BR's Semiformal took place on Friday, November 17, 2006. With such a great turnout, it was surely a night to remember. The dance was filled with great music, dancing, and lots of laughter. The Class of '07 will never forget just how much fun they had at their last semiformal.

This year Bridgewater-Raynham Regional School District is saying good-bye to a very talented and dedicated group of people. The contributions these individuals made to the district over the years will never be forgotten. During their tenure they have each shared their wisdom and intellect with thousands of students. The class of 2007 wishes them a long, happy, and well-deserved retirement.

Mr. Cox

Mr. Cox is a member of the Math Department, advisor of the Math Team, and a friend to many. He has enabled countless students to excel on the AP Calculus exam as shown by the ever-growing number of students on his “Wall of Fame.” Students are drawn to his sense of humor and ability to convey information. Mr. Cox is able to teach all different levels of students. He is an understanding teacher that many students look to for guidance. He has participated in student-organized games and activities. At the Regional, it is apparent to most that he is not only a talented teacher, but also a trusted friend and colleague. The Class of 2007 thanks Mr. Cox for his support and friendship and encourages the future classes to realize the advantages to be found in his teaching and kindness.

Ms. Benigni

Ms. Benigni is an English and Latin teacher. Her wacky ways of presenting the material to the class is not only entertaining, but memorable as well. She is able to teach a variety of students from many different backgrounds due to her unforgettable stunts like standing on chairs chanting and rapping during class. She is a favorite among the Regional’s students and has a strong presence in the school. Ms. Benigni will be missed when she retires this year. The current students of BR will be saddened by her retirement, the staff will miss her witty comments, and the future students of BR will lack the benefit of experiencing and enjoying her engaging classes. Thanks for all of the laughs and good luck on behalf of the Class of 2007.
Thank you for all the hard work you have done for the senior class. Organizing so many events such as the senior holiday party, pep rally poster parties, prom, semi, powder puff, senior grad night, and banquet. These two hardworking women have driven the senior class to achieve their goals. Mrs. Norman is also very busy running student council and teaching AP Bio, while Mrs. Murdoch teaches Vietnam and Assassinations. We truly appreciate your dedication to the senior class. Good luck in future years.
Jabari was a mild mannered, quiet, fun-loving individual with a gentle smile that brightened your day. He was open minded, he was someone that if you needed the clothes on his back, he would give them to you without hesitation.

Jabari had a passion for basketball; he played for the Bridgewater Biddy League, AAU, and the Bridgewater-Raynham school team. He was co-captain of the 2005-2006 Bridgewater-Raynham High School basketball team. In the summer of 2006 he was inducted into the Bridgewater-Raynham High School Wall of Fame, he won the 2005-2006 basketball all-scholastic from the Taunton Gazette. He will be sorely missed by all who knew him.

The cheerleading team has improved so much during the past few years. The three captains, Colleen Andrews, Jenn Leon, and Jenna Vicente helped bring a positive attitude to the team. The girls placed fifth in the OCL competition, qualifying them for regionals.
BR Field Hockey, led by first-year head coach Elaine Sullivan, assistant coach Alicia Petrucci, and team captains Taylor Murray and Jen Scolamiero, finished with 9-10-1 record (just one point shy of post-season). Seniors Christina Daly and Julie Devin, played with tenacity along side sophomores Melanie Frazier and Maggie Wigley in the forward line, while seniors Jen Scolamiero and Taylor Murray played aggressively in the midfield next to junior Haley Martin. A strong defense led by sophomores Jenna Manning and juniors Susan Yelle and Laura Smith supported the teams’ goalie, senior Caitlin Greely, who tallied 5 shutouts this season.
With a surge of new freshmen joining the team this year, the boys’ team increased to the largest it has been in years. They pulled through in the beginning of the season, and through much hard work and perseverance, they prepared themselves for an excellent season next year.
Like the boys, the girls' team also enjoyed a large amount of new freshman runners along with a new, dedicated girls' coach. They too made it through their low points in the start of the season and ended the fall excited for next year.
The 2006 Football Team finished with a record 3 wins and 7 losses. The team faced many injuries early in the season. They rallied late in the year to win their last three games. This season was highlighted with the beginning of a new Thanksgiving Rivalry. The Trojans played East Bridgewater for the first time, winning 27-0. The Trojans were led by captains Gary DeMoranville, Kevin Donovan, Dave Douillette, Jack Pereira, and Karl Wells.

The 2006 Boy's Soccer Team experienced a difficult schedule. However, overall records do not show many of the success stories that the team experiences. Soccer players increased their fitness levels, skill sets, and comprehension of teams strategies used in 2006.

