To the class of 2012, I wish you the best of luck! Four short years ago, we embarked on this journey together and I feel that in that short amount of time we have learned and grown a great deal from one another. You never ceased to amaze me with your hard work and ability to rise to the occasion in all that you have done. The core of your experience at B-R is one you should all be proud of. Through all the ups and downs over the course of your high school years, you passed the tests put before you and met the expectations set for you not only by your school, but by your families. You have established high standards for your peers to follow and you have always represented B-R in the most positive light. Congratulations and good luck to you!

- Ms. Watson
Dedication

Known as Master P, Mr. Peterson is a dedicated and caring teacher whose expertise spans across many subjects. When talking to students, they mention his kindness, his sense of humor and call him a "classy guy". He is always willing to share a good laugh in the hall, and always has a smile on his face.

As a tennis coach he brings his love for the sport to BR giving the team the confidence and skill they need to achieve excellence. The team could not ask for a coach that is more thoughtful and supportive.

We dedicated our yearbook to Mr. Peterson because he has been an exceptional mentor and friend to the class of 2012.

Thank you Master P!

Retiring

Mr. Robert Brogna has been a teacher for 37 years, 34 of them at B-R. His dedication to students with special needs inspires us all. He has worked tirelessly with his students to increase their academic, social, and vocational skills, always striving for his students to reach their potential. His dedication to teaching, his love for his students, and his friendship to his colleagues has made a great impression upon B-R. He will be missed by all.

Mr. John Jessop is described by students as "the nicest teacher in the school". Having taught for many years at Cardinal Spellman, Mr. Jessop joined the faculty at BR bringing with him his love of all things English. Each day Mr. Jessop gently begins his class “Hello Folks, hope all is well today.” His love of literature extends beyond the classroom, as Mr. Jessop has run the BR book club for many years. After school in G204, students can come to discuss a great book, have a sweet, and a cup of tea. The students of BR wish Mr. Jessop a wonderful retirement!

Class Advisors

Best of luck to the class of 2012, it’s been great to work with you through the last four years!

-Ms. Driscoll & Ms. Thibodeau

"I’m a great believer in luck, and I find the harder I work, the more I have of it."

-Thomas Jefferson
We would like to thank our editors Frank Adamo, Nate Braga, and Sarah Vitali. These seniors have spent endless hours collecting information, creating pages, taking photographs, and editing pictures. They did an outstanding job representing the senior class. The club this year was full of laughs and we will always look back on these days and smile. Our editors will truly be missed. Thank you again for your hard work and dedication. It was a big job and a big responsibility, you should be very proud of your work!

Sincerely,
Mrs. Kendall & Ms. Horne

ORGANIZATIONS
American Sign Language Club is new to Bridgewater Raynham Regional High School this year. Our goal is to effectively communicate with people who use ASL including the Deaf, as well as, understand Deaf culture. Members are encouraged to use ASL outside of school and to teach others what they know.

ART CLUB

Through the years, the Art Club has made it its mission to promote art throughout the school and the community. The members of the Art Club explore a variety of techniques such as drawing and painting, while also incorporating various mediums such as glass and clay into their work.

BAND

Bridgewater-Raynham's band consists of a group of extremely talented musicians. During the year the band performs in various events such as the annual Holiday concert. This year, the band could be seen, but more importantly, heard, at all of the B-R football games.
B-R MENTORS

This is the fourth year for this amazing new program at Bridgewater Raynham. Students have volunteered and undergone training to become mentors to both high school and younger year students. The mentors also developed the BRIDGE program for 8th graders to improve the transition into high school.

CAFE 129

Every Tuesday around lunch time, the school is aching with hunger pains for Cafe 129's delicious lunch entrees. Each Tuesday, we get the privilege to be served by these students who are practicing skills such as serving, cooking, and making change. It is always the best service, and always the hottest spot to each lunch at Bridgewater Raynham.

CHORUS

The chorus is a group of talented young singers who have two annual concerts: one in the winter and one in the spring. This year, they have even made appearances at the local Bridgewater and Raynham town meetings to show how important the music department really is to the town.
CIVICS CLUB

The Civics Team worked to teach the students of Bridgewater Raynham the importance of "civic duty" which includes the right to vote. They also reach out into the community and put civic duty into action by working with the senior community and teaching them to better use today's fast changing technology.

COLOR GUARD

DANCE TEAM

NEW TREND!!!! Bridgewater Raynham Regional High School Dance Team New Trend! This is our first year. We have performed at Pep Rally, Talent Show, and Basketball games. Our dances include hip-hop, salsa and many other styles. Our team is dedicated, hard working and most important FUN!! Our mission is to have fun, meet new people, share cultures and do something we all love.
DRAMA CLUB

The Bridgewater-Raynham Regional High School Drama Club is something of a creative haven for students who wish to develop their skills in many different styles of both acting and theater production. Its members meet twice weekly to practice skills such as monologue recitation, improvisation, poetry reading, and acting in a full-length production of Allison Williams’s Mmmbeth. They, along with the BRRHS Raynwater Players, will host a youth theater workshop for their community’s young aspiring actors.

