Volume 32
As we cross the bridge to a new phase of our lives, we pause to look down at the water below us. Each of us sees a different reflection. Some of us see images of the past: old friendships, special moments, our younger years. Others see prospects of the future -- college and various career ambitions.

Row 1 Left to Right:
A rose between two thorns;
Fooling around with friends;
Throwing the discus.

Row 2: Left to Right:
Ready to receive the pitcher's throw;
Dancing the night away at the Junior Prom.
Yet in the center of these reflections, we all see B.R.R.H.S. After four years of working together, we have forgotten the exact moment where Bridgewater and Raynham became one in the classroom and on the playing field. Fond memories of the Prom, football games, pep rallies, and other activities flood our minds.

As we hear the distant voices of those who were a part of our high school years, we find the courage to look up and continue to cross over the bridge.

ROW1 Left to Right:
How about those MacDonald's lobster rolls?
Relaxing after the rigors of math class.

ROW 2 Left to Right:
A typical scene at Emily's snack bar;
At our lockers: "Who borrowed my English book?"
Mr. Peabody surrounded by The Magnificent Seven.
As we reflect on our younger years, they seem so innocent now. Our social life revolved around Friday night dances. We anxiously worried about graduating from eighth grade. Those were the days when our “groups” changed.
minute to minute, but we still kept special bonds with our closest friends. We remember arguing about what groups we were going to be in on our field trip and scurrying to get the back seat of the bus to be cool for the day. The tug-of-war during the field day always decided the school champion. The memories of how little we were while we played as the Raynham Giants and the Bridgewater Badgers are clear in our minds.

As we grow and change, the memories of our youth will always be with us. Our younger years put us where we are today.
When we reflect on the meaning of friendship, we realize a friend is much more than a pal. A friend is someone who stands beside you when times are tough, someone who believes in you and works to help you achieve all you can.

The friendships formed in high school are the ones we will never forget. From Freshman year through Senior year, friends grew together creating memories that will last a lifetime. We’ll never forget the times we laughed

Top Left: Friends studying together: Kathy Tatro, Beth Phaneuf, Beth Richards.

Top Right: Friends enjoying a laugh: Heather Fisher, Jeanette Grenier, Dawn Sellers, Renee Holt, Amanda Sargent, Kim Craig

Below: Friends relaxing together: Brian Day, Michele Drislane, Brian Keane, Tim Sullivan, Kelley Maher, Ted Hutchinsen, Hillary Wright
so hard our stomachs hurt. Who was going to drive home from the party? Which mall should we go to this weekend? Does anyone have any gas money? Acquaintances will come and go, but true friends always stay with us. No matter the distance, they're always in our hearts.

> Far Right: Friends at school
Kristen Lane, Kim Blake, Beth King, Kim Raftery

> Right: Friends showing school spirit. Kelley Moore and Mark Baran.

^Three Friends: Dave Duarte, Sean Dyer, Brian Copeland

< Friends enjoying each others company: Jen Rubino, Amy Clark, Mary Maloney, Michelle Barrett, Melissa Owens.
Learning is not just something that takes place in the classroom. When we reflect on the meaning of education, we realize that we learn not only from our teachers but also from our peers.

In the classroom we acquire the skills and knowledge needed to succeed in the future. We learn to work in co-operation with others.

Sometimes learning is hard work like solving problems in algebra, and sometimes learning is fun like making papier mâché masks in art.
Whether the lessons are difficult or easy, we will never forget the times we shared in the classrooms of B-R.

Our various experiences have prepared us for the challenges that await us in the future. This is the kind of education that will stay with us for a lifetime.
Memorable times are ours to treasure. When we reflect upon those happy occasions, they will remind us how precious these short four years have been to us.

