...Our Inspiration
Joctor is an incredible teacher and friend to all. One thing that makes him so loved is the fact that he does not treat students as if we were “just kids.” He treats us as adults. He does not look at teaching as another paycheck, he sees it as a way to impact our future. His sense of humor is unforgettable. Doctor always seems to have a clever remark to say or a funny nickname for each of his students. More often than not you will see him laughing or with a smile on his face.

For all of us, being in Doctor’s class has been a joy and our grades have improved significantly from previous years. We have learned so much from him.

Faculty Dedication
Edward “Doctor” Porter

When we think of a great teacher we think of one who cares about his students, not only academically but personally as well. Here at Bridgewater-Raynham we have many teachers that fall under the category of “great teachers.” However, there is one teacher who has impacted all of our lives, and the Class of 2005 would like to give something back to him. This wonderful man is none other than our very own Mr. Edward Porter— the Doctor.

The class of 2005 would like to say thank you for all your knowledge and everything you have done for each of us. You will never be a no factor to any of us.
Retirees

This year's retiring staff members have a combined average of over 200 years of service to the B-R community. As a group and individually they have inspired us, challenged us, encouraged us, and stuck by us in good times and bad. Without their selfless dedication and professionalism thousands of students' lives would not have been touched. The impact of our retirees on the future of our students will be felt for generations to come and the loss to the B-R family will be devastating. We wish our retirees health, happiness, and the chance to enjoy a well deserved rest.

Junior Prom

The Junior Prom took place on May 21, 2004 at Christina's in Foxboro. Our Prom Queen was Jen Lin and our Prom King was Scott Place. It was a very happy moment for the two as they took their crowns and were titled Prom King and Queen. The night was full of smiles, laughter, and great memories that will always be remembered for the rest of our lives.

Over the course of the past four years we have both participated and watched as all of our Trojan teams gave it their all on the field. From winning seasons, to personal records, to OCL titles, and milestone wins, we celebrate our athletes and our “Trojan Pride!”
...The Trojans
B-R football teams have always been outstanding, and the 2004 team was no exception. Led by Coach Buron and captains Ryan Buckley, Nick Delulis, Anthony Mendes, and Greg Karsner, the boys have had a phenomenal season with many close victories. A 13-12 victory over Barnstable gave Coach Buron a record 100 wins and their win against Taunton secured the OCL championship. Seniors Matt Grein, Tony Caliri, Tony Murdoch, and Vaughn Maxson have been inspirational to younger team members who hope for an equally successful season in 2005.

The 2004 fall season was a fulfilling year of teamwork for the Girls' Varsity Field Hockey team. With the guidance of their energetic coach, Mrs. Casabian, captains Samantha Green, Jessica Donovan, and Michelle Smith led a team that was always "so psyched" to play. "If you think you have nothing left, dig deeper!" This inspirational team motto helped the girls on their way to a successful 6-9-3 record. The other talented seniors including Rabia Bajwa, Jill Chaffee, Nicole Mace, Rachel Liao, Shannon Haluch, and Barbara Torres always kept their attitudes positive during tough times. As Coach Casabian reflected, "It was a challenging year because of the user's fee, but the team rose to the challenge and made the best of it."
It was a trying year for the Boys Soccer team in 2004. In spite of a lot of team spirit and energy the boys were unable to pull off a winning season. But boy, were those games close! Led by a strong senior team, including team captains Pat Egan, Pat O'Donnell, Mike Santos, and Matt Powers, as well as other senior players Bryan Wright, Ryan Copeland, Zach Carro, Alex Martineau, Chris Bailey, Luke Daniels, Colin McMasters, Mark Orellana, and Kenny Jasper, the Trojans honed their skills and are ready to go on to victory in '05 under the leadership of junior captain Tiago Mota.