FOREIGN LANGUAGE

The Foreign Language Club took a closer look at a variety of cultures from countries around the world. Throughout the year, we celebrated many holidays including El Dia de Los Muertos (Day of the Dead) and the Chinese New Year. In addition, during each meeting a current cultural event was discussed through Culture Corner.

GAY-STRAIGHT ALLIANCE

The Gay-Straight Alliance worked to promote awareness for LGBT (Lesbian, Gay, Bisexual, and Transgender) issues and helped to create a safer school environment for all students. The GSA sponsored many events throughout the year including the Day of Silence and the Purple Day, both exemplifying support for LGBT.
LIBRARY DOCENTS

The Library Docents are a group of friendly, enthusiastic, and committed students who enjoy working with groups of students and faculty. They are trained to assist with all aspects of the library, which include checking books in and out, locating and shelving books, and assisting with computers and photocopies.

MARCHING BAND

For a second season, Bridgewater Raynham has its very own marching band. Through hard work and determination, the marching band was able to showcase a variety of music throughout the season.

MATH TEAM

The dedicated members of the Mathematics Team work consistently to solve problems from every area of the immense subject, including geometry, algebra, and calculus. Their dedication is shown in their preparation and eagerness to compete in meets across the region.
The Mock Trial club works with the Massachusetts Bar Association to compete with other schools by playing out a courtroom scenario. Students in the Mock Trial club experience first-hand how a real courtroom operates as they work through a new case each year, learn the law, and participate as attorneys and witnesses for the trial. Trials are held in area courtrooms and student-attorneys sit before mock trial judges.

Consisting of seniors inducted during either their junior or senior year, the National Honor Society combines high academic expectations with community service, creating well-rounded individuals with a focus on serving their communities. The students were chosen based on scholarship, service, leadership, and character.

The Peer Leaders is a community service based group that emphasizes volunteering. The Peer Leaders sponsored many activities including a Halloween party, bake sale, coat collection, Scholarship Banquet, Santa Breakfast, cancer walk, and senior citizens assistance.
PHOTOGRAPHY CLUB

The Photography Club is back from hiatus and in its second year. Every week students are given a challenge and submit their work to the club for review. You will also find them at many school events including Sporting Events, Junior Prom Fashion Show or the Pep Rally.

POSITIVE ACTIONS CLUB

Positive Actions club’s purpose is to make a positive impact in our school and community through positive actions that we believe are the stepping stones to success.

RAYNWATER PLAYERS

The Raynwater Players put in many hours of hard work to prepare a performance of a Broadway musical each year. From dancing to costumes, the Raynwater Players work both on stage and off to put together the best show possible. This year they performed Les Miserables.
SCHOOL CLIMATE

School Climate Group works consistently to highlight and showcase students' achievements and to promote positive interactions within the school community. Through various activities, the group members help foster an appreciation of individuals' differences and cultivate feelings of pride and respect in the school.

SCHOOL COMMITTEE ADVISORY

The School Committee Advisory Board is an elected group of students from each grade who interview club advisers and present what they find to the B-R Regional School Committee. Committee members are enthusiastic to hear their reports and to receive monthly updates of the events within our school.

SCHOOL NEWSPAPER

The Grapevine is back in 2011 after a two-year hiatus. You can read all about what's happening at the Regional on-line at bridge-rayn.org, high school, student newspaper.
SCIENCE OLYMPIAD

The Bridgewater Raynham Science Olympiad Team belongs to the Southeastern Massachusetts Division which is part of a nation-wide organization. The team works rigorously to learn scientific knowledge that will help them to compete against other schools.

SENIORS ENTERING THE MILITARY

Though not an actual club, we would like to use this space to give special thanks to those who are planning to serve our country. Through various branches of service, these seniors are recognized members of Bridgewater Raynham’s Class of 2012.

SHOW CHOIR

Inspired by the TV show "Glee", Bridgewater Raynham has started Show Choir group. Show Choir meets regularly to learn songs and choreography for Bridgewater Raynham’s semi-annual concerts. Bridgewater Raynham and the community enjoy their performances and appreciate the energy they bring to the stage!
SKI CLUB

The Ski Club plans trips to a variety of skiing locations throughout New England in the winter. Such locations include Bretton Woods, Sunapee, Loon Mountain, and Sunday River. The Ski Club has become a great way to make friends and enjoy a day out on the slopes.

STUDENT COUNCIL

The Student Council consists of students from all grades who are voted in by their peers. The group hosts a variety of fundraisers, community service events, and school activities. These include the annual food drive for Thanksgiving, Teacher Appreciation Week, and Spirit Week.