B-R soccer says goodbye to five outstanding, senior student-athletes. Senior co-captains Kyle Sheehan and Sean MacDonald offered much support, leadership, and experiences to the soccer program's underclassmen. Matt Durrigan, Keith Driscoll, and Carl Ramponi complete a small, senior group that battled some of the most competitive teams in the state. We wish the 2007 graduates future success.

The 2006 Boy's Soccer coaches, Mr. Scott Blake, Mr. Brendan Gill, and Mr. Johnathan Levesque thank the players for their hard work and dedication. Most of all, the coaches would like to thank the parents for their support. B-R Soccer looks to return to competitive form in the Old Colony League and have a successful 2007 campaign. Go B-R!
Back in August during pre-season, Coach Caroline Settino told the varsity players that they were a good team, but they could be a great team. However, to be great, they had to work hard, they had to be dedicated, and they had to make a commitment to the team. They accomplished all of their goals and more! They won the OCL with a record of 7-2-0.

They were seeded number 2 out of 32 teams in the Division 1 South. They went to the state tournament, and made it to the South Sectional Semi-finals losing to the eventual state championship team. Their overall record was 18-3-2.

Yes, indeed, the 2006 girls' varsity soccer squad had great success and worked hard to become a GREAT TEAM!
The girl's volleyball program took some solid steps forward this year. The establishment of a Freshman volleyball team and the continued improvement of a competitive Junior Varsity team promise to make our Varsity team more competitive as we play many of the best teams in the state. Led by captains Melissa MacKinnon and Spencer Nichols as well as OCL All Satar Ali Cavanaugh, our Varsity girls showed great improvement, finishing the season with exciting matches against Coyle Cassidy, Silver Lake and Attleboro. Thanks to our seniors for their great effort this year!
Successful seasons may not be judged by wins and loses. The 2006 B-R golf team, led by Captain Charlie Boyer, played the game the way it was intended... with honor, perseverance, and sportsmanship. Hit them straight, and play it where it lies.
This year the wrestling team was led by none other than the team captains Chad Jaramillo and Mike Burke. The impressive coaching staff consisted of Jeff Francis, Rob LeRoux, Mr. Libby, Scott Blake, and Ken Kerrigan. With three returning state finalists and only 2 seniors leaving the team, our chances of taking the OCL were looking good, until several injuries struck the team. Despite all these injuries, many new faces helped lead the team to victory. Many critics would say it would be tough to maintain a record of over 500 but this year's wrestling team has managed to do so. As BR wrestling is becoming more successful, the number of athletes have increased for this sport. Meaning a big future for BR wrestling.
BR's 2007 gymnastics team has tough shoes to fill after placing 4th in the state in 2006. Captains Ali Cavanaugh, Lexi Zonfrelli, and Erin McGrath led their team to a 4-1 record halfway through the season. Junior Lexi Zonfrelli held the Cranberry Gymnastics League title for beam and continued to score high in the all around competition while freshman Jillian Kitterick added to the team's high scores by also competing all around. Sophomores Danielle Haslan, Heath Spring, and Alyssa Baumgarten helped their team to achieve high scores on vault, bars, and floor.
The girls winter track team had another fabulous season. The girls have proven that hard work pays off. Congratulations girls for another great season.
The boys winter track team flew out of the gates with a wonderful attitude and had a great season to show for it. Strong team work made the team another B-R success story.
This year's boys basketball season had its share of ups and downs. The team had dedicated their whole season in memory of Jabari Frith. They set a goal among themselves to qualify for the state tournament and to play to their highest potential like he did. The team worked hard all season and finished with a final record of 12-8. They made the tournament and reached the goal that they had set for themselves. Their efforts could not be matched nor forgotten. They worked as hard as they could for Jabari and he would be proud of the way they played. They were not intimidated by any team and it showed. This was a winning year by all standards.
Led by new coach Nicole Orlando and staff members, the Lady Trojans finished out another good season. The girls team included senior captains, Kelly Whooley and Amanda Blanchard; seniors Amanda Callinan, Bitsy Florence, and Ashley Barker; juniors, Jessica Rogers, Jen Downing, and Janese Noble; sophomores, Sam Marotta, Nicole, Nicole Marotta, Laura Callinan, Lauren Kelly, Kelly O'Neil, and Theresa Burgess. The girls came out and tried their best every time they stepped on the court. With a young team, this year, the girls hope to improve for next year.
The 2006-2007 B-R Hockey Team led by seniors Brian Lyford, Brian Norman, Jim Gomez, Steve Hill, and Adam Jaspon finished the season at 11-11. They also made school history for reaching the state tournament and winning a game against Taunton 11-6. Another accomplishment is the team had the most victories in B-R school history!
Lacross was still a club team but played great. Their first season was a success, and the future looks awesome for these up and coming lacrosse players.
The 2006 Softball Varsity Team finished second in the Old Colony League. Overall the team finished the season with 9 wins and 11 losses, competing with the top teams in the area. A good veteran team returns this season with high hopes of winning the OCL title again and finishing high in the state tournament.
The 2006 B-R Baseball Team finished a successful season with 12 wins and 8 losses and finished 2nd place in the OCL with a 4-2 record. The league title was decided in the last inning of the last game of the regular season. B-R was led by senior captains Nick Campbell and Matt Shapiro, and Ryan McElhinney. B-R had 5 OCL All-Stars with seniors Campbell, Shapiro, McElhinney, and Jason Flannery, as well as junior Dave Douillette. B-R also got help from seniors Ryan Whitty, Mike Dangoia, Tim Hegarty, Pete Kelly, and Aron Shepley, as well as juniors Kyle St. Thomas, Brian Shapiro, Chris Post, and freshman starter Drew Larson. The baseball team is looking for another successful season in '07 with captains-elect Dave Douillette, Kyle St. Thomas, and Brian Shapiro returning with Ryan Thayer, Drew Larson, and Dan and Tim Belanger who all had varsity experience in 2006.
The 2006 BR Boys Tennis team finished the 2006 season with a record of 13 and 5. They finished in second place in the OCL with a 4 and 2 record. Captains Chris Bodensieck and John Lynn were named to the OCL All Star team along with Soeren Bosse and Devin Kitterick. Aaron Louison was voted captain for 2007. Aaron, Nick Almeida and Peter Bournazian are returning varsity player and we wished them the best in 2007. Coach Pimental will not be returning for the 2007 season in order to spend more time at his Florida home. He coached the team for 21 years with a record of 315 wins and 100 loses. Good luck Coach P!
The Girls' Tennis Team had another successful season, qualifying for the state tournament for the 3rd year in a row. Jackie McGuirk and Stefanie Crovello as singles and Liz and Emma Guardia as first doubles led the girls to a 13-5 record before losing to Framingham in the MIAA Tournament second round. Only two seniors graduated so the team is looking forward to another good season in 2007.
The B-R boys spring track team had a successful season with a great record. The team looks forward to another great season this upcoming year. The team was dedicated and enthusiastic which contributed to a great season.
The girls spring track team was led through a successful season by their coach and captains. The team finished with a great record. The team is looking forward to the great leadership they have in 2006-2007. The team will hopefully have another successful season.
Senior Holiday Party