The 2004 Girls’ Soccer team had an eventful season full of hard fought games and victories. The girls “pumped it up around the penalty line” before each and every game to boost team spirit, and it really paid off. Pasta parties gave the team the extra edge to drive home those needed goals. The girls were led by a strong senior presence including captains Katie Innocenzi, Stephanie Oliari and Regina Acampora. Their team motto is “Finish it!”
The 2004 Boys' Cross Country team was smaller than it was in past years. However, the boys were able to finish a good season with a record of 3-5. Led by captains Chris Ladd and Ian Crotty and accompanying senior Stewart MacArthur, the Trojans were able to unite as a team and share countless memories. The legacy of Bertha as the team mascot will live on forever. All of the boys will remember their pre-meet pasta parties and great laughs and conversations while running on the road. Coach Paul Urban Jr. reflects, "The team had a rough start at the beginning, but the guys all worked hard, and in the end, they were able to come together and run really well."
The Lady Trojans had a small 2004 Cross Country team, but they were still able to have a fun season. The girls finished with an overall record of 2-6, and the seven of them became very united. They shared great memories of pasta parties before every meet and pizza after practice on Fridays. They will always remember the hard practice runs to the college to work out at the sand pits, the bare-foot strides on the football field, and the meets in the pouring rain. Secret admirers and “kidnapping” signals will always be remembered. Seniors Jen Lin, Ariel Shaw, and Elizabeth Dillon will be truly missed, but Coach Paul Urban Jr. still has hopes for next year. He reflects, “We had a small team this year, but the girls worked hard and had a good time.”
The 2004 Golf team had a fun-filled season where the boys worked on a variety of skills and honed their putting techniques. The B-R volleyball team, led by their captain, Danielle Tardivo and senior, Beth Kellogg, had a huge rebuilding year. After losing nine seniors from the class of 2004, many new players came to try-outs eager to work hard and learn the game. The team consisted of seven returning players and six new players. Pasta parties and teamwork at tough practices helped the girls build a sense of team unity as the season progressed. This year’s fall squad, led by senior captains Lauren Young, Charlotte Moore, & Ashley Rosata, had a successful season that included a second place finish in the OCL Cheerleading Competition. With the aid of fellow seniors Annie Cruise and Liz Dahlborg and a number of talented underclassmen, the squad showed unending energy in cheering on the football team. Seniors Marc Augustine, Patrick O'Donnell, Zack Tolivaisa, Mark Diamond, Matt Devin, & Ronald Kolozie, have worked with a talented crew of underclassmen to bring their fans some truly exciting action on the ice, including a number of last minute victories and some heart-wrenching losses.
The B-R boys basketball team had an outstanding season. Led by a strong senior class and captains Scott Place and Bill Whittington, the basketball team had a winning season. The team is able to perform so well because many of the players have been teammates ever since freshman year. Coach Fisher realizes how strong the team is this year, but he believes there is a lot of talent in the younger players as well. The boys basketball team will always remember the support B-R gave at home games, and they hope for success in the tournament and next season.

2005 was a great season for the Lady Trojans. Under the leadership of coach Jon Lindskog the self-dubbed “stupidest team in America” had a very successful year. With captains Emily Arrighi & Ashley Abrahamson at the helm the team brought home the title of OCL co-champions for the fourth year in a row. With awesome chemistry both on and off the court, the team hopes to make an excellent run in the state tournament, bringing a fitting end to the incredible high school careers of seniors Jackie Rosher, Zira Bailey, Ally Blanchard, Steph Oliari, Ashley Abrahamson, and Emily Arrighi. The B-R winter track boys team ended their 2004-2005 season as OGL champs. Led by senior captains Ryan Buckley, Pat Egan, Vaughn Maxon, Chris Ladd, and Dusty Hall, the team united to win the league championship. Coach Paul Urban says this season was very difficult because there were not a lot of meets and the weather made it hard to practice, but the boys made a great dual meet team. All the guys will remember running in the cold, in the hallways, and in the parking lots. The meets up at Reggie were always a drive, but the ride home with bags of candy will always be remembered. With a strong group of underclassmen, the team was led by senior captains Jen Lin, Victoria Baczek, Kim Chappell, and Ariel Shaw. As Coach Paul Urban Sr. gets closer to retirement, he is happy to have won the league in what may be his last winter season. The most exciting memory of the season was the meet against Marshfield which came down to which team won the 4x4. Senior captains Nick Spencer, Paul Brigandi, and Anthony Leone led the team to the OCL Championship, the team's 15th league title. Low numbers due to the user fee led to a dry season for the team, but they always managed to find success in tournaments. The team, with the help of seniors Adam Jeannette, Casey Cobbett, David Kingsley, James Lawrence, and Andy Hauck, was on hand to celebrate Coach Holmes last home meet after a long and successful career.
The winter season was a building season for the 2005 gymnastics team. This young team (there was not a single senior on the squad) worked hard under the guidance of first year coach Elaine Sullivan. The Lady Trojans had to overcome many obstacles, including long van rides to practice and no true “home-field advantage” but they persevered and had a great season, finishing with a 3-3 record and a second place finish in the league meet. The boys were able to show their true potential when they easily defeated every remaining team in the league. Coach Paul Urban Jr. is expecting another successful year led by captains Ryan Buckley, Pat Egan, Chris Ladd, and Vaughn Ma

