UNITAS
SOME IMPRESSIONS NEVER
As we open the door to a new world, we stop and look back on our high school years. We reminisce about the experiences and memories and friendships that will last a lifetime. Look back on our first day as freshmen, a time when two rival towns became one team. Look back on our younger years, the carefree time of our lives when there were no such things as car problems and term papers did not exist. Look back on a sportsmanship that kept school spirit alive. Look back on special moments and school activities that helped make our school years so successful. Look back on the times we've spent in the classroom, gearing ourselves for the future. All these are impressions that will never fade.
As we recall our younger years, we remember our innocence and love of life. After school was not a time for homework but for playing with friends. Friday nights were not spent on dates and parties but at school dances and sleepovers. Back then we had many friends, but none was more important than that special “best friend” that we all seemed to have. The memories of spending time with our friends, growing and learning together, are the impressions that will never fade.
In our four years at B-R, we have developed friendships that will last a lifetime. As we look back on our high school years, we will remember the good times we’ve had. We’ve laughed together, and we’ve cried together. We’ve confided our secrets and shared our dreams. We remember the parties, piling in cars, hanging out at the mall, dancing with that special someone, and long, serious discussions with our best friend. These memories are impressions that will never fade.
The impressions that our teachers and friends have made on us helped us to learn and mature. Interpreting Shakespeare in English class, proving theorems in Geometry, performing experiments in science are skills we will take with us in life. We started our freshman year learning there was no pool on the third floor; we finish our senior year having learned the responsibilities of adulthood. Wherever we go in the world our impression that learning never ends will never fade.
Throughout our years at B-R, we have had many special moments. Some of our memories are of the glamorous and exciting events in our lives. We will never forget the night of our Junior Prom. All the boys were handsome; all the girls beautiful. We cheered ourselves hoarse at pep rallies and wondered who would be Mr. and Miss Regional. Some of our memories are of quiet times relaxing with friends. These special moments will never fade from our memories.
Throughout our years at B-R, our athletes have left our competitors with a strong sense of our sportsmanship. This reputation keeps the B-R spirit alive. Whether on the playing fields, the courts, or the track, we have always shown teamwork in achieving goals and meeting challenges. The pride we feel in giving our best will stay with us long after we leave school. Through sports we have made friendships which will last for years. Whether we savor victory or agonize over defeat, we stay close both on and off the field. Our competitive spirit and teamwork leave an impression that will never fade.
Our impression of the many and varied activities offered by B-R will never fade. We have sweet memories of trips to the theater, the ballet, Disneyland, and Canada. We’ve pumped iron in the weightroom and sung and danced in the school musical. We’ve laughed with our friends at fundraisers and practiced democracy during elections for class officers. School activities have helped us have fun while we grow and learn.
With special thanks to...

Mr. Richard Scarano

During the past four years, our lives have been influenced by many special people. One in particular has touched many students both inside and outside the classroom.

We, the class of 1994, dedicate the 1994 issue of the UNITAS to Mr. Richard Scarano. His spirit and enthusiasm have enriched and inspired our lives. Among B-R's best, his lasting impression on us will never fade.

Senior year brings the long awaited privilege of leaving school during free periods. Where do Seniors go during their free time? You might find some Seniors studying in the library or catching up on homework in the lounge. Most likely you’ll find Seniors enjoying a late breakfast or lunch at local restaurants. There is no denying the heart of a B-R J.V. athlete. Lacking the glamour and recognition of the Varsity players, these young athletes compete out of sheer love for their sport. Their willingness to improve and advance to the next level drives our varsity athletes to excel.

Taking photographs for the yearbook is more than just posing people and snapping shots of smiling faces, it is capturing emotions that symbolize the year's friendships, happenings, and hard times. Students this year had a particularly hard time shoveling the 89.3 (and counting at press time) inches of snow. Although the snow was exasperating, it was beautiful. This year, not forgetting this winter, has been one for the record books, and will always be remembered.

MacLeod were the strength of the underclassmen. "We should have been O.C.L champs, but inexperience at our lightweight divisions made it difficult," said Capt. P. Teixeira. C. Raleigh recalled, "Our confidence was high when the Boston Globe ranked us #1 in the South Sectionals, but Quincy destroyed our dreams."

All of the seniors agree that the credit for the team's improvement must go to hard-working Coach Holmes.
This year’s B-R Ice Hockey team, lead by captain Mark Haskell, Dave Garofalo and Mason Harris did not have the best of seasons, but shows great potential for the future. 1. Senior Class

The senior class had many exciting activities to plan. Senior class advisors, Mrs. Kinney and Mr. Capen, along with the senior class officers, Darin Souza (President), Heather Clapp (Vice-President), Mark Santoro (Treasurer), and Britt Erickson (Secretary), created the Senior Activities Committee to help organize each event. The Miss Regional Dance that was held in November and the Senior Holiday Party held in December were the committee's first projects. Each was a great success. Other activities include the 2nd Annual Pancake Breakfast, the giving of the class gift, and community service to the towns of Bridgewater and Raynham. Some larger events that the senior class coordinated were the prom at Lombardo's, the banquet at the Halifax Country Club, and of course, graduation.

2. Junior Class

The Junior class advised by Ms. Ferioli and led by Jeff Gomes (president), Jeff DiMarzio (vice president), Rene Stella (secretary), and Andrew Gentile (treasurer), organized a number of school and class events. They sponsored a make-your-own sundae party after the exciting Donkeyball games in March. And of course, they planned a spectacular prom and after prom party. The Junior class looks forward to a successful senior year.

3. Sophomore Class

This year, the sophomore class was advised by Ms. Farrington and led by President Emilie Dahlin, Vice-President Sara Clapp, Treasurer Lisa Mason, and Secretary Craig Rourke. This very spirited and united class has organized many successful activities. They were the runners up in our annual Thanksgiving Pep Rally. Journalism

Journalism students learn about publication of newspapers and magazines. They use the skills they acquire to publish the school yearbook, newspaper, and possibly this year, a literary magazine. Journalism is a good foundation for anyone hoping to pursue a communications career. Because of lack of funding, Journalism has not been able to produce as many publications as they would have liked. They hope to raise money by selling ads to finance some publications.

Peer Leadership

Peer Leadership is a group of selected students in the school with strong leadership qualities. Each peer leader goes through a four-week course to train and meet the requirements. The organization is basically a "kids teach kids" program. The students organize trips to elementary and junior high schools to inform younger students about drug abuse, peer pressure, and many other topics of concern for young people.

The Peer leaders have also gone on trips to local colleges for conferences on current social ills, they perform "skits" at junior high and elementary school, and they communicate with other peer leaders in Southeastern Massachusetts dealing with problems and solutions.

The 1994 Unitas

Producing a yearbook that reflects the special memories of 1994 required a great deal of time and effort by the yearbook staff who met during Journalism class, free periods and after school. Students selected pictures, and wrote text and captions. Equally important students typed Senior messages into the computer, proofread copy, checking for spelling and grammar errors. Student photographers took extra pictures and others sold ads and sponsorships for the yearbook. All the hard work paid off with the successful completion of the yearbook.

Yearbook Committee Members:
Without the support of many generous businesses, parents, relatives, teachers and friends, this yearbook could not have been produced. On these pages we list those who helped subsidize the yearbook and those businesses who bought ads. We thank you all for your generosity!
