart, Kristen Holmes, Amy Clark, Tracey Ryan, Kerri Lynch, Mary Casabian, Amy Gray, and Michelle Courcy.

This year's hockey team was very young with only two seniors. Jim Lemanski had one game against Quincy when he scored five goals. Luke Pareigis scored two goals, one against Silver Lake and one against Falmouth.

Everett Gouveia, a junior, led the team in scoring with 25 goals. He had many one and two-goal games; he also had one or two hat tricks.

Gerard Meyers and Jarrod Mackinnon shared the goal tending this year. They shared starts and did a good job. The losses were one and two-goal games.

There were eight freshmen on the team including Jay O’Neil who did a tremendous job on defense in his first year.
This year's girls' Winter track team held a record of 3 wins and 4 losses. The team was led by the three captains Amy Michael, Sarina Salvo, and Christina Brown, who all kept the spirit high and the team mates cheering even on their off days. The team has grown through the past few years in quantity and in ability. The hard working team put up a strong fight to the last event every meet. Coach Wendy Wheaton is very proud as well as pleased with the star performances in each individual event. The team continued on to send a good number of competitors to the champion O.C.L. meet as well as the State meet at the end of the season. They hope to do equally well next season. Good luck, girls!
Led by Captains Mike Donovan, Eamon Weinheimer, Chris Gelfi, and Sean Moran, the boys' winter track team compiled a 3 and 4 record in the OCL.

Capt. Donovan, Dave Querzoli and Pete McLaughlin were consistent point getters in the shot. In the running events Joshua Buckley, George Conefrey, Weinheimer, Gelfi, and Moran were ushered to the winners' circle most often.

Qualifying for the State Meet were Moran in the 50-yard dash, Gelfi in the 600, Jeremy Hanson in the 1000, and Evan James in the 300.
Coach Dillon led varsity softball in a very successful season last spring with a record of 14 and 4 and qualification to the state tournament. The team was full of talented girls. Most outstanding were Carol Hogg as pitcher and Dee Walsh as catcher. Jen Mead, Chris Silva, Shannon Sylvester, Jen Gallagher, and Beth DeDominici were the team's star hitters.

This year Coach Dillon looks forward to a season just as successful. Last year's Juniors, a strong part of last year's success, will put much effort into making the team once again outstanding. Good Luck!
The 1990 B-R Trojans baseball team, coached by Coach Holmes, finished the season with an impressive record of 15-6. The team made it as far as the semifinals in state tournament play. This year's team will be returning with a good nucleus of seniors. The senior members of this year's team are M. Riley, M. Hilchey, L. deCastro, M. Harris, J. Nevens, and captains S. McGuire, P. McGaughlin. The Junior members of the team are K. Morrison, T. Feeny, B. Jennings, M. Donavan, J. McEachern and J. O'Connell. This year's team has very high expectations and has a lot of potential.
B-R’s 1990 Spring Track team ended with a 4-3 record. The team was led by Captains Christina Brown, Amy Michael and Karen Peabody. The team members that gave outstanding performances were Christina Brown, Jen Kelley, Amy Michael, Amy Harmon, Syrina Salvo, Jonna Tufts, and Beth Phaneuf. The Senior and Junior members were Karen Peabody, Jen Delmonte, Elena Clifford, Amy Michael, Christina Brown, Darcy Hubbard, and Elise Linhares. The captains for the 1991 team will be Christina Brown, Amy Harmon, and Amy Michael.
The boys’ 1990 Spring Track Team was coached by John Kearney and Bill Pacheco who said they enjoyed their season with 1 tie, 1 win, and 5 losses giving them a tie for 6th place in the league. The team was led by Paul Gittens who went undefeated in the 100 meter and 200 meter sprints. He placed second in the Class B States Meet 200 meter and 5th overall in the State.

The 1990 spring track captains were Paul Gittens, Manny DeCastro and Adam Chase. The Team ended its season with a tie against the league powerhouse, Silver Lake. Next year’s captains are Jeremy Ashcraft, Mike Donovan and Eaimon Weinheimer.
This year's girls' tennis team is hoping for a successful season. Although some of the top players graduated last year, members of this year's senior class hope to finish with a winning season. Some of this year's talent will come from P. Nawrocki, M. Edelstein, M. Nawrocki, and K. Nagel. Also A. Tilley and other underclassmen.

Last year, the boys' tennis team was led by J. Freeman, G. Burnstein, and J. Hickey who were the three singles players. The team had a 10-6 record which enabled them to participate in the state tournament. However, they were defeated by Bishop Feehan in the second round. It was still a successful year. This year's seniors are J. Gray, B. Gray, D. Principe, and B. Hylander. The members of the team include:

B-R Drives for the Green

The B-R Golf Team finished their extraordinary fall season with an impressive 11-2 record. Although they began with a considerably devastating loss to the OCL champion Taunton Tigers, the team strongly regrouped and started an incredible 9-match winning streak that ravaged the OCL.