TJ2

TJ 2 is Bridgewater Raynham's very own robotics team. The team works diligently each year to build a robot, create animation, design tie dye t-shirts, write newsletters, and manage a website. In the end, they also get to travel to various locations around the country to show the other teams what they are made of.
The staff of Unitas works tirelessly each year to present B-R with the best possible yearbook. From sorting pictures to designing layouts, the members of Unitas are always busy with something. In the end, the final product is worth all the time and effort spent throughout the year. Missing from photo: Courtney Taylor & Nicole Nelson (gr 11). We couldn’t have done it without them!

The YESS Club promotes awareness of social and environmental issues. By making videos, organizing events, and bringing in topical speakers, the club encourages healthy behaviors and environmentally sound practices. Club sponsored events include a recycled fashion show and Green Awareness Day.

WE ARE B-R
The Arts
Good Luck!
Deservation

In the locker room prior to the game
The atmosphere seems tense but the faces are so calm
Laced up, mentally prepared, lined up in the tunnel, words were shared
As a team we mumble in prayer.
Gazed around to hear nothing but cheers from the crowd
Close the eyes, deep breaths, and clam the nerves
After all the hard work this is what I deserve.

-Ode to the Once Loved

Ode to the people that we once loved
They were thought of and cared for
Ode to their lives every day they now suffer
While in the pursuit of new love,
    And happiness
Ode to their heart
That was torn apart ferociously
With little thought
Of their inner feelings
Ode to their memories
That brings back happiness
Or to the ones that are not so know of...
Ode to those who have tried
Those who haven’t given up
The ones that will keep going
Even though life for them will not get any easier!

-Stop in Time

I once could not, wait for this to end
Yet I am running out of time to spend
With friends and people that I know
But I more and more as I go
A new challenge is coming on.
It’s coming now, time is going on
I waited so long to see.
The end of time in these scenes so old to me
So now I realize that the time
I once wished to go, I wished to wind
Now I wish to stop and freeze
But it runs on in spite of me
I wish that right now at this time
Life would freeze as I write this line.

-Over Time

Time is flying by,
But no one really knows why,
Everything is moving so fast,
We spend most of our lives looking in the past.
From every passing day and every walked mile,
    To every laugh and every smile.
We grasp at the fading light of youth
So clutch at the memories that mean the most to you.
Don’t regret anything, what’s done is done,
Just always look out for number one.

Dear Liv,

To follow your dreams you must first follow your heart. Love what you do and success will find you. Never give up! Look to God for guidance, for he will always show you the way. Be true to yourself and honorable to others, this will define you as a person.

Love Mom, Dad & Jonathan

Brenna, From the moment you were born the smile ever left our faces. You bring us more joy than words an express. We are so proud of you! "To the moon & back".

Love you Mom, Dad, Meghan & Tucker.

Congratulations Brandon, Your Future Awaits! Love Mom, Dad, Valerie & GrandParents.

~Love you Kourdy~ Rise up this mornin', Smiled with the risin' sun, Three little birds, Pitch by my doorstep.

Way to go Adam!
We are so proud of you Love; Dad, Mom, Curtis & Richard

Kelly, it’s been so wonderful watching you grow into this accomplished young woman, and we are so proud of you and what you have achieved. Congratulations on a great four years of high school!

Mom and Dad

Our dearest Taylor, Dad and I are so proud of the amazing young woman you have become. Your beauty, intelligence and compassion shine inside and out. You have brought us both so much joy throughout these years and we are very grateful for you. As you move to the next stage of your life, continue to reach for the stars and make everyone of your dreams come true. Dad and I will always be right there supporting you and helping to make your life just as wonderful as you have made ours. We love you more and more every second.

Mom and Dad

Shea,
this is the time to celebrate all of your hard work and time to look forward to the many moments waiting for you. Embrace them with laughter, beauty and grace because as one chapter has ended a new one is about to begin. We are so proud of all that you have accomplished! may all you wishes and dreams come true.
Love Mom, Dad & Dari

Shea, Your one tough cookie and there's not a doubt in my mind that you'll make it from here on out. here's to being inseparable since the beginning of our times; from the first words back in '94, finally losing my first tooth in '00, all the way to your first car in '11, and to every first that has yet to come. Here's to all the summers; evening bonfires at the boat hole, late night stargazing at the lighthouse, and s'mores over the stove when we're so tired to go any further than the kitchen. So hold fast, sassy 'cause it's sink or swim, and you know a smooth sea never-

Made a skilled sailor.
LOVE ALWAYS, ANDIE

Congratulations Kelsey & Zac!

Watching you grow through the years, you've made us so proud every inch of the way!
We love you both!!

Congratulations to the Class of 2012!!

Congratulations Kristen! We are all so proud of you! Good luck and best wishes as you embark on a new chapter in your life! We love you so much!
Mom, Dad & Brian

Congratulations to the Class of 2012!!

Congratulations Annie! We are so very proud of the bright, fun and kind young woman you've become. We can't wait to see what you do next!
Love Mom, Dad, Billy and Nana