In the past four years we have met new people and shared many special times with them. These times include...
events such as our Junior Prom and our Senior Prom, Miss Regional Dances, the Senior Holiday Party, and Thanksgiving football games. Yet even those moments such as walking to class, going to the beach, sitting together at lunch, and just being friends may be the most special moments of all.
SPORTSMANSHIP

During our four years we've made many friends on the playing field. We've supported each other through the tough times and cheered each other through victories. Our fellow teammates, coaches, and fans are what B-R school spirit is all about. The pride we felt after giving our best will always be with us. The exhilaration we felt after scoring the winning touchdown, the winning run, or the winning goal...
Sports make up a large part of our school life. The teams represent Bridgewater-Raynham to our rival schools. We trust our teams to play with good sportsmanship, which is the most important skill gained by playing sports for B-R.
ACTIVITIES

The B-R's activities reflect our wide variety of interests. Whether we're traveling to the Carribean with the Foreign Language Club or raising money for Mr. Reilley's scholarship fund by putting on a spaghetti dinner, we're always having a good time. From the Band to student government to after school organizations such as Unitas and S.A.D.D., B-R's ample choice of activities keep us busy the whole week through.
MR. ALAN PEABODY, YOU ARE VERY SPECIAL TO US!

A yearbook represents the experiences and memories we wish to retain throughout our lives. It seems only fitting to include and, in fact, to honor an individual who is so involved in those memories. Therefore, with our deep appreciation, the Class of 1993 takes great pleasure in dedicating our yearbook to Mr. Alan J. Peabody.

Through his guidance and inspiration he has helped us to grow, to learn, and to be proud of the Bridgewater-Raynham tradition.

To some an Administrator, to some a Dean, others a Coach, but to everyone, Mr. Peabody is a sincere Friend.

With this dedication we wish to simply and enthusiastically say THANK YOU!

Mr. O'Donoghue, who is executive officer of the school committee, recommends and implements the school committee's policies. Dr. Hilton is in charge of schedules, teachers, and curriculum. Mr. Peabody is the head of discipline and transportation, Mr. Powers keeps himself busy with Guidance, Special Education, Learning Disabilities, and Chapter 1 Math.

Our baby pictures reflect our childhood and show how we have developed into the individuals we are today. Remember visits with Santa, playground slides, our puppy, our favorite toy, our first "dress up" outfit. See what cute and lovable, exasperating and mischievous little tots we were not so long ago.
The Class of 1993 has so many talented, friendly, attractive, enthusiastic, and hard-working members that it was especially hard to choose this year's superlatives. In homerooms we voted our choices. Because so many of our friendships are deep and long-lasting four sets of friends tied in the "Best Friends" category. These Senior Superlatives are just a sample of the special people who make up our class.

The Junior Prom was held at Lantana's in Randolph on May 22, 1992. Our theme song was "Wonderful Tonight" by Eric Clapton. Dressed in taffeta and tuxes, we were ready for a night of fun and memories. Compliments filled the air. Although only two people could be crowned king and queen, we all felt like royalty that night. Anticipation grew as we waited in line for that momentous photograph to be taken. The dance floor was crowded at all times as the DJ played our favorite songs. The evening lived up to our theme; it was a wonderful night!
The annual Thanksgiving Rally brought lots of excitement to B-R students who showed school spirit and supported their team by decorating the gym with posters, streamers and balloons. Students painted their faces and cheered loudly. The cheerleaders and football players enthusiastically joined in a dance routine. The Po Squad performed to "Chantilly Lace," and the band inspired the crowd to show their school spirit. Mr. Almeida once more led the students in the B-R chant. As expected the Seniors won for school spirit and decorating the gym.

On November 20, 1992, we held our annual Miss Regional Dance. The night was a tremendous success with an overwhelming turnout of students from all grades. The elegantly dressed students crowded into our high school gym, transforming it into their dance floor. The pulsating beat of the music encouraged everyone to try the latest dance steps. The climax of the evening was the crowning of Mr. and Miss Regional and the announcing of their court. As the evening drew to a close, Seniors left with farewell memories and underclassmen left with the anticipation of next year's dance.

Marching Band

The B-R Marching Band entertains during the half-time shows at football games and helps raise spirits for the pep rally. Yearly the band participates in the Abington Jamboree and almost always scores a superior rating. The band journeyed to Maryland to take part in the Annapolis Music Festival where it also received a superior rating. This year the band will travel to Disney World where it hopes to dazzle an international audience during its march through Epcot Center. The Concert Band is the plain clothes version of the Marching Band. It gives two concerts a year-- the Holiday Concert in December and a Spring Pops Concert in May.