Peer Leadership

Peer Leadership, which started last year at B-R, is an organization of students whose main purpose it is to help other students. Peer leaders are educators and listeners. They educate students of all ages about the dangers of alcohol abuse, drug abuse, and negative peer pressure. They also provide an open ear to fellow students to objectively listen to their problems and help them to help themselves work the problems out.

Running to the O.C.L.

The boys and girls cross country team are off and running to another exciting season. The boys' team is 4-3 and hopes to have its first winning season in two years. The team is led by Eamon Weinheimer who is tearing up the courses in the OCL. New member Chris Pike has also showed great effort. Chris has helped the team a lot.
Ski Club

OK everyone! It's finally time to get your skis out and ready for this year's ski season. The first trip is December 15 — right around the corner! There is a special offer for beginning skiers which includes a morning lesson and lift ticket on the bunny hill all day for twenty dollars. Advanced skiers can also go on this trip at the regular price. The mid-week lessons begin Wednesday, January 2nd, and run for five consecutive Wednesday afternoons.

BAND GAINS HONORS

"This is one of the best seasons yet!" announced Drum Major Pally Litzen. "The victories in Taunton were very gratifying," continued Miss Litzen referring to the B-R Band's placing first at the Taunton Christmas Parade for Marching and clinching second place for music. The Trojan Marching Band were awarded these honors out of a field of thirteen other bands, including the hometown favorite, Taunton High.

Activities

Science Club Grows

The 1990-91 Bridgewater-Raynham Science Club led by president Dave Querzoli are ready to take action. Querzoli backed by a supportive cabinet of seniors Elise Linhares vice-president, Darcy Hubbard treasurer, secretaries Kristen McKenna and Megean Phaneuf. The club will also be powered by veteran members Joe Poulin, Jim Lemanski, and Paul Astuto.

Club advisor, Mr. David Chuckran along with the rest of the science-interested scholars, welcome four new members in hopes they will carry on the B-R Science Club tradition. These Science Club hopefuls are sophomores Mary Poulin, Linda Batista, Mark Peabody, and William Donnelly. The Regional Sound wishes the Club best of luck in whatever they do!
The Bridgewater-Raynham Band once again enjoyed a very successful year under the direction of Mr. Paul Peterson.

The Marching Band performed halftime shows at all home football games. The show consisted of three numbers: "Infiniti", "Don't Rain On My Parade", "Battle Hymn of the Republic". "Infiniti" featured Brad Rees and Brian Pickett on a trumpet solo. A small but steadfast troop of band and squad members traveled to away games independently, forming a pet band to cheer on the team.

Beyond the form of the football field, the band marched in several parades, including the Tri-Town Veterans' Day Parade, the B.S.C. Homecoming Parade, and the Memorial Day Parade. At the Taunton Christmas Parade, the band rose above the field of thirteen bands to win a First Place trophy for Marching and a Second Place trophy for Music.

Leading the band were seniors Patty Litten (Drum Major), Bill Cole (Performing Drum Major), Dennis Principe (Drill Sergeant, Saxophone Section Leader), Kim Tatro (Flute S.L.), Chris Vacher (Clarinet S.L.), Mike Caple (Percussion S.L.), Greg Spears (Trombone S.L.), Rob Mitchell (Lower Brass S.L.), Ken Holland, Shannon Sullivan, Derek Peterson, Alicia Ciulla, and junior Brad Rees (Trumpet S.L.). Their involvement in the band's day to day workings proved crucial to the band's success.

In an unprecedented show of dedication and enthusiasm the Pom, Flag, and Majorette squads enlivened the band's performances. Senior Poms Lisa Rose (co-captain), Michelle Persson (co-captain), Laurie McGinn, Stephanie Ward, Paula Worthington, and Shelly Davis thrilled the audience with their breathtaking talent. Flag captain Michelle Oaks and Majorette captain Danielle Piquette with senior Jill Thomas added to the overall atmosphere of the show.

At the conclusion of Marching season, the band shed its visual aspect to concentrate style and technique for the concert band season. Trombonist Bill Cole participated in the Southeastern District Festival. Other members played in the S.E.M.S.B.A. Festival. The full Concert band performed the customary Holiday Concert and Spring Pops Concert. In addition, small ensembles played concerts at area nursing homes and at both junior high schools.

Finally, the B-R Band would like to express its deepest thanks to B.R.A.H.M.S. for its tremendous support. It would also like to express a great deal of optimism for next season and wish the graduating seniors the best of luck in the future.