With food, karaoke, and creative costumes, the senior class knew just how to ring in the holiday season. The party was the first of many events bringing the class of 2007 together to celebrate their last year at BR.

Our last year at the old school, we look forward to the new school next year and being the first class to graduate from the new Bridgewater-Raynham Regional High School. The Class of 2008, just wait, were great!
Before cars, computers, and cash, all we needed for happiness was a bottle and a favorite toy. These were the years when friends were made, deciding between orange and apple juice was the hardest decision we had to make, and going home from a friend’s house was the end of the world. Our baby years were some of the most crucial years of our lives, and we spent them with perhaps the most valuable people whom we grew to love. Class of 2007: We’ve come a long way!
So Cute!

November 2006
The Semiformal was held at BR. Freshmen, Sophomores, Juniors and Seniors all attended. All grades mingled together, danced, and shared good times. The gym was packed with BR students. Tickets sold out prior to the dance. This Semiformal was the most popular it has been.

Semi
formal

(Left)-Seniors voted for Homecoming King and Queen. After the votes were tallied, Joey Feldman and Kelly Weygand won the crown.

The Semi is less formal than a prom and a more relaxed atmosphere allowed for more dancing and fun.
Many students from many different backgrounds joined together to participate in group dances.

The popularity of naming a king and queen is overwhelming. The Senior Class and advisors put a lot of time and effort in bringing back participation in dancing, laughing and fun that had originally drawn them. It was a great success!
There was dancing. There was dinner. There was laughter. There were no sad goodbyes or farewell dances. Junior Prom was just about having fun. People danced on the platforms, removed high-heeled shoes, and let time slip away. Dances like the ‘Cotton Eyed Joe’ and the ‘Cha Cha Slide’ set the tone for the night. Junior Prom was a night to remember.