The Marching Band

The Jazz Band

The Jazz Band is comprised of the cream of B-R's musicians. This cohesive group of musical artists performs the most intricate and difficult music in the department. The Jazz Band performs at concerts with the Concert Band and Chorus and at Jazz Festivals at Bridgewater State College.

The Flag and Pom Squads

The Flag Squad acts as the color guard for the Marching Band. It goes on all band trips. The Pom Squad provides the spirit for the Marching Band's performances. Both these squads are integral members of the Marching Band. They add a great deal to the half time field shows and they provide school spirit during pep rallies.

The Foreign Language Club with Mr. Diaz as advisor planned several trips. A group of about twenty students spent a weekend touring Montreux. During February vacation six students spent the week on Margarita Island, observing a different culture. Forty students went to the Museum of Fine Arts ending the day with lunch at Fanueil Hall. Besides trips the club also had a fiesta. Students brought in various Spanish dishes. Administrators and faculty were treated to international cuisine.

The Math Team was advised by Mr. Moscardelli. Unlike past highly successful years, the team had a disappointing season. The team failed to qualify for the Championship Tournament. On February 6, 1993, the Junior class sponsored a pancake breakfast to raise money for upcoming class activities. With the help of area businesses--Roche Bros. and McDonald's--and parents, all the food and paper goods were donated.

Members of the Junior Class prepared and served pancakes, syrup, sausages, and muffins from early in the morning until noon. Breakfast goers braved snowy weather to come to B-R to make for a successful turnout. The Junior Class made just under fifteen hundred dollars which will help defray the cost of prom tickets. President Da Souza stated, "We are very lucky that our class had so many volunteers. It took a lot of work out of a lot of people, but the fundraiser turned out really well."

Providing service with a smile, Becky Stone, Suzanne Kelliher and Patty Casey prepare breakfast platters.

This year the Drama class, under the direction of Mr. de Castro, as performed in and observed a numerous variety of plays. Earlier this year the class went to see Pal Joey, a musical about a womanizer trying to make it as a club owner. The class also saw A Long Day's Journey into Night, a much more serious play about a dysfunctional family in the early twentieth century. Before each performance a spokeswoman from the Huntington Theater came and spoke to the class about the production.

The Drama class also performed two plays. Help, is a comedy about a man trying to commit suicide in an amusement park. The class also went to the Boston Globe drama competition. Theoup performed the third act of Arthur Miller's The Crucible and brought back three All Star cast awards. These awards were won by Britt Erikson, Chris Leahy and Scott Pitta. The Drama class hopes to continue to grow and develop closer ties to the theater.
Student Government activities allow students to participate in the democratic process. Students file nomination papers and run a campaign for office. Students can go to the polls during a study or free period to cast their votes for the candidate of their choice.

The Ski Club, under the leadership of Mr. Heaslip and Mr. Moscardelli, is B-R’s largest and most popular club. Members of the ski club can take lessons at Blue Hills during the week. Members may sign up for 12 weekend day trips to a variety of ski resorts in New Hampshire, Maine and Vermont.

If you enjoy taking pictures, then the Photography Club is the place to be. Each year this small club gets the opportunity to take pictures, experiment with the camera, improve skills and work in the dark room. For many members belonging to the club means the chance to work for the school newspaper, the yearbook and other projects such as the annual photo contest.

Most students who join the club come to learn about the art and production of pictures. Yet this club is also a great place to expand their knowledge of photography.

SADD stands for Students Against Driving Drunk. The club members run several activities to make students aware of the danger of drunk driving and to remind them never to drink and drive. During the holiday season, members tie red ribbons to cars in the school parking lot. April is SADD awareness month. SADD members plan a Chain of Life; during the prom season SADD members plan another ribbon campaign. Particularly active members of the club were Rebecca Trent, Julie Sorgman and Michelle Macedo.

Guys and Dolls

The dates were March 13, 14 and 15th; the show of shows was *Guys and Dolls*. This musical production provided many memories for the cast and set crew.