Matt Cayer finished off his time at B.R. with a great season at first singles, and Andrew Bodrog excelled with his Hungarian exuberance at third singles. The tennis team learned a great deal about focus, determination, and hard work from Coach George Pimental and from each other. High School is not only about time spent working in the classroom. The learning opportunities provided by our numerous clubs & activities are also a very important part of our high school years. Despite user fees classrooms still buzzed after school as people met to pursue all sorts of interests. Whether fundraising, community service, after school meetings, or field trips, we will always remember the activities we participated in and the fun we had.
The Art Club continues to provide opportunities for its members to experience art and create through new mediums. Led by Mrs. Shirley Brown, the group has had an active year coordinating the crafts for Breakfast with Santa, working with the Language Club for Halloween Fun Night, traveling to museums in New York, and sponsoring the school's Edible Art competition. The creativity and enthusiasm of the Art Club enriches the lives of all of the B-R community.

The G-F Gay Straight Alliance is primarily a student-run organization that tries to encourage respect and promote tolerance within the high school. One of the goals of the club is to provide a place where students can feel safe and comfortable with some of the difficult choices they face.

Advisor Mrs. Mitchell had the help of many seniors this year including Danika Erikson, Kimberly Smith, Ashley McGrath, Brenda Cunha, Jessica Hood, and Adam Smith. Many special memories were created in the GSA, including the SASSIES, the Youth Pride March, The Day of Silence, MADD, and illegal money. Ms. Mitchell had this to say about her experience with the GSA: "Advising the GSA these past two years has allowed me the opportunity to meet and come to know some amazing, open-minded, and accepting students. They work hard to make the school and world a better place."

Renaissance

The Renaissance/School Climate group continues to keep the spirit of community and commitment alive and well at CB. Under the guidance of Mrs. Donna Hall and Mrs. Ed Porter, the group has participated in a number of events designed to promote increased school spirit and community involvement. Each year the students raise thousands of dollars and participate in the American Cancer Society Relay for Life and Making Strides Breast Cancer Walk. They also sponsor Breakfast with Santa, the Student/Faculty Basketball game, East of the Wind Breakfast, and Honor Roll Ice Cream Cones. This hard-working group consists mostly of seniors who have given countless hours of service to the town elderly and to supporting our military overseas. Mrs. Hall has been a constant reminder of the dedication these students have shown to others and feels that they are irreplaceable. Thanks to all of you, and especially to the driving force of the program—Ali.
Foreign Language Club

The Foreign Language Club has continued to promote cultural events and experiences for its membership. This year the group has traveled to museums in New York City to view works of Aztec Art and has experienced culinary delights in after school activities. This year the music program at Bridgewater-Raynham went on a regular rollercoaster ride. Threatened by budget cuts, the program was sustained through the fall semester by the efforts of Mr. Kibart and the dedicated musical students at B-R. The start of second semester brought Mr. Kevin Williams to the High School. His talent and energy has already made a mark on B-R and its students. Our band and chorus can be heard rehearsing throughout the halls and the Raynham lobby during the day. Here's to the continued success of the program.