From Top Clockwise: Jackie Palmer and Sam Howe; Cynthia Odiah and Brittany Jordan; Brian Reid and Katy Wood; Janelle Tapp and Vince Foscaldi; Pat Kelton, Pat Flanagan, and Kevin Donovan.
Once upon a time all of the princesses and princes gathered together for a night oflaw. They danced the night away and after Chris Poz and Tabina Lessard were named Prom King and Queen, nobody wanted to leave.

"I'll be the greatest fan of your life."

Haley Albano, Christine Wood, and Lena Page; Tara Williamson, Kristina LeClair, and date; Matt Durrijan and Michelle Bogle.
November 14, 2006, was BR’s third annual Mix It Up at Lunch Day. It consisted of a day that tore down all social boundaries in the lunch room. The purpose of this was to eliminate social cliques in BR for one day. It allowed students to step outside their comfort zones and interact with students that they normally wouldn’t. For many, Mix It Up at Lunch Day was an opportunity to make new friends and open their eyes to the population of BR. During this fun-filled event, students were offered music, food, and fun games. Not only was BR a part of this ice-breaking event, but was among 10,000 schools nationwide!

**Mix It Up At Lunch**

"A DAY THAT TORE DOWN ALL SOCIAL BOUNDARIES..."

The event was DJ-ed by BR graduate Greg Webber, who was ecstatic to be a part of it. Mix It Up at Lunch Day was advised by Mr. Kostko and Mrs. Wood, and planned by many seniors. Special thanks are owed, however, to seniors Brittany Freitas and Katy Wood who helped to make the event so spectacular.
Although the air may have been freezing, it did not stop the Senior Girls from dominating the stands. The stands were filled with supporters from each side, including parents and fellow classmates. The game was filled with laughter and new memories, that will definitely remain in the minds of seniors in the future years.

Congratulations Senior Girls of 2007!

Senior Players line up ready to take down the Junior Girls.
SPIRIT WEEK

Seniors Win!

Spirit Week at BR is always a week of excitement. The week, which was comprised of Color Day, 80's Day, several games and events of competing classes, and the pep rally always draws students into the spirit of BR.

This year, the games between the classes included Penny Wars, a friendly competition to see which class would gain the most pennies for their class fund. Chain Wars, where students could purchase paper chains for their class to decorate the gym with on the day of the pep rally, and a Scavenger Hunt during the rally.

After days of preparation, the class that came out on top for most money earned through the Wars was the Freshman Class. It is good to know that the school will be inhabited by some very spirited new students after the current seniors leave!

On Thursday, March 12, 2007, the students at B-R took on the faculty in another attempt to defeat the reigning champs. Although students were unsuccessful, the night was filled with games, costumes, the occasional trash talking, and bragging. A good time was had by all. Good luck to next year's student teams.

We are very proud of you!
Dear Taylo,

Having children for Dad and I has meant many great times, challenges, mistakes, and rewards. When you were born (truly one of the best days of our lives) you were too PRECIOUS all 7 lb. 8 oz.'s of you, needing our constant attention, but the slowly, although in retrospect not slowly enough, it happened, your unique and individual personality emerged!

Now, suddenly you are out shining in the world, driving, working, preparing for college, and not needing Dad and I as much. Naturally as parents we are saddened by this because worrying about your children never ends and we wouldn't trade that sight for anything in this world. However, we are so proud of the amazing independent person you have become and admire the virtues and standards you have chosen to live your life by (in your own words, "All choices have consequences and they should be considered before acting"). You truly are a woman of your words. We hope you know how very proud all of your grandparents are of you as well as the rest of our family and friends!!!

Dad and I knew that one day you would leave our home and create your own path in this world. Because of you, we are sure this world will be a better place. We urge you to take advantage of opportunities that arise; don't be afraid of new worlds. It is far better to explore and return than to never have ventured at all. Learn all that you can because knowledge will serve you always. Always be kind and courteous to others because in a world of aggression and greed, graciousness is a rare gift.

Please know that you are never any further than a phone call away, "PLEASE KEEP YOUR CELL PHONE CHARGED!!!!" and always keep our love for you in your heart wherever you may go as we will keep your love in ours!

We love you Baby Angel and are so proud of you!!!

Love always and forever,

Mom, Dad, Matty, and of course Bailey XOXOXO

PS—To all of your friends, especially Jordan, Erika, Jason, Chuck, Mike, Tom, Joe, Mike, Kim, Danielle, Taylo, Melissa, Courtney, Kim, Jamie, and anyone we may have missed, we wish you all a safe and happy journey.

May you all be successful and always know that our home will always be an open door to all of you!

We are so proud of your hard work and determination these past 12 years. It seems like yesterday you were starting kindergarten.