On stage Nathan Detroit kept the audience rolling with laughter with his witty comebacks and constant attempts to fool Miss Adelaide, his fiancée of fifteen years.

Miss Adelaide lead the singing and dancing Hot Box Girls while making herself into hypochondriac in her attempts to get Nathan to the altar.
Detroit's sidekicks Benny Southstreet and Nicely-Nicely Johnson constantly attempted to bail their leader out of trouble. Meanwhile Sky Masterson, gambler extraordinaire, and Miss Sarah, urban missionary, provided the show's insight into the more dramatic aspects of romance.

Behind the scenes, director Annie Britton was the glue that held the production together with the help of Mr. Jack Phaneuf, Mrs. Lisa White and Mr. Paul Peterson, the director, cast and crew pulled off a show no one thought could be done. Great job Guys and Dolls!

This year Mr. deCastro retired as adviser to the Yearbook. His position was taken over by Ms. McGuire and Ms. Burton.

Working hard to produce the yearbook were students in the Journalism class and interested Seniors who met after school.

Room 235 has been a very busy place as students met to not only choose pictures but also to design page layouts. Wracking their brains for inspiration and imagination, students devised interesting captions and wrote text. Students also typed Senior messages into the computer, proofread copy and checked spelling.

The 1993 Unitas Staff:
Row 1: Rebecca Trent, Julie Sorgman, Bethany Clemmey, Kelly Moore, Hillary Wright, Michelle Drislane, Kristen Magnifico, Susan Taylor, Saundra Ciulla;
Row 2: Ms. McGuire, Kim Blake, Sheila Murray, Joanne Flaherty, Jannine Flannagan, Danielle Kiernan, Val Ferreira, Marty Boyden, Ms. Burton;

Checking carefully through dozens of photographs, Kim Milbert and Kerri Krovitz try to choose pictures that will reflect the diversity of students and activities at B-R.

Selling ads and yearbooks was crucial to a successful publication. Hardworking and enthusiastic salespeople like Danielle Kiernan, Val Ferreira, Dave Pareigis and Janine Flanagan helped us to meet our financial obligations.
Introducing the Yearbook was only one aspect of the job. Equally important was raising money to pay for the Yearbook's publication. Students went out into the community to find sponsors and advertisers. They also sold yearbooks to students and faculty members to raise sufficient money to meet expenses. All in all, many people contributed to a great effort to produce a book that will provide memories of 1993 for years to come.

Above: Ms. McGuire and Ms. Burton plot yearbook strategy.

Right: Jon Harper, Heather Clapp, Gretchen Schwenzfeier, and Carren Lackiewicz work together designing a page layout.

Below: Julie Sorgman types Senior messages into the computer.

Right: Val Ferreira, Sue Taylor, Kristen Magnifico Saundra Ciulla and Michelle Macedo go through pictures to find people and events that have not yet been featured in the yearbook.

It is hard to come up with great ideas for text! Often working together can help. Brainstorming to help the flow of ideas, Janine Flanagan, Danielle Kiernan and Kristen Barlow try to find the right words to describe that special moment.
The Regional Sound provides information and entertainment for the students of B-R. The editorials, school news, sports, entertainment and literary page are all aimed at the interests of high school students.

The Regional Sound is produced by students. The business managers fundraise and sell advertising space to pay for publication. Contributors write articles, photograph school events, draw pictures and review movies and music. The editors decide on the articles for each issue and begin layout. The newspaper is put together during layout. Articles are typed into a word processing program on a Macintosh computer. Using the Pagemaker desk top publishing program, these articles are arranged on pages and sent to the printers.

Finally the Regional Sound is ready for circulation. The paper is distributed to students who read it front page to back page. Their interest is the reward for all the hard work put into making the paper possible.

Under the direction of Mr. Lennon, the Weightlifting Club is an informal group of students who meet three times a week after school to body build and weight train. Some students workout for their own enjoyment, others come to the weightroom to help their performance in a particular sport. All students are welcome.

The Science Bowl team was coached by Ms. Calef and captained by Mike Murphy. The team surprised itself in its first National Science Foundation Science Bowl appearance.