This incredibly high energy production showcased the talents of many of B-K's rising stars, including junior Greg Webber as Tony. This year Greg and many of Westside's veteran players will return to the stage of the Walter S. Little Auditorium in a production of Anything Goes. The cast has their tap shoes ready, and at print time they are barely rehearsing lines and routines in preparation for the big night. Break a leg...

TJ2 is celebrating its tenth year as a team and its fifteenth year of partnership with Johnson and Johnson/DePuy. With their trademark tie-dye still intact, the team has been diligently working on the latest version of a competition-winning robot. Over 50 students have been actively involved in a variety of subgroups that include Chairman's Award, Art, Build, Webdesign, Publicity and more. It takes a lot of teamwork to build a successful robot and team. Under the leadership of Mrs. Calhoun, Mrs. Bridges, Mr. Morrison, Mrs. Holland and Mr. Phares as well as student officers Nick Maceloni and Paul Geller, the team is heading to competitions in Manchester, NH and Annapolis before competing at the National Competition in Atlanta, GA. As always, the team will do Q-R proud. Oh, yeah? Oh, yeah!

Under the able leadership of Mrs. Linda Blocker, the drama club has flourished this year as senior Tim Tilbe has provided leadership for younger thespians. The group has participated in a number of fundraising activities to support their art including selling candy and B-R stickers and they will compete in the state regional dramatic competition in March. The short play will also be presented for the B-R community for a minimal charge. There is no stopping this committed club of aspiring actors who meet weekly to practice and perfect the dramatic arts.

This year was a year of changes for the Unitas. Under the new leadership of Mrs. Holt and Miss Grublin, the tireless yearbook staff worked hard to put together a unique book for the class of 2005. It was a learning process for everyone. Thanks to the endless efforts of editors Michael Peppas and Jen Lin, as well as the indispensable production assistance of Amy Kaporitos, sales campaigning by Rabin Bajwa & Taylor Smith, and the help of underclassmen staff members, the year has been a success. None of those present will ever forget the countless late afternoons and Sunday mornings spent in room 103. Mrs. Grublin and Mrs. Holt would like to thank the yearbook staff for all their hard work, and hope for continued success in years to come.

1. Jen Lin puts the finishing touches on the Class of 2005's collage.

The Grapevine is the newly renamed and refurbished student newspaper. Under the able leadership of Miss Traci Kitchell, Miss Danielle Oliari, and senior Kaileen Powers, the staff has diligently worked to provide a quality example of journalism. In conjunction with the Brockton Enterprise, the staff has produced a professional 16-page layout of school news and events. With the reinvigorated staff, Miss Kitchell hopes to make the Grapevine an integral part of Brockton culture. Just remember, "You heard it through the Grapevine!"

Under the leadership of advisor Miss Traci Kitchell and senior officer Adam Smith, the Creative Writing Club has been diligent by working on producing a journal of student writing, poetry, and reflection. The club name and motto "Asylum - Get Committed!" sum up the dedication that seniors Beth Kellogg and Tim Tilbe have to keep the club alive. With more than just writing, the group has begun a new project that is that of a Day.

Modern World Affairs has once again had an active school year. Led by Mr. Jeffrey Sylvia, the club participated in the BWMST Model United Nations held in Boston where they represented the countries of the Sudan and the Netherlands. Led by seniors Ashley Freitas, Peter Drosos, and Vinnie Chiappini, this group of civic-minded and politically active students plan to further their knowledge of the workings of government with a Spring trip to Washington, D.C.
The National Honor Society continues to be an exemplary group, leading the school in scholarship and service to the community. Led by advisor Mrs. Liz Calef and senior officers John DiBenedetto, Heather Jankins, Vinnie Chiappini, and Liz Lehtola, the group has participated in the annual Toys for Tots drive, a teacher appreciation afternoon tea, a field trip to the Newport mansions and much more. The most important event takes place in the spring with the annual induction of new members and the passing of the torch to the best of the Junior class.
The Civil Rights Team continues to work towards making B-P a more tolerant and accepting community. Led by Mr. Shirley Brown and senior Jerr Hood, the team participates in activities designed to facilitate student interaction and increase understanding among diverse student populations. The culminating event of the group this year was the very successful Mix-It-Up at Lunch that urged students to break out of the box and meet new people. One quarter of the school participated in the lunchtime activity that provided opportunities to meet and interact with fellow classmates. Classroom incentives and a rocking DJ helped to ensure great participation. An awesome time was had by all and plans are underway to expand the program next year.

Seniors Diana Smith, Rahul Vedula, Liz Lehtola, John DiBenedetto, Laura Adduci and Sid Nannapaneni have provided a living legacy for underclassmen team members.
The Ski Club had an awesome 2004-2005 season carving up the slopes of New Hampshire, Maine and Vermont. Led by Miss Elaine Grublin and Mrs. Donna Holt, the club left most Saturday mornings in the wee hours for long rides to the mountains. After full days of skiing and riding, it was back on the bus for the trek home. The club will always remember fun times in good snow and great movies on the rides home. "Big Fish" will live on in their hearts and minds forever. Miss Grublin and Mrs. Holt thank the students for an awesome season.

Student Council

Mr. Jerry Cunniff and Mr. Jon Lindskog continue to provide the quality leadership that makes the Student Council one of the most successful and active groups in the B-R community. From selling candy, to running canned food drives, to buying turkeys, the group never stops. Along with the Modern World Affairs Club the group will travel to Washington, DC in April to increase its knowledge of government and civic affairs.
Library Docents

Under the direction of school librarian Mrs. Sue Brougham, the library docent program has flourished. A program of student volunteers that helps in all areas of the library, the program was started in the 2003-2004 school year and has grown to include over 20 students who provide a variety of services to staff and students alike. Library docents check-in students, give passes, re-shelve books, help with research and generally do everything that needs to be done at any given time in the school library. The B-R community expresses its thanks to these selfless, dedicated individuals who make all of our lives a little easier.

1. Liz Kelley puts back returned books.
2. Library docentes make sure everyone has checked in for the period.

5. DJ Ekbs makes sure the computer doesn't crash.
Habitat For Humanity

In its second year, the fledgling Habitat for Humanity club continues to work with local Habitat for Humanity International affiliates to help provide low income housing for people in need. This year has not been very eventful for the local affiliates, leaving the club with little to do. In September they took part in the townwide yard sale in Kingston, MA to raise money for a project in that town. And with a little luck they will be able to aid in the construction of that house in the spring. Hopefully Habitat will continue to do great deeds in future years.

Peer Leaders

Peer Leaders is a group of teens that are considered good role models. In charge is Mrs. Bogle with help from Ashleigh Rowan, Michelle Bogle, and Lindsey Reagan. The quote for Peer Leaders is “To Help Others Be Role Models.” Some activities the group participated in this year were buying Christmas gifts for a family, the 5 mile Cancer Walk for Brockton Hospital, and a Scholarship Drive. A bake sale was also held on Parent’s Night. Two of the Seniors that helped make this year a success are Karlyn Bailey and Allison Shrago.

As we seniors bid a fond farewell to B-R, we pass the torch to our fellow students, the underclassmen. We wish you luck and hope that your time at B-R is as enriching and entertaining as our four years have been. Best of luck to the classes of '06, '07, and '08!
...The Underclassmen
Freshmen
We have shared four fantastic years and we have finally reached the end. As we prepare for our futures we should take time to reflect on our past. The experiences we shared during our time at BR are now our legacy. Despite our many differences we have accomplished so much together. As Freshmen we became familiar with a new school and a host of new teachers. As Sophomores we faced road tests & MCAS. As Juniors we dealt with gas leaks & the stress of prom. Senior year was a year like none other—new principal, new schedule, new fees, & new rules—yet together we made it through. And now we prepare to face our biggest challenge—our future. As we go on our way, whether it be to college, to work, or elsewhere, may we never forget our days at the Regional. Good luck Class of 2005!
